The Rising Sun-John Toland 2014-11-26 “[The Rising Sun] is quite possibly the most readable, yet informative account of the Pacific war.”—Chicago Sun-Times This Pulitzer Prize-winning history of World War II chronicles the dramatic rise and fall of the Japanese empire, from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki. Told from the Japanese perspective, The Rising Sun is, in the author’s words, “a factual saga of people caught up in the flood of the most overwhelming war of mankind, told as it happened—muddled, ennobling, disgraceful, frustrating, full of paradox.” In weaving together the historical facts and human drama leading up to and culminating in the war in the Pacific, Toland crafts a riveting and unbiased narrative history. In his Foreword, Toland says that if we are to draw any conclusion from The Rising Sun, it is “that there are no simple lessons in history, that it is human nature that repeats itself, not history.” “Unbelievably rich . . . readable and exciting . . . The best parts of [Toland’s] book are not the battle scenes but the intimate view he gives of the highest reaches of Tokyo politics.”—Newsweek

The 100 Best Nonfiction Books of All Time-Robert McCrum 2018 100 Best Non Fiction Books has its origins in the recent 2 year-long Observer serial which every week featured a work of non fiction). It is also a companion volume to McCrum's very successful 100 Best Novels published by Galileo in 2015. The list of books starts in 1611 with the King James Bible and ends in 2014 with Elizabeth Kolbert's The Sixth Extinction. And in between, on this extraordinary voyage through the written treasures of our culture we meet Pepys' Diaries, Charles Darwin's The Origin of Species, Stephen Hawking's A Brief History of Time and a whole host of additional works.

History of the Decline and Fall of the Roman Empire-Edward Gibbon 2013-01-18 Gibbon offers an explanation for why the Roman Empire fell, a task made difficult by a lack of comprehensive written sources, though he was not the only historian to tackle the subject. Most of his ideas are directly taken from what few relevant records were available: those of the Roman moralists of the 4th and 5th centuries.

The Eternal Decline and Fall of Rome-Edward J. Watts 2021 The Eternal Decline and Fall of Rome tells the story of 2200 years of the use and misuse of the idea of Roman decline by ambitious politicians, authors, and autocrats as well as the people scapegoated and victimized in the name of Roman renewal. It focuses on the long history of a way of describing change that might seem innocuous, but which has cost countless people their lives, liberty, or property across two millennia.

The Decline And Fall Of The British Empire-Piers Brendon 2010-07-06 No empire has been larger or more diverse than the British Empire. At its apogee in the 1930s, 42 million Britons governed 500 million foreign subjects. Britannia ruled the waves and a quarter of the earth's surface was painted red on the map. Yet no empire (except the Russian) disappeared more swiftly. Within a generation this mighty structure collapsed, often amid bloodshed, leaving behind a scatter of sea-girt dependencies and a ghost of an empire, the Commonwealth, overshadowed by Imperial America. It left a contested legacy: at best a sporting spirit, a legal code and a near-universal language; at worst, failed states and internecine strife. Full of vivid particulars, brief lives, telling anecdotes, comic episodes, symbolic moments and illustrative vignettes, The Decline and Fall of the British Empire is popular history at its scholarly best.

Edward Gibbon - The History of the Decline and Fall of the Roman Empire - Volume I (of VI)-Edward Gibbon 2018-05-17 For decades, perhaps centuries, the standard work of reference on Roman History has been courtesy of Edward Gibbon. In its original printing it was a best-seller and a publishing sensation. History was brought to the masses in vivid detail. Within its massive six volumes Gibbon put into context the entire sweep of this huge and complex Empire. We visit its far-flung regions, its most charismatic characters as we travel through centuries of its existence and its eternal influence on Western and, most probably, World culture. Considering the times and the resources at his disposal it quite incredible what Gibbon has been able to put together, to distil, to formulate and precisely plot in this most seducing of histories. Index of Contents Preface by The Editor Preface of The Author Preface - To the First Volume Preface - To the Fourth Volume of The Original Quarto Edition CHAPTER I - The Extent of The Empire in The Age of The Antonines CHAPTER II - The Internal Prosperity in The Age of The Antonines CHAPTER III - The Constitution in The Age of The Antonines. CHAPTER IV - The Cruelty, Follies and Murder of Commodus CHAPTER V - Sale of The Empire to Didius Julianus CHAPTER VI - Death of Severus, Tyranny of Caracalla, Usurpation of Marcinus CHAPTER VII - Tyranny of Maximin, Rebellion, Civil Wars, Death of Maximin CHAPTER VIII - State of Persion And Restoration of The Monarchy CHAPTER IX - State of Germany Until the Barbarians CHAPTER X - Emperors Decius, Gallus, Aemilianus, Valerian and Gallienus CHAPTER XI - Reign of Claudius, Defeat of The Goths CHAPTER XII - Reigns of Tacitus, Probus, Carus And His Sons CHAPTER XIII - Reign of Diocletian And His Three Associates CHAPTER XIV - Six Emperors At The Same Time, Reunion Of The Empire CHAPTER XV - Progress of The Christian Religion Edward Gibbon - A Short Biography Edward Gibbon - A Concise Bibliography

It traces Western civilization from the height of the Roman Empire to the fall of Byzantium. Volume I was published in 1776 and went through six printings.

History of the Decline and Fall of the Roman Empire-Edward Gibbon 2020-04-07 The History of the Decline and Fall of the Roman Empire is a six-volume work by the English historian Edward Gibbon. It traces Western civilization from the height of the Roman Empire to the fall of Byzantium. Volume I was published in 1776 and went through six printings.

The History of The Decline and Fall Of The Roman Empire Volume IV By Edward Gibbon-Edward Gibbon 2021-01-01 The History of the Decline & Fall of the Roman Empire was written by English historian Edward Gibbon & originally published in six quarto volumes. Volume 1 was published in 1776, going thru six printings; 2-3 in 1781; 4-6 in 1788-89. It was a major literary achievement of the 18th century, adopted as a model for the methodologies of historians. The books cover the Roman Empire after Marcus Aurelius, from 180 to 1590. They take as their material the behavior & decisions that led to the eventual fall of the Empire in East & West, offering explanations. Gibbon is called the 1st modern historian of ancient Rome. By virtue of its mostly objective approach & accurate use of reference material, his work was adopted as a model for the methodologies of 19-20th century historians. His pessimism & detached irony was common to the historical genre of his era. Although he published other books, Gibbon devoted much of his life (1772-89) to this one work. His Memoirs of My Life & Writings is devoted largely to his reflections on how the book virtually became his life. He compared the publication of each succeeding volume to a newborn. Gibbon offers an explanation for why the Roman Empire fell, a task difficult because of few comprehensive written sources, tho he wasn't the only historian to tackle the subject. Most of his ideas are taken from what few relevant records were available: those of Roman moralists of the 4-5th centuries. According to Gibbon, the Empire succumbed to barbarian invasions because of lost of civic virtue. They'd become weak, outsourcing defence to barbarian mercenaries, who became so numerous & ingrained that they took over. Romans had become effeminate, incapable of tough military lifestyles. In addition, Christianity created belief that a better life existed after death, fostering indifference to the present, sapping patriotism. Its comparative pacifism tended to hamper martial spirit. Lastly, like other Enlightenment thinkers, he held in contempt the Middle Ages as a priest-ridden, superstitious, dark age. It wasn't until his age of reason that history could progress.

The Decline and Fall of Roman Britain-Neil Faulkner 2003-09 Why did Rome abandon Britain in the early 5th century? According to Neil Faulkner, the centralized, military-bureaucratic state, governed by a class of super-rich landlords and apparatchiks, had siphoned wealth out of the province, with the result that the towns declined and the countryside was depressed. When the army withdrew to defend the imperial heartlands, the remaining Romano-British elite succumbed to a combination of warlord power, barbarian attack, and popular revolt.

The Decline and Fall of the Habsburg Empire, 1815-1918-Alan Sked 2015-12-14 A new and revised edition of Alan Sked's groundbreaking book which examines how the Habsburg Empire survived the revolutionary turmoil of 1848. 'The Year of Revolutions', saw the whole of Europe convulsed in turmoil and revolt. Yet the Habsburg Empire survived. As state after state succumbed to the violent winds of change that were sweeping the continent. How did the Habsburg Empire survive? How was the army able hold together while the rest of the empire collapsed in civil war, and how was it able to seize the political initiative In this new edition, Alan

Sked reflects on the changed understanding of the period which resulted from the first appearance of this book, and widens the discussion to look at the Habsburg Empire alongside the decline of the Russian and German Empires, arguing that it is possible to understand their decline from a broad European perspective, as opposed to the overly narrow focus of recent explanations. Alan Sked makes us look at familiar events with new eyes in this radical, vigorously written classic which is essential reading for anyone interested in the history of nineteenth-century Europe.

The Decline and Fall of the Roman Empire, Vol. 9 (Classic Reprint)-Edward Gibbon 2016-11-17 Excerpt from The Decline and Fall of the Roman Empire, Vol. 9 IN the revision of the proof sheets of Chapters L. To LIII. Invaluable help has been received from Mr. Stanley lane-poole, who, in the case of the previous volumes also, has been untiringly kind in answering questions and making suggestions. SPQR-Mary Beard 2015-10-20 Sunday Times Top 10 Bestseller Shortlisted for a British Book Industry Book of the Year Award 2016 The new series Ultimate Rome: Empire Without Limit is on BBC2 now Ancient Rome matters. Its history of empire, conquest, cruelty and excess is something against which we still judge ourselves. Its myths and stories - from Romulus and Remus to the Rape of Lucretia - still strike a chord with us. And its debates about citizenship, security and the rights of the individual still influence our own debates on civil liberty today. SPQR is a new look at Roman history from one of the world's foremost classicists. It explores not only how Rome grew from an insignificant village in central Italy to a power that controlled territory from Spain to Syria, but also how the Romans thought about themselves and their achievements, and why they are still important to us. Covering 1,000 years of history, and casting fresh light on the basics of Roman culture from slavery to running water, as well as exploring democracy, migration, religious controversy, social mobility and exploitation in the larger context of the empire, this is a definitive history of ancient Rome. SPQR is the Romans' own abbreviation for their state: Senatus Populusque Romanus, 'the Senate and People of Rome'.

The History Of The Decline And Fall Of The Roman Empire-Edward Gibbon 1787

The Last Days of Hitler-Hugh Redwald Trevor-Roper 1971 In September 1945 the circumstances surrounding Hitler's death were dark and mysterious. Hugh Trevor-Roper, an intelligence officer, was given the task of uncovering the last few weeks of Hitler's life. His brilliant piece of detective work proved finally that Hitler had killed himself and also tells the story of the last days of the Thousand Year Reich in the Berlin Bunker.

The History of the Decline and Fall of the Roman Empire-Edward Gibbon 1838

The *History of the Decline and Fall of the Roman Empire. By Edward Gibbon- 1789

History of the Decline and Fall of the Roman Empire V3-Edward Gibbon 2015-12-03 The great work of Gibbon is indispensable to the student of history. The literature of Europe offers no substitute for "The Decline and Fall of the Roman Empire." It has obtained undisputed possession, as rightful occupant, of the vast period which it comprehends. However some subjects, which it embraces, may have undergone more complete investigation, on the general view of the whole period, this history is the sole undisputed authority to which all defer, and from which few appeal to the original writers, or to more modern compilers. The inherent interest of the subject, the inexhaustible labor employed upon it; the immense condensation of matter; the luminous arrangement; the general accuracy; the style, which, however monotonous from its uniform stateliness, and sometimes wearisome from its elaborate art., is throughout vigorous, animated, often picturesque always commands attention, always conveys its meaning with emphatic energy, describes with singular breadth and fidelity, and generalizes with unrivalled felicity of expression; all these high qualifications have secured, and seem likely to secure, its permanent place in historic literature. This vast design of Gibbon, the magnificent whole into which he has cast the decay and ruin of the ancient civilization, the formation and birth of the new order of things, will of itself, independent of the laborious execution of his immense plan, render "The Decline and Fall of the Roman Empire" an unapproachable subject to the future historian:* in the eloquent language of his recent French editor, M. Guizot:— "The gradual decline of the most extraordinary dominion which has ever invaded and oppressed the world; the fall of that immense empire, erected on the ruins of so many kingdoms, republics, and states both barbarous and civilized; and forming in its turn, by its dismemberment, a multitude of states, republics, and kingdoms; the annihilation of the religion of Greece and Rome; the birth and the progress of the two new religions which have shared the most beautiful regions of the earth; the decrepitude of the ancient world, the spectacle of its expiring glory and degenerate manners; the infancy of the modern world, the picture of its first progress, of the new direction given to the mind and character of man—such a subject must necessarily fix the attention and excite the interest of men, who cannot behold with indifference those memorable epochs, during which, in the fine language of Corneille—
