1995 David Icke David Icke lifts the veil on an astonishing web of interconnected manipulation to reveal that the same people, secret societies and organizations control the daily direction of our lives. They engineer the wars, violent revolutions, terrorist outrages and political assassinations; they control the world market in hard drugs and the media indoctrination machinery. Every global negative event of the 20th Century and earlier can be traced to the same Global Elite. Never before has this web, its personnel and methods been revealed in such a detailed and devastating fashion. Icke reveals the esoteric background to the global conspiracy and offers an inspiring spiritual solution in which every man, woman and child breaks free from the daily programming -- the Coup d'etat on the human mind -- and takes back their infinite power to think for themselves and decide their own destinies.

2017-09-11 Giovanni Augustino Cirucci The ultimate "conspiracy" is also the most horrible: a Satanic Elite controls all access to power. If you wish to join them, you must be like them-willing to do the worst things imaginable to the most innocent lives possible. They have been operating since the dawn of civilization. The "Christian Era" forced them underground but secretly these druids of depravity rule it all...and this book exposes them for you! -Sex messages hidden in Disney cartoons; Moloch worship in the Redwoods of California; only this book explains it all! -Did you know the "North American Man-Boy Love Association" was co-founded by a pedophile Roman Catholic priest? -The real reason why wars are started and why the Elite fabricate them needlessly out of whole cloth. -Read about the head of MI6 who was a lifelong "paedophile" and traitor. He also helped found NATO and seeded the "Global War on Terror" 30 years prior. -The most infamous serial killers are trained and enabled to do what they did. -Every famous person you've ever looked up to has been exposed to this dark secret and either kept it, been a victim of it and / or participated in it.

2003 Michael Barkun Unravelling the genealogies and permutations of conspiracist worldviews, this work shows how this web of urban legends has spread among sub-cultures on the Internet and through mass media, and how this phenomenon relates to larger changes in American culture.

2021-05-14 Mason Matthews David Icke is probably the most famous conspiracy theorist in the world. His journey from football league goalkeeper to BBC sports presenter to Green Party spokesperson to controversial conspiracy theorist is so bizarre you couldn't make it up if you tried. Icke believes that interdimensional reptiles secretly run the world and we are all trapped in a holographic Matrix projected from Saturn. According to David Icke, we are beings of pure awareness and infinite consciousness who are imprisoned in a constrictive 'five sense reality' by a Satanic blood drinking Illuminati who feed off negative energy and fear. Is David Icke a visionary or a

crackpot? And why has he become so controversial of late? Hopefully, by the end of this book, you should have a much better grasp on Icke's life and theories. Is the moon a spaceship? Do we live in the Matrix? Are the politicians who govern us shapeshifting blood drinking reptiles? Is the reptilian Illuminati theory proven by ancient serpent and reptile worship and art? Are terrorist atrocities false flag operations? Is time an illusion? Are the theories of David Icke original or did he simply copy other writers? You will find plenty of material on these and many other strange and curious questions in 1000 David Icke Facts.

2019-09 David Icke The author looks at who was really behind the 9/11 attacks and why, what has happened in the years following 9/11, and the increasing evidence to show the official story doesn't stand up to research and what has happened in the world since that day.

2017-11-18 David Icke "I want to make it clear before we start what the title represents. Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot]] "

1996 David Icke With humor and powerful insight, David Icke, exposes the mental and emotional prisons which billions of people have built around themselves.

2022-08-04 David Icke David Icke has been writing books for decades warning that current events were coming. He has faced ridicule and abuse for saying that the end of human freedom was being planned, how, and by whom. His latest highly topical book, Perceptions of a Renegade Mind, is published in very different circumstances with vast numbers of people acknowledging that he has been vindicated by the happenings of the 'Covid' era. His predictions over more than 30 years have been proved stunningly accurate since the turn of 2020 often down to the fine detail. Icke set out only in January 2021, to write a book to quickly bring enormous numbers of people worldwide up to speed and who can now see that something very strange is happening. But they ask, what exactly? What is going on? He answers those questions in his usual dot-connected detail and lays out the background to what he calls the 'Global Cult' which operates across borders to advance a long-planned agenda for total human control. Those who read his section on 'Covid' will view events of 2020 and 2021 in a totally new light as he produces the evidence that humanity has been misled on a scale that defies belief. David Icke's time has come, and Perceptions of a Renegade Mind is destined to be an international best seller that could not have been published at a more important and relevant time or with such a now receptive audience to what he has to say.

2013 David Icke "The most comprehensive exposure of the 'world' ever written."

2023-11-11 David Icke

David Icke Most comprehensive book yet written about the global conspiracy that is now unfolding all around us. Icke pulls together his fantastic wealth of accumulated knowledge to reveal the multi-levels of the fascist conspiracy, sharing his experiences & details the scientific support for what he learned about the illusion we call daily life.

2021-12-05 Steve Sallis David Icke is the most famous conspiracy theorist in the world. How did he attain such a position? Who is David Icke and why is he so controversial? Is there any supporting evidence for his outlandish theories that reality is a holographic simulation and the world is run by shapeshifting reptiles from another dimension? Let's attempt to answer these and many more questions in The Concise Guide to David Icke.

1996 David Icke David Icke exposes what he says is the real story

behind global events which shape the future of human existence.

1999-08-26 David Icke David Icke's strongest book to date, The Robots' Rebellion reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. The Robots' Rebellion: Table of Contents Introduction Remember Who You Are PART ONE: The Darkness - The Takeover Bid - Collective Amnesia - The Brotherhood of Clans - Bible Stories - Hell on Earth - Arabian Knights - The Cracks Appear - Eagle Tails - The Rule of Science - The World at War - Big is Beautiful - The New World Order - When Will We Ever Learn? PART TWO: The Light - Goodbye to All That - The Economics of Enough - The Politics of People - The Science of Sanity - Bricks in the Wall - Exploitation of the Spirit - The World Needs Rebels

2016 David Icke The vast majority of us unknowingly suffer from a slave mentality. We constantly experience the psychological phenomena of cognitive dissonance, where our beliefs and behaviour are in conflict, and Stockholm syndrome - the traumatic bonding with a captor. Our ability to decode reality is linked to what we are able to perceive. Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons. He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control. Our health is being systematically weakened: if you are sick, you are easier to control. Ickes dystopian view of the future

assumes that the masses will stay glued to their TVs, locked forever into the hive mind of the Matrix, which says "I have no power." Can humanity break free? Through truth and love we can become who and what we really are.

2007 David Icke The David Icke Guide to the Global Conspiracy is both extraordinary and unique. It is a masterpiece in dot-connecting and reveals the hidden links to apparently unconnected people, events and subjects to show how it all fits together.

1999 David Icke Every man, woman and child on the planet is affected by the stunning information that Icke exposes. Destined to be a global blockbuster.

2003-11-01 Adam Gorightly One of the 1960s counterculture's most fascinating characters was Kerry Wendell Thornley -- a writer, philosopher, Zen dishwasher, enlightened prankster, and, possibly, an Oswald double with disturbing ties to the Kennedy assassination. A lifelong provocateur, Thornley was linked to many of the fringe elements of the time. He helped create the spoof religion called the Discordian Society and its tract, the Principia Discordia. He coined the term "paganism" to describe various nature religions. And he befriended Robert Anton Wilson, inspired the Illuminatus, and gave his anarchic support to the Bavarian Illuminati, a brilliant prank.

2012 David Icke "David Icke...has exposed the global network of families behind Big Banking, Big Biotech, Big Food, Big Government, Big Media and Big Pharma in book after book as his awareness has expanded -- and he takes this on to still new levels of exposure in Remember Who You are...the key is in the title. We are enslaved because we identify with our body and our name, when these are only vehicles and symbols for what we really are -- Infinite Awareness, Infinite Consciousness. We are imprisoned in the realms of the five senses and 'little me' when we are All That Is, All That Has Been and all That Can Ever Be. To breach the perceptual walls of the Saturn-Moon Matrix and bring an end to mass human enslavement, we need to awaken to our true identity." -- Publisher's description.

2011-06-28 Jon Ronson A New York Times-bestselling author hangs out with conspiracy theorists and hunts for the Bilderberg Group in this "hilarious, disturbing" memoir (The New York Times). A wide variety of extremist groups, from Islamic fundamentalists to neo-Nazis, share the oddly similar belief that a tiny shadowy elite rule the world from a secret room. In Them, journalist Jon Ronson has joined the extremists to track down the fabled secret room. As a journalist and a Jew, Ronson was often considered one of "Them," but he had no idea if their meetings actually took place. Was he just not invited? Them takes us across three continents and into the secret room. Along the way he meets Omar Bakri Mohammed, considered one of the most

dangerous men in Great Britain, PR-savvy Ku Klux Klan Grand Wizard Thom Robb, and the survivors of Ruby Ridge. He is chased by men in dark glasses and unmasked as a Jew in the middle of a Jihad training camp. In the forests of northern California he even witnesses CEOs and leading politicians—like Dick Cheney—undertake a bizarre owl ritual. Ronson’s investigations, by turns creepy and comical, reveal some alarming things about the looking-glass world of “us” and “them.” There is a deep and fascinating look at the lives and minds of extremists. Are the extremists onto something? Or is Jon Ronson becoming one of them? “Jon Ronson has managed to write a hugely amusing book about the lunatic fringe.” —The Washington Post “There is at times funny, other times unsettling, but always astonishing.” —Booklist “It takes a funny man to see the humor in all the conspiracy theories that float hatefully across the land, and Jon Ronson is a funny man. It takes a brave man to chase that humor right into the belly of the beast, and Jon Ronson is a brave man too.” —The San Diego Union-Tribune
