The Dance-Oriah 2001-08-21 Welcome to The Dance, the wise and practical book that expands on Oriah Mountain Dreamer’s new moving prose poem. In this compelling book the acclaimed author of The Invitation challenges readers to live with passion, energy, and honesty. The key, says Oriah, is to savour the everyday world of family, friends, love, and work with clear minds and open hearts. When we are physically and emotionally stressed and our spirits are depleted, we must realise that happiness has not vanished but is buried beneath the clutter of our harried lives. With rare courage and honesty, Oriah unveils the challenge of her inspiring poem through compelling stories from her own experience, offering us tools to become fully the person we already are -- not ways to change. "To dance -- to live in a way that is consistent with our longing" -- is to discover a gift that we can give ourselves again and again over a lifetime. To dance, alone or with others, is to be who we truly are as we fulfill our soul’s desires. To do this, we must learn how to let go and slow down, returning to the sacred emptiness where we encounter our true self. Practical, inspiring, and profoundly illuminating, The Dance is an invitation to discover a place of connection, serenity, and joy that is uniquely our own."

Confessions of a Spiritual Thrillseeker-Oriah Mountain Dreamer 1991

She Reflects-Erica Ross 2018-09-22 She Reflects invites us to journey through eight turns of a sacred spiral - a transformative process of softening, listening, daring, shedding and celebrating. At each turn, Erica Ross reflects on her life and asks us to do the same, through her personal stories, reflections, best practices, goddess mythology, original artwork and music playlists.

Opening The Invitation-Oriah 2004-04-27 A beautiful presentation of Oriah's signature prose poem, preceded by a chapter relating the full life story behind the poem and then followed by a chapter on the life of the poem and its remarkable effect on people's lives, including her own. The prose poem The Invitation was originally passed from reader to reader over the internet and hand-to-hand; it was these readers who helped make the book a best-seller. This small, beautifully presented book, incorporating the poem and two short additional new chapters by Oriah, gives old and new readers the beloved poem in a fresh way, as a gift for others or oneself. The often moving and sometimes funny chapters give a fresh, full account of how the poem came to be, and then discuss the life of the poem after it was written and circulated to so many readers, via the internet, photocopies, and eventually the full book The Invitation. Artwork will accompany each paragraph of the poem.

The Woman's Comfort Book-Jennifer Louden 2012-04-24 With over 200 prescriptions for giving yourself a break, this book helps the reader to sort out guilty feelings about self-nurture and to define her comfort/self-nurture needs. In this book the author delivers a host of creative and comforting programmes like the self-care schedule, creative selfishness, creating a comfort network, body delights, a personal sanctuary, the comfort journal, bathing pleasures and comfort rituals. Organised by topic and cross-referenced throughout, this guidebook is designed to appeal to women of all ages. The new edition has been revised and updated for modern women.

My Monastery Is a Minivan-Denise Roy 2001 Thirty-five entertaining and touching stories that show how family moments can bring the greatest spiritual rewards. We find everything we need for spiritual growth as we picnic with the children, go to the grocery store, and pick up the morning paper. The author's intimate approach invites us to recognize the grace that exists within our own lives. We needn't pull over and look for enlightenment; the divine is always present, even in the carpool lane.

This Time I Dance!-Tama Kieves 2006-09-07 These are all things that we have to deal with when going through a career change. What is most difficult is deciding to make the change, especially when you are good at what you do, and wonder whether you should just stick it out in an unhappy-albeit well-paid-environment instead of taking a risk and starting over doing something you love. In This Time I Dance!, Tama Kieves shares the inspiring wisdom that led her from being a successful Harvard lawyer to an even more successful writer and life coach. The best part? She's happy with her career! We all look for what will make us happy in life, but we don't always make the choices that we should when it comes to sustaining that happiness. Tama Kieves shows how to do just that: how to stay happy and employed doing something you love, and what it takes to stop being a stressed-out worker and make peace with your career-and, most important, with yourself. Filled with solutions to the anxieties and roadblocks you may confront on your path, This Time I Dance! is for all those who are unfulfilled at work and uncertain of the practical steps that they should follow to achieve their dreams.

The Invitation-Oriah 1999-04-21 Visionary author Oriah Mountain Dreamer brings to life the wisdom of her beloved invitation, which has touched hearts everywhere with its fresh and spirited call to live life more deeply, honestly, and well. Like the inspirations for Robert Fulghum’s All I Really Need to Know I learned in Kindergarten, Cherie Carter-Scott’s If Life Is a Game, These are the Rules, and Margaret Fishback Power’s Footprints, the poem that sparked The Invitation has been embraced around the world, passed along by thousands who have discovered and treasured its message. In this lovely gift book the author speaks from the heart, reflecting on everything from desire to betrayal and offering practical - and often surprising - suggestions for how to live the ecstasy of everyday life, learn to recognise true beauty in ourselves and the world around us, and how to find the sustenance that our spirit longs for. The poem Invitation has been recited and quoted at countless spiritual conferences, and on network radio by Robert Bly, Jack Kornfield, Angeles Arrien, and many other spiritual leaders. From the Invitation: ↳ doesn’t interest me what you do for a living. I want to know what you ache for, and if you dare to dream of meeting your heart’s longing. It doesn’t interest me how old you are. I want to know if you will risk looking like a fool for love, for your dream, for the adventure of being alive ...’

The Dance-Oriah Mountain Dreamer 2001 In her challenge "to live with passion, energy, and honesty," the author explores the world of family, friends, love, and work.

Life Lessons-Elisabeth Kübler-Ross 2014-08-12 A guide to living life in the moment uses lessons learned from the dying to help the living find the most enjoyment and happiness.

Sacred Voices-Mary Ford-Grabowsky 2010-10-26 Moving chronologically through millennia of women's history from the earliest times to the present, this unique collection contains writings from over 173 of the world's women sages and saints. Containing poetry, prayers, chants, meditations, and contemplative prose from all great religious traditions, this treasure trove gathers together for the first time the best of women's spiritual wisdom. Women's spiritual radice has been suppressed through much of modern history and is only now been recovered in its full richness. This anthology contains writings from hundreds of women from the past five millennia and a wide range of cultures. The collection encompasses all areas of women's sacred experience from the most radically mystical encounters with the divine-including visions, locutions, and auditions-to simply daily awareness of the holy in all things.

Love Is Forward-Jeff Brown 2014 In this magical collection of quotes, aphorisms and blogs, author Jeff Brown shares more of his well-loved 'spiritual graffiti' with us. Building on the success of his first collection- 'Ascending with Both Feet on the Ground'- Brown has put together another wondrous book, this time including many of his most profound love and relationship quotes with the reader. With a writing style that is unforgettably unique, he reminds us of the magnificent life that awaits us. With grounded wisdoms that enhearten and elevate, he reminds us that we are never alone in this beautifully relational human dance. We become the love we have received, and we love it forward to those we touch. In an era when readers often have little time to read entire books, this brilliantly heartculated collection will immediately engage their interest. And, as an added bonus, he has included some of his most inspiring blogs in the collection, including 'You are Sacred Purpose', 'Apologies to my (sweet) body', and inspirations he wrote for ABC's 'Good Morning America'. A fantastic gift book and companion for anyone seeking support on their quest for a more authentic and meaningful life.

Burning Woman-Lucy H. Pearce 2016 The long-awaited new title from Amazon bestselling author, Lucy H. Pearce, Burning Woman is an incendiary exploration of power and the Feminine. Pearce uncovers the archetype of the Burning Woman, fearlessly examining the roots of Feminine power--what it is, how it has been controlled, and why it needs to be unleashed on the world during our modern Burning Times. These burning words were written for women who burn with passion, have been burned with shame, and who at another time, in another place, would have been burned at the stake.

Guided Meditations, Explorations and Healings-Stephen Levine 2010-12-01 From the revered meditation teacher Stephen Levine, here is a volume of guided meditations for the deeper healing of spirit, mind, and body. The culmination of decades of personal and professional explorations into the process of human consciousness, Guided Meditations, Explorations and Healings is an indispensable source book, filled with resources for healing and the deepening of awareness. Essential reading for anyone facing pain, severe illness, addiction, or other forms of suffering, in these pages Levine presents practical processes for the deep exploration of the mind and body, which are used widely in meditation centers, hospices, and hospitals around the world. Now, in this remarkable work, they are offered for the benefit of all who are drawn to looking inward—and all who seek the healing power of a merciful awareness.

Dreams of Desire : a Collection of Poetry-Oriah Mountain Dreamer 1995

Dynamics of Stillness-Ian Wright 2019-10-03 Stop and be still. This book is the antidote to the information overload of the modern age, helping readers to disengage from chaos and find stillness within. In this practical book, experienced osteopath Ian Wright blends holistic disciplines--including those from Buddhism, Taoism, and Aboriginal traditions--with modern science and fluid dynamics to help readers quiet their minds to self-heal. Through mindfulness and meditation techniques, he guides readers toward a calm, nonreactive "state of neutrality," while at the same time allowing them to establish a deep connection between their senses and the world.

Dancing in Her Own Full Moonlight-Janelle Fletcher 2016-12-09 Dancing in Her Own Full Moonlight presents an invitation for youan overdoer and overgiver, and a woman who has gone through grief, change, and challenges to love yourself and your life in its amazingness and messiness. Author Janelle Fletcher gives you thirty days of poetry which is the unsilencing of her voice that she kept quiet and hidden for too long. She shares the pining of her soul, the cries of desperation for something different, and a deep appreciation for what and who has been part of her life to date. Through this work, you can create stillness in your daily life, feel into the essence of the poetry, and use the reflection questions as a starting point for your journey ahead into a new vision of possibilities for yourself. Alone or shared with other kindredspirited women, this sacred ritual seeks to help you find a deep connection within, dance to your own rhythm again, ignite your passion and joie de vivre, and find yourself again amidst the hustle and bustle of a busy life. This poetry collection offers healing words for your soul, inspiration for your spirit and an invitation to love you in all of your womanly glory!

Ascending with Both Feet on the Ground-Jeff Brown 2012-01 Perhaps the first of its kind, 'Ascending with both feet on the Ground' is a collection of author Jeff Browns most inspiring and well-loved Facebook quotes, soul-bytes, excerpts and aphorisms. In Jeffs hands, Facebook status became a kind of spiritual graffiti, a grass roots opportunity to inspire, support and connect with humanity. With a writing style that is unforgettably heartfelt and original, Jeff calls out to our inner knowing and reminds us of the magnificent life that awaits us. This little treasure book is no generic quotes book. It is an impactful, stirring and enlivening piece of art that will keep you company on the journey home. Exhilarating, compassionate, in-sightful, these truth-soundings will help you to excavate your purpose, befriend your confusion, confront your avoidance, ground your spirituality and open your heart. At its core, Ascending reflects the grounded spirituality that threads through all of Jeffs writing, one that celebrates 'enrealment' - a way of being that is inclusive and honoring of all that is human. Nothing and no one gets left out on the path home. Everything- feelings, personal identifications, practical challenges, mystical moments, the dust that falls off our awakening hearts- are part of our spirituality. With writing that is simultaneously mystical and practical, this little treasure of a book beautifully reflects the indistinguishable weave between spiritual and emotional life that is becoming deeply important to seekers on the path. Time and again, you can turn to its pages to feel supported in your quest for an authentic and integrated life. And at the back of the book are 3 of his most inspiring blogs, including the profound 'Apologies to the Divine Feminine- from a warrior in transition', now read and loved by hundreds of thousands of people worldwide. Enjoy!

Momfulness-Denise Roy 2010-12-03 Denise Roy combines the hard-won wisdom of a parent with the insights of meditation to create a spiritual practice that goes to the heart of everyday life: mothering with mindfulness. Through anecdotes, reflections, and specific practices, this book invites mothers to wake up and embrace their lives, discovering that they are always standing on holy ground.

The Call-Oriah 2009-10-13 The final book in Oriah Mountain Dreamer’s bestselling trilogy opens us to finding and consciously living the meaning and purpose—the unique calling—at the center of our lives In The Invitation, visionary writer and teacher Oriah Mountain Dreamer wrote about what we long for. In The Dance, her second book, she explored how to live this longing. Now, in The Call, she shares with us her struggle with and discovery of “why”—why we are here and why we must each undertake the journey from longing to living fully and deeply in the world. Like her previous bestsellers, The Call is filled with moving stories and wisdom born of experience, an intimate and insightful exploration of Oriah’s journey to heed her own call, which comes in often unexpected forms. Readers journey with Oriah into the recognition that to be fully human is to consciously live what we are—an echo of the sacred Presence that is beyond all thought—through the messy reality of who we are. Gently challenging and persistently practical, Oriah guides the reader in living every day awake to the essence of who we are, showing us how to find and embody the meaning in our lives in the unique way we are each called to do so. The Call takes us on

a journey into living a deeply spiritual and wholly human life.

The Shift-Kimberly White 2018-06-05 A Simple yet Profound Shift Seeing people as people is an idea so simple you'll swear you've heard it a million times but so profound you'll never stop learning from it. Kimberly White discovered it in a chain of nursing homes whose leaders, nurses, and housekeepers saw their patients, not as tasks to be ticked off a to-do list, but as valuable human beings. White helps you to this transformative shift with warm encouragement, insightful guidance, and powerfully moving, true accounts of extraordinary human goodness.

The Invitation-Oriah Mountain Dreamer 1999 In The Invitation, Oriah expands on the poem that started it all, exhorting us to fully examine our lives, learn to live with intimacy and joy, and, above all, be true to ourselves. The Dance is the celebrated follow-up that reveals how to let go and enjoy the dance of life. To dance, alone or with others, is to slow down and realize that who we are is enough. Finally, in The Call, Oriah shows that each of us has our own call, our own specific place in the universe, and a contribution that only we can make.

The Call-Oriah Mountain Dreamer 2003 Following in the tradition of The Invitation and The Dance, The Call is based on an inspirational poem, exploring how to live well and continue to live a life full of integrity, commitment, happiness and passion. Each chapter of the book begins with a line from the poem and explores our ability to open up to the adventure of living.

Adventures in Prayer-Sharon Connors 2006-02-28 A minister presents a practical and inspirational guide on how to enhance one's life and one's personal relationship with God through a program of prayer, offering simple but effective prayer techniques, stories, and a collection of original prayers and affirmations for a variety of specific circumstances. Reprint. 17,500 first printing.

Broken Open-Elizabeth Lesser 2010-01-26 'And the time came when the risk to remain tight in a bud was more painful than the risk it took to blossom' Anaïs Nin Elizabeth Lesser shows how it is possible to deal with fearful change or a painful loss and be reborn, like the Phoenix, to a more vibrant and enlightened self. In Broken Open she shares penetrating tales from her own life, the lives of those she has taught and counselled and the lives of friends and family, tales that explore the big challenges of death, illness and divorce, as well as the daily roller coaster rides of relationships, parenting and work. Woven into these stories are quotations from great poets and philosophers. And following them is a toolbox of valuable aids, including meditation, psychological enquiry and spiritual practice. The result is a book that runs the gamut of the human experience, and in a style that is genuine, funny, often heartbreaking, but always inspiring, she shows us how we, too, can allow the pain of adversity to break us open instead of breaking us down, making us bitter or closing our hearts.

A Return to Love-Marianne Williamson 1996 This guide reveals how we each can take a spiritual, psychological and emotional journey back to the true inner peace with which we were born, and shows how by practicing love we can make our lives more peaceful, loving and fulfilling.

15 Things You Should Give Up to Be Happy-Luminita D. Saviuc 2016-03-08 Based on a phenomenally popular blog post, a simple and counterintuitive approach to finding true joy When Luminita Saviuc, founder the PurposeFairy blog, posted a list of things to let go in order to be happy, she had no idea that it would go viral, shared more than 1.2 million times and counting. Based on that inspiring post, this heartfelt book gives readers permission to give up--that is, to let go of the bad habits that are holding them back from achieving authentic happiness and living their best lives. Lessons include: · Give Up the Past · Give Up Your Limiting Beliefs · Give Up Blaming Others · Give Up the Need to Always Be Right · Give Up Labels · Give Up Attachment Simple yet wise, and informed by the author's own inspiring personal journey, this liberating little book presents a fresh twist on happiness advice: take a step back to reflect, and give yourself permission to let things go. Includes a foreword by Vishen Lakhiani, New York Times-bestselling author of The Code of the Extraordinary Mind and founder and CEO of Mindvalley.

The Age of Miracles-Marianne Williamson 2009-09-16 From THE AGE OF MIRACLES Sometimes what we appear to have lost is simply something it was time to leave behind. Perhaps our system just lets something go, our having moved through the experience and now needing it no more. A friend of mine was sitting once with two of his best friends, a couple he'd partied long and hard with during the 1960s. At about ten in the evening, the couple's twentysomething daughter came home, saw them on the couch, and admonished them, "You guys are so boring! You never go out!" To which all three responded in unison, "We were out, and now we're in." The mind is its own kind of dance floor. If in fact the highest, most creative work is the work of consciousness, then in slowing down we're not doing less; we're doing more. Having slowed down physically, we're in a better space to rev up psychically. We are becoming contemplative. We are shifting from the outer to the inner not in order to begin our demise, but to reseed and regreen the consciousness of the planet. And that's what is happening now: We're going slower in order to go deeper, in order to go faster in the direction of urgently needed change in the world. - Marianne Williamson

Your Soul's Compass-Joan Z. Borysenko, Ph.D. 2008-10-01 In this time of global change and uncertainty, of spiritual indirection, Americans are asking these age-old questions with renewed curiosity. There's a thirst for meaning and purpose—a dawning realization that happiness isn't a commodity that can be bought with a gold card. Fulfillment and joy arise naturally from creative and compassionate action-- from the understanding that all life is interconnected and guided by a higher intelligence. Our personal choices make a difference, and when they are spiritually inspired even the smallest action serves a larger whole.

Sacred texts ranging from the Torah to the New Testament, the Tao Te Ching to the Buddhist scriptures, the Vedantas to the Koran, speak of making life-enhancing choices where a force greater than the individual flows through us and informs our thoughts and actions. In this book we'll focus on the three classic aspects of living such a spiritually guided life: (1) alignment: maintaining a direct and personal connection to the Source of our Being; (2) discernment: distinguishing the movement of Spirit in our lives from our own wants, fears and social conditioning; and (3) action: making our best, most inspired contribution to the evolution of life.

Waking-Matthew Sanford 2008-05-27 Matthew Sanford's inspirational story about the car accident that left him paralyzed from the chest down is a superbly written memoir of healing and journey—from near death to triumphant life. Matt Sanford's life and body were irrevocably changed at age 13 on a snowy Iowa road. On that day, his family's car skidded off an overpass, killing Matt's father and sister and left him paralyzed from the chest down, confining him to a wheelchair. His mother and brother escaped from the accident unharmed but were left to pick up the pieces of their decimated family. This pivotal event set Matt on a lifelong journey, from his intensive care experiences at the Mayo Clinic to becoming a paralyzed yoga teacher and founder of a nonprofit organization. Forced to explore what it truly means to live in a body, he emerges with an entirely new view of being a "whole" person. By turns agonizingly personal, philosophical, and heartbreakingly honest, this groundbreaking memoir takes you inside the body, heart, and mind of a boy whose world has been shattered. Follow Sanford's journey as he rebuilds from the ground up, searching for "healing stories" to help him reconnect his mind and his body. To do so, he must reject much of what traditional medicine tells him and instead turn to yoga as a centerpiece of his daily practice. He finds not only a better life but also meaning and purpose in the mysterious distance that we all experience between mind and body. In Waking, Sanford delivers a powerful message about the endurance of the human spirit and of the body that houses it.

The Televisionary Oracle-Rob Breznsny 2013-05-07 Millions of people already live their lives in accordance with Rob Breznsny's "Real Astrology" prophecies. But the time has come for a deeper dose of Breznsny's brain. The Televisionary Oracle is an archetypal roller-coaster that would make Rumi dizzy and leave Carl Jung gasping for breath.

An Uncommon Bond-Jeff Brown 2015 In this higher consciousness love story, author Jeff Brown introduces the concept of 'uncommon bonds' through the profound connection between Sarah and Lowen- two soul-mates who have found their way to one another yet again. In this remarkably engaging story, we walk beside the lovers as they touch the divine and then struggle to ground their love in daily life. From the heights of sacred sexuality to the depths of human foible, they ultimately have to choose- die to this love, or shrink back to mediocrity, open to the next portal of possibility or postpone it until the next lifetime.

Deadly Decisions-Kathy Reichs 2020-04-28 When innocent blood is spilled, forensic anthropologist Temperance Brennan deciphers the shattering truth it holds in this exciting thriller from New York Times bestselling author Kathy Reichs. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. These shocking deaths propel Tempe Brennan from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs—where one misstep could bring disaster for herself or someone she loves. From blood-splatter patterns and ground-penetrating radar to bone-sample analysis, Deadly Decisions triumphantly combines the authenticity of a world-class forensic professional with the narrative power of a brilliant crime-writing star.

What We Ache For-Oriah 2009-03-17 In her previous books, Oriah Mountain Dreamer has challenged readers to live with passion and honesty, to embrace the true, fallible, human self. What We Ache For is a moving and eloquent call to delve deeply into our creative selves, to do our creative work, and offer it to the world. The creative process is essential to human nature. It is as essential as spirituality and sexuality, and in fact all three are deeply intertwined. What We Ache For is a practical book allowing readers to embrace the urgency and necessity of their creativity, whatever their medium -- writing, painting, sculpture, dance, music, or film. As Oriah says, "Doing creative work allows us to follow the thread of what we ache for into a deeper life, offering us a way to cultivate a life of making love to the world." Following Oriah through this journey in such chapters as "The Seduction of the Artist," "Learning to See," and "Risk and Sacrifice," What We Ache For challenges and inspires readers to fully embrace their artistic selves as a way of forging a path of spiritual unfolding.

Loved as I Am-Miriam James Heidland 2014-11-03 When Sr. Miriam James Heidland's life as a successful college athlete proved unfulfilling, she went searching for something deeper and ended up falling in love with Jesus. By charting her own journey toward wholeness, Heidland invites young Catholics to pursue their own relationship with Jesus. Although originally full of athletic ambition and goals for a career in sports news, Heidland was transformed in a very slow but deep way during her undergraduate years, moving from party girl to bride of Christ. In Loved as I Am: An Invitation to Conversion, Healing, and Freedom through Jesus, Heidland helps readers learn from her experience of seeking love in the wrong places and instead finding it in Christ. She shares her struggles—learning she was adopted, battling alcoholism, and healing from childhood sexual abuse—as signs of hope that anyone who desires to know Christ can find him and be loved intimately by him in return. By bringing readers into Heidland's healing process, Loved as I Am provides a gentle and subtle template for finding peace and freedom in Jesus.
