

The Cure The Divine Rx For The Body Of Christ Life Changing Love

The Cure- 2008 When asked which commandment is greatest, Jesus' answer boils down to "love." He wasn't talking about some nebulous, fluffy, abstract concept, but a clear command to actively love God, our neighbors, and even our enemies! The Cure is for anyone looking to cultivate greater love in the church--and beyond it.

The Cure-Harry Lee Kraus 2008 Practicing surgeon Harry Kraus puts forth a theology of love using Paul's metaphor for the church as "the body of Christ." One of the Bible's chief metaphors for the church is "the body of Christ," as described by Paul in 1 Corinthians 12. In The Cure, practicing surgeon Harry Kraus uses his medical background to bring this metaphor to life. He explains how an understanding of physiology—the wonderful way God has put together the physical body in function and form—can show us how love can be realized in the life of the believer and the church, the body of Christ. When asked what can be done to inherit eternal life, Jesus' answer can be summed up in a single word: love. Love stands at the heart of the gospel, the core of God's motivation and plan to rescue his bride. Through this careful dissection of Paul's metaphor, readers will come to an understanding about Christ's command (love!) and how to fulfill it. "Harry Kraus has dedicated his life to restoring human bodies to health. This book does the same for the church, the body of Christ." Max Lucado, best-selling author "Harry Kraus understands love—biblical, selfless, servant love—the way few do. Get lost in the lines of The Cure and remember once more the reason you're here—to love and love well." Karen Kingsbury, author of Ever After and Between Sundays "Harry Kraus has already proved his skill as a writer after more than two decades' worth of novels. In my favorites, I'm amazed at the intertwining subplots and the just plain good stories that hold me to the last page with imagination, suspense, romance, and gospel mixed together in well-proportioned doses. In his first non-fiction books, Breathing Grace and now The Cure, Kraus's expert storytelling provides the setting for larger direct doses of biblical truth than what's effective in a novel. In his life as a physician, Kraus looks at normal events and sees parallels with God and our need for him. In The Cure, facts about a healthy human body become parables of a healthy body of Christ. Realities as diverse as DNA and a disastrous first date point us personally toward God and the immensity of his love and how much we need that love. I expect to give away many copies of The Cure." Noël Piper, author and speaker

Is It God's Word-Joseph Wheless 2007-03-01 Is the Bible the word of God? This classic of atheistic literature has the answer, and it's a loud and profound NO! American writer JOSEPH WHELESS (1868-1950) employs all the tools of the logician, from the self-evidence of reason to the words of the very proponents of the attitudes he strives to dismiss, to condemn Christianity as nonsense. Wheless roundly debunks. . the patriarchs and the covenants of Yahweh . the wonders of the Exodus . the forty years in the wilderness . the "ten commandments" and the "law" . the "conquest" of the promised land . the holy priests and prophets of Yahweh . the "prophecies" of Jesus Christ . the inspired "harmony of the Gospels" . the Christian "plan of salvation" . and more. This is a highly provocative work, one that should be explored by believers and doubters alike. ALSO AVAILABLE FROM COSIMO: Wheless's Forgery in Christianity

Twin Shining Lights-Mahrouyeh Maghzi 2018-07-10 You are the bows from which your children as living arrows are sent forth ... Let your bending in the archer's hand be for gladness; for even as He loves the arrow that flies, so He loves also the bow that is stable. -Khalil Gibran Humanity continues to evolve. Today's children have unique qualities that are helping the planet evolve spiritually by moving from the "old" energy of fear (greed, corruption, competition, and stress) into the "new" energy of love (integrity, manifestation, and cooperation). The New Children possess specific characteristics to help them fulfill their purpose to bring the planet into a space where Peace and Honesty reign, where Harmony between all living creatures is the norm, and where Cooperation is given and expected as we realize that we are all connected to each other by Love. Differing from previous generations, these New Children are becoming more and more connected to Divine; they remember our spiritual connection. Even though each child expresses this gift in a unique way, as a group they are a more intuitive, more telepathic, more sensitive generation. Twin Shining Lights is a beautiful narrative that introduces readers to this perspective on life—because story matters.

Dispensing Truth-Ron Girardin 2020-01-22 Would you volunteer for open heart surgery, chemotherapy, or radiation treatments? Would you consider becoming severely depressed? Well don't worry, you won't have to volunteer. Unfortunately, heart disease and cancer are the leading causes of death in the United States. If you live a normal life span, the chances are better than even money that you will experience one of the above conditions. And should you ever need to be in a hospital, will you be adequately insured or will it be a trip to the poor house for you and your family? Even those who don't need to be hospitalized spend millions of dollars daily on prescription drugs, and yes, antidepressants are still listed among the top selling prescription drugs in the country. If there is a loving God, then why do so many people find themselves in these kinds of situations? Would you prefer not to be in such a situation? If your doctor informed you that by reading just five or ten minutes a day for the next 30 days you could significantly lower your risk of experiencing these types of conditions, would you follow his or her advice? What if your doctor told you that your recovery was far more likely, would you listen then? Dispensing Truth addresses these issues from a biblical basis but with the unique perspective of one who is not only an ordained minister but a community pharmacist as well. The results reveal some amazing answers. Answers that provide truth, hope, and encouragement to the troubled, to the sick, and to the dying. Discover for yourself a file of divine prescriptions that can restore and maintain good health.

Christ in Conflict-John Stott 2013-11-01 Opening our eyes to the persistence of the controversies that followed Jesus throughout his public ministry, John Stott explains why the tension-filled social exchanges depicted in the Gospels provide us with a key to the heart of Christian doctrine.

Divine Healing Capsules-Ezekiel Benson 2014-08-26 - Are you suffering from an illness that has lingered for a while? - Have doctors given up on your medical condition with the verdict that there is nothing they can do for you? - Are you looking for a miracle healing that only God can give? - Do you need a way out of the disease you presently are suffering from? DISCOVER GOD'S PRESCRIPTION FOR DIVINE HEALING OF ANY DISEASE! -----

----- Many folks are diminished, diseased and perish in the area of divine health because they have no knowledge of what God says about their healing, and what God's supernatural prescriptions are for perfect health and wellness. Divine Healing Capsules is a program inspired and designed by God to help you take God's prescribed dosage of His Word for the blessings of divine healing: - 2 times a day; - 3 capsules in the morning and, - 3 capsules in the night; - 7 days in a week and, - 365 days in a year. Mrs D.O had to take God's prescription for healing in just that way, several years ago when she was diagnosed of having a terminal cancer. She was given a report that the cancer in her liver was fatal. The doctors offered no hope and gave her some few weeks to live. So, she went home from the hospital with her husband. She and her husband decided to turn to God for solution - and God's Word was the solution! They stood in agreement on the healing promises in the Word of God. They confessed God's Word over her body and she faithfully took those healing scriptures every day the same way she would have taken the medicine or drugs prescribed for her by her doctor. The devil projected the picture of death, the fear of death and all forms of lies to cripple her faith and make her give up on life, and on herself, and on God and His Word. But she wouldn't give in. It was a very tough time and the battle for her life and health took a while, but she stayed with the Word. She held on to God's Word; she persevered - she didn't give up. After a period of constantly and

consistently taking God's Word every day like a medicine, she was completely healed of cancer and remains free today. Many folks have heard about confessing God's Word but they don't know what scriptures to use and how to go about it. To solve this problem, God inspired me to create this program: Divine Healing Capsules. In it you will find scriptures and Holy Spirit inspired declarations and confessions to make in agreement with the Word of God that will bring about a fulfillment of your desires in the area divine healing. As you stay with the program, you will see God's Word like a movie, but this time in reality, come to pass in your life, making you well and whole. Sickesses will dissolve and disappear. Impossible medical conditions will receive divine solutions with miraculous healing. Hopeless situations will be turned around for good. WHY? Because God's Word, which is the ONLY cure for any medical condition that does not fail will be applied effectively through Word-of-God based confessions to solve the sickness problem. Only the Brave-Sim Dendy 2018-03-23 Using the book of James as a road map, this multi-authored work will lead you on an adventure along the narrow road of discipleship. Only the Brave brings both challenge and excitement, while offering plenty of practical tips along the way! The five authors - Lisa Holmes, Krish Kandiah, Sim Dendy, Cathy Madavan, and Cris Rogers - each explore a chapter of James using these key themes: Face it; Live it; Tame it; Lose it; Finish it. They consider how we can use our heads, hearts, and hands to answer the challenge James, and ultimately Jesus himself, laid down. It takes courage to go beyond simply believing in Jesus: to live him, love him, and share him. Only the Brave urges us not to play it safe, but to live a life of abundance based on the example Jesus lived out on earth. Only the brave will change the world, and this book will inspire anyone who reads it to do just that.

30 Day Prayer School-E. M. BOUNDS 2010-09 EIGHT ENTIRE BOOKS by E.M.Bounds have been edited down to average two and a half page daily readings. In just thirty days, you'll glean his most essential and inspiring teachings on prayer.

Necessity of Prayer-Edward M. Bounds 2011-04-07 In The Necessity of Prayer, Edward Bounds, a 20th century pastor and lawyer, suggests that prayer is an essential part of the Christian believer's life. He writes, "the Christian soldier, if he fight to win, must pray much." Bounds' book, however, is not simply a list of prayers for one to work through, but also a discourse on the very nature of prayer. He connects the nature of prayer to

other features of the Christian life, such as faith, reverence, patience, hope, character, conduct, and faithfulness. Bounds' passion for prayer--which compelled him to write nine books on the topic--shines through in this work, and cannot but help motivate those who read it to also see the necessity of prayer. Perfect for individual study, Bounds' book is sure to change the way one prays. -Tim Perrine, CCEL Staff Writer

The Necessity of Prayer-E. M. Bounds 2018-08-01 New, updated and annotated edition. And all things, whatever ye shall ask in prayer, believing, ye shall receive. - Matthew 21:22 Persistent prayer is a mighty movement of the soul toward God, and it stirs the deepest forces of the soul toward the throne of heavenly grace. It is the ability to hold on, press on, and wait. Restless desire, restful patience, and strength of grasp are all embraced in it. Prayer is not an incident or a performance but a passion of soul. It is not a want or half-needed desire but a sheer necessity.
