2019-04-05 Jacob L. White A Secret Worth Dying For. Noah Olsen wasn't your average seventh son of a seventh son. In fact, he wasn't a son at all. For her family not to be considered shamed her mother hid the fact that she was a woman. From everyone. With the town of Old Urn paying for her way through her first year of the Royal academy for mages and seventh sons, that secret is put at risk. To make it worse she is required to receive a sponsor in order to attend the next year. Unfortunately, the only council member interested in her is known for his harsh background in torture and deceit. Between summoning demons, fighting students, and hearing a voice inside her head. Noah must navigate the halls of the Royal academy in order to survive. But much more than that, for her family to survive. If found out they will all be slaughtered. If you enjoyed Harry Potter and other novels of the same fantasy genre, then you are sure to enjoy this new adventure by Jacob L White. The author of the Creators of six series. Buy the Prisoner of fate to start the journey bound by secrets today!

2021-01-05 G K DeRosa Once you go dark, you never go back... Living in the Underworld with the dark lord himself made giving in to my darkest urges easy. It's finding my humanity again that's going to be tough. There's only one reason I'd ever go back and that's two-hundred pounds of male dragon perfection. Even with my she-demon in control, I can't resist Talon.

But will my feelings for him be enough to lure me back to the light? And if I do go back, will I be alive long enough to enjoy my newfound freedom? Not likely if my blood-thirsty cousin, Thax, has anything to do with it. The dark lord has been playing nice with me under his thumb, but what will he do when I set my sights on his throne?

2021-03-14 G K DeRosa Me? A dark lord of the Underworld? Hells no! Unfortunately, my dear old grandfather Lucifer has other plans. After the downfall of my traitorous cousin, the Underworld is in an uproar. Demons are running amuck in the supernatural and human worlds alike as warlords vie for the usurped throne. I shouldn't care, but I do. I have enough problems with my fickle demon, the SIA on my tail and a certain exasperating dragon bodyguard. When Delacroix calls in a favor, we have no choice but to intervene, bringing me right into the mouth of hell. The demon mob boss already fooled me once, can I really trust him again? As if my demonic political problems weren't bad enough, a traitor betrays me to the SIA. Running is my only option and guess where I end up... Maybe Lucifer was right, and the prophecy is true. Maybe I do belong in the Underworld. But will I survive as the dark lord of the sixth realm, and more importantly, where would that leave Talon?

2023-06-03 Timothy K Lind Possessed by Evil starts with the summoning and follows the

story of a prisoner named Tom as he becomes possessed by a demon, leading to a series of horrifying events. As Tom's plight worsens and despair sets in, he begins to explore the otherworldly realm and discovers new things about himself and the demons that possess him. Tom while highlighting the increasing power struggle between good and evil. With the emergence of demonic allies, tensions rise, and Tom sinks deeper into the abyss. The story concludes with the aftermath of Tom's possession and the consequences of the evil that took him captive. The overall narrative arc progresses from a simple arrest to a complex and terrifying tale about Tom and his battle with demonic corruption. "Possessed by Evil" begins with the summoning and tells the tale of Tom, a prisoner, as he is overtaken by a demon and experiences a string of horrific incidents. Tom starts to explore the strange realm as his situation gets worse and despair settles in, learning new things about himself and the demons that possess him. Tom points out the growing struggle for dominance between good and evil. Tensions increase as demonic allies appear and Tom descends further into the pit. The implications of Tom's possession and the evil that kidnapped him are discussed in the story's epilogue. The entire storyline develops from a straightforward arrest to a challenging and horrifying story about Tom and his struggle against demonic corruption.

2013-03-20 Evan Whitehall 409 Days is Evan

Whitehall's journey into and out of hell. On one fateful day, he was transformed from an accomplished professional to a 3rd world prison inmate. He was forced to confront primitive prison violence and his own demons. Fighting, flies, cockroaches, disease, death, depression, brutality, cruelty, and strife are all too common in a 3rd world prisons. 409 Days is a glimpse at life from the bottom of the bottom. It shows just how capable and vulnerable we all are in the face of something much larger than ourselves. It reveals how much potential we all have as human beings. 409 Days brings you into the nightmare world where one wrong step could be your last...

2020-02-18 K Webster From USA Today Bestselling Author K Webster, comes a dark, paranormal prison reverse harem romance standalone novel! I've been wrongfully accused. Sure, everyone sent to prison says that. It's true, though. I'm not who they say I am. Dark. Evil. An abomination. The worst of the worst. They sent me to the deepest, most awful catacombs of Nightmare Penitentiary. It's where they put all their secrets they don't want anyone in the world-both human and paranormal-to know about. I'm left to be forgotten and waste away until the day I die. And I'm not alone. I'm there with others. Others who are worse than me. Terrifying. Horrible. Monsters. Four demons in particular who seem to wake from their evil slumber the moment I enter their presence. They want

me. All four of them. I'm not sure what they plan on doing once they get their hands on me. But one thing's for sure... It won't be good.

2023-08-20 George Young In 1913, convicted wife-killer Thaddeus Moore escaped from Louisiana's Angola Prison while serving a fifteen-year sentence for manslaughter. He fled the Deep South and established a new identity in Indiana, only to find he couldn't escape his gambling and alcohol addictions. After the unexpected death of his second wife, he left his five young children to fend for themselves during the Depression. No one in his life ever knew the depth of "Dollar" Moore's deceit and depravity. This book exposes the truth and divulges some of his darkest secrets.

2022-02-03 Dr. Bob Conway Let's face it, demons are everywhere and they have an uncanny ability to seize control of our lives. Why? Because we allow them to. These demons, such as hate, unforgiveness, distrust, gossip, anxiety, fear, criticism, doubt, anger, and unbelief, prevalent in the lives of everyone and facing your demons will help you in identifying and recognizing them and how they have gained a foothold in your life. You can't rid yourself of these demons as they are a dominant force in our world today. However, facing your demons will help you realize how these demons are shaping our personalities and our characters. Facing your demons will, with the help of God and His word, help you in

gaining an understanding of why these negative influences are so controlling and how to take back that control. After all, it's your life, not theirs!

2020-08-18 G K DeRosa Welcome to Darkblood Prison, where the worst criminals in the supernatural realm roam the murky corridors, A.K.A. my new home. According to my cellmate, there are three rules to survive the notorious prison: Don't mix with the other supes, stick to your own kind. Anything can be made into a weapon so get creative. Stay away from the infamous Triad, the three brothers who run the prison. Rules aren't really my thing so I doubt I'll survive my first week, let alone my ten-year sentence for soul sucking an entire Fae village I have no memory of. As if coming to terms with my own demon and making nice with the scary inmates wasn't bad enough, someone seems hellbent on permanently ending my stay at Darkblood. Thankfully, the devastatingly gorgeous and equally infuriating leader of the Triad, who hates me for no apparent reason, still manages to show up whenever I get into trouble. With his help, I begin to piece together my missing memories and discover there's much more to my bogus incarceration. There's a reason I was sent here, a dark family secret is coming back to haunt me. As it turns out, the baddies in this prison are nothing compared to the forces of the Underworld that are coming for me. ***This is an upper YA/NA crossover with schmexy supernatural inmates and is best

suited for age 16+. Be warned, the steaminess factor does increase through the course of the series! ♥ ***Darkblood Prison is set within the world of Azar, along with Hitched, Darkblood Academy, and Royally Hitched but it's not necessary to read the other series' first to enjoy this one.

1874 J. O. BARRETT (Writer on Spiritualism, and PEEBLES (James Martin))

2012-05 Robert Thomas Doran In his novel, A Prison of Lies, Robert Thomas Doran portrays a troubled youth, who confronts a world of sadness and hopelessness and comes to question the existence of God. Beset by challenges on every quarter: unable to fit in with his peers, shamed by his sexuality, ill equipped for emotional intimacy and unable to express himself with girls; he slips from a depression into full blown mental illness. In the depths of his illness, he battles internal demons that threaten to steal his innocence with evil thoughts and hallucinations. In "A Prison of Lies," Doran presents a story of anguish, breakdown, and recovery with the hope that this journey through mental illness might raise our consciousness; kindle a common understanding and most importantly, facilitate the recovery of individuals who may be similarly afflicted. As he offers this compelling glimpse into a man's personal crisis that includes the reasons why he loathed himself and developed a massive inferiority complex,

Doran illuminates an intriguing and often frightening path into what exactly motivates suicides and fuels crimes of passion. Highlighted in his story are insightful poems and compelling conversations therapists and hypnotists. "A Prison of Lies" is a brutally honest look into one man's odyssey into the darkness of mental illness and finally out into the light where he finally heals his broken spirit and begins a new chapter in his life.

2023-05-07 Gareth Lewis Earth and Faerie are at war. Kind of. Possibly a cold war, except in the vicinity of Aelik, where it's often too exciting for comfort. When an increase in odd, and horrific, incidents on Earth suggests the enemy have weaponised stories in their campaign to Make Faerie Fearsome Again, Aelik must navigate the toxic waters of political intrigue in search of a way to end the cold war, and prevent a civil war in Faerie. At least espionage stories limit the casualties. War stories try to drag everyone in. Then it threatens to detour into horror, and in horror, the story always wins. Trapped in everyone else's stories, Aelik must choose what type of story he wants to be. Ideally, one he can live with. Book 3 of the Border Guards trilogy

2019-03-10 Jaymin Eve Trapped in the demon world, Louis, one of the most powerful sorcerers in existence, will find himself struggling with the darkness that has seeped into his soul. His family is determined to save

him, but they have no idea what the demons have unleashed. And when a sorcerer of his strength loses control, there's a chance that no one will survive the fallout. This is book 6 in the Supernatural Prison series. Recommended 17+ due to language and sexual situations.

2021-06 Angela M. Davis Pain accompanies silence. When that silence is broken, one can then begin healing. This book captures the thoughts, feelings, emotions, and views of four men. Men from different backgrounds and circumstances who find themselves connected through their stories; their lives within the prison system. This book is a collective display of their artistry; the canvas for their voices, both separate and united, on their pasts, present and futures. It amplifies and sheds light on the encumbrance their sentences bear on their lives, the lives of their loved ones, and the world around us. The Reality vs. The Myth is not just one thing, one idea, or one genre. It is a tastefully exciting combination of memoirs, essays, and poetry. In the same way that you cannot box in the human soul, neither can you box in what this book is all about. The Reality vs. The Myth is meant to educate, empower, and entertain. This is not a story of retribution or self-pity, but a story of overcoming; overcoming obstacles, stereotypes, and even our own demons. If it happens to change one person, or the world in the process, the writers' God-given purposes would be fulfilled.

2020-12-02 Florian C. Reiter The Prison of Fire for Demons by Florian C. Reiter presents a study of Taoist exorcist devices that in Heavenly Masters Taoism in the past and even today are dispensable for exorcist rituals. It focusses on exorcism that mainly was performed for the individual client. Sometimes large-scale liturgies were required, but often less-demanding ritual efforts sufficed. The study relies on the collections A Corpus of Taoist Rituals and Pearls Inherited from the Sea of Rituals in the Ming Taoist Canon. Reiter presents an exorcist tradition of Thunder Magic Rituals from Hunan-province and another one from Sichuan province. The leading Thunder divinity in the latter tradition is Marshal T'ien-p'eng who is associated with the God-Emperor of the North and has a background in Shang-ch'ing Taoism. Reiter selects exorcist devices such as the Prison of Fire for Demons and various other types of demon-prisons. He also discusses the abundant amulets and seals for exorcist rituals, and presents the Divine Stick of T'ien-p'eng which is a small wooden ritual tool that today is still in use. The practice of submitting formal applications to the spirit Thunder administration to get the divine approval and backing for any specific exorcism is introduced as well. Reiter displays the historic frame for applying the exorcist devices and defines these practices as constituent elements of Heavenly Masters Taoism. All those methods and devices serve the salvation of individual clients and support society as a

whole.

2011-02-22 Brandon Mull In an effort to stop the Sphinx from opening the demon prison Zzyxx, Kendra, Seth, and the Knights of the Dawn race to find the exotic artifacts and keep them out of the Sphinx's control.

2004 Ginninderra Press This anthology gives a voice to prisoners and their family members. 'The voices, male and female, are sorrowful and bleak. I learnt more about contemporary prison experience than I have from any recent media report.' - The Age

N.J. Adel I investigate a murder at a paranormal prison and end up behind bars with four psycho inmates. Flynn Native American, half vampire, half lion shifter, in prison for double homicide (and my student) Ronan Black, silver hair, violet eyes, treacherous fae, in prison for identity theft and possible murder Marco Dangerously sexy, bisexual Italian demon, and one of the devil's bastards, in prison for armed robbery Aedan HUGE Irish golden dragon, in prison for arson They will use me in ways I never thought possible. But they don't know who I really am. What I really am. My family has danced with the devil, and I inherited the darkness. When in danger, when my family is in danger, I don't just bite, I don't just kill, I'm more psycho than all of you, and I won't hesitate to bring the world upside down. Enjoy this 110k-word (500-page) standalone.

You like vampires, shifters, monsters, devils and demons, faes, dragons and dark stories, this paranormal why choose romance is definitely for you. Download your copy now. Because you have to.

2011 Harry Shaw

2011-03 Dolly Tavares In Dark Falls, Massachusetts, the lights flicker as a clock chimes above the officer station at Ithaca Penitentiary. As the officers on duty pause-each with the uncanny feeling that something is wrong-only one prisoner is aware that a tear between the dimensions has just occurred, unlocking a doorway to Hell. Unbeknownst to those inside, an evil has just been set free, and they are about to become its victims. After two prisoners paint the walls with their entire blood supply and vanish from a locked cell, the true terror begins. As a demon roams the prison, others are murdered and even more mysteriously disappear; it soon becomes evident that the ghosts of the victims have also returned. Spirits roam the dim corridors of Ithaca to vent their wrath, and a night shift officer suddenly discovers he has the ability to see the apparitions. Unfortunately, demons are not his specialty. Everyone knows blood opened the door to Hell, but no one knows what it will

take to close it again. As evil threatens to destroy the penitentiary, both the guilty and the innocent must determine what it will take to banish the terror-before it is too late.

2017-07-05 Arthur Griffiths Oriental Prisons: Prisons and crime in India, the Andaman Islands, Burmah, China, Japan, Egypt and Turkey. It is as true of crime in the Orient as of other habits, customs and beliefs of the East, that what has descended from generation to generation and become not only a tradition but an established fact, is accepted as such by the people, who display only a passive indifference to deeds of cruelty and violence. Each country has its own peculiar classes of hereditary criminals, and the influence of tradition and long established custom has made the eradication of such crimes a difficult matter. Religion in the East has had a most notable influence on crime. In India the Thugs or professional stranglers were most devout and their criminal acts were preceded by religious rites and ceremonies. In China the peculiar forms of animism pervading the religion of the people has greatly influenced criminal practices. Murder veiled in obscurity is frequently attributed to some one of the legion of evil spirits who are supposed to be omnipresent; and to satisfy and appease these demons innocent persons are made to suffer. So great, too, is the power of the spirit after death to cause good or ill, that many stories are related of victims of vi injustice who have

hanged themselves on their persecutors' door-posts, thus converting their spirits into wrathful ghosts to avenge them. The firm belief in ghosts and their power of vengeance and reward is a great restraint in the practice of infanticide, as the souls of murdered infants may seek vengeance and bring about serious calamity. Oriental prison history is one long record of savage punishments culminating in the death penalty, aggravated by abominable tortures. The people are of two classes, the oppressed and the oppressors, and the last named have invented many devices for legal persecution. In early China and Japan, relentless and ferocious methods were in force.

2021-06-03 Billy Moore 'The next round in Billy's fight is pain-racked, frank and reflective . . . an inspiring piece from a man who's been to hell and back and has the scars to prove it' JOE COLE 'Brutally honest, dark and disturbing. A book that tells of the reality of drugs and a failing prison system' NEIL SAMWORTH, author of Strangeways: A Prison Officer's Story 'Billy Moore writes with such a tragic authenticity that it kept me willing for him to succeed, even as I knew he was never too far from self-destruction. It's his self-awareness that I admire - unflinching and brutal and also, it should be said, his wonderful way with words' Professor Emeritus DAVID WILSON, author of My Life with Murderers 'His life may have had many ups and downs, but Billy is a wonderful example of never giving up' JAMES ENGLISH

'A true story of forgiveness, not only learning to forgive others but also learning to forgive yourself. An incredibly emotional story about an incredible man who's had an incredible journey' LIAM HARRISON 'This time I am telling the story of my life both before prison in Thailand and what followed once I was back in the United Kingdom, my cancer diagnosis, more prison time and, finally, redemption. I am trying to understand aspects of my childhood that had a role in my eventual downward spiral into addiction, pain, misery and loss' BILLY MOORE Billy Moore spent three years in Klong Prem prison in Thailand, popularly known as the 'Bangkok Hilton', where he witnessed acts of extreme violence and sexual assault. Eventually he found purpose through taking part in Muay Thai boxing tournaments in jail. Here, he found 'a wall of human community' amongst the elite boxers and regained his sobriety. He was granted early release by the King of Thailand having excelled as a Muay Thai boxer in inter-prison tournaments. But back in the UK and a decade later - with his demons resurfacing - Billy's past caught up with him. He was caught and convicted of a burglary and was despatched to HMP Walton under then home secretary Theresa May's three-strikes rule. Billy has spent almost twenty-two years in various prisons, but since then, he has not only survived cancer, but also gone on to become a powerful advocate of boxing and anti-knife crime initiatives in the Liverpool area, training young boxers. A Prayer Before Dawn was made

into a film directed by Jean-Stéphane Sauvaire and starring Joe Cole, of Peaky Blinders' fame. The film premiered at the Cannes Film Festival in 2017, but by the time it went on general release, Billy was back in prison in the UK. In this follow-up to Billy's first international bestseller, an autobiography set largely in Thailand's infamous prison system, Billy sets out to explore his experience of childhood abuse that would lead to a life of drug addiction and near-constant incarceration. After Billy's sentence in Klong Prem prison was commuted as a result of his extraordinary success as a Muay Thai boxer, he returned to the UK. In this vividly told story, Liverpudlian Billy contrasts his first-hand experience of one of the cruellest prison systems in the world with his experience of UK prisons. The result is, in part, a shocking exposé of the inadequacy of care and the lack of humanity in British prisons. But Billy's story is mainly one of rehabilitation, recovery and redemption. Rich in detail, honesty and humour, his book is a fast-paced, unputdownable read which shows how the human spirit can endure and eventually thrive.

2020-03-01 Cassandra Morphy Nothing seemed to happen on December 21st, 2012, when the Mayan calendar heralded the end of the world. At least until the portals showed up on the evening news. With the demons invading the Pacific Northwest, a new agency was tasked to policing them. When Agent Hank Gorning started investigating the death of one of these

demons, the case quickly seemed to be unsolvable. As all his leads turned into nothing, he took a tip from the strangest place. He wasn't expecting that tip to lead him to stumble upon a conspiracy to rid the world of all demons. But when you play with demons, you're likely to get burned.

2012-12-01 S. E. Foulk As Limbo falls, a new prisoner emerges from the Forbidden area cave of the Seventh Circle. The demons are closing in on the dwarf Clavius and all allies of the fugitive prisoner. Chiron is pressed to control the unrest by his centaur kind against the newly arrived humans to his circle, and the miners join the ranks of the fugitives while attempting to assist Clavius and the newcomer, John Moore, who has been caught up in the tumult against his wishes. A new guest, and a more ancient fugitive of Hell arrives at the river Phlegethon, throwing off the fragile balance of Chiron's circle once and for all. In the midst of the chaos, a connection between John Moore and the new prisoner is revealed, and new allies are found in the journey to escape Hell. Can they make it or will the Fallen discover their attempt at freedom? This is Book IV. Book V, the finale of The AngelFall Series will be available in June 2013.

2022-03-22 McKenzie Maughan Taréis has been ruled by the Family for a thousand years. They have taken in all children who have lost their magic, kept them alive and comfortable for as

long as possible. Under their reign, the people of Taréis have lived in peace. And the worst of their criminals, get sent to Brakktis prison at the far edge of the land. Brakktis is the last place Phenna would have expected to learn anything about the Family. But the prisoner in the next cell has some interesting secrets to share about the Family and the children they care for - one of which is Phenna's twin sister. Now, having escaped from the toughest prison in Taréis, Phenna will not stop until she has her sister back and the Family is ruined. But as a fugitive on the run, she struggles to remain hidden and along the way she will have to face her own demons and come to terms with her past.

2014-10-30 Erin Eldridge Berlin, April 1945. A terrified young German woman huddles in a cellar as the final battle for the city rages overhead, bracing herself for the arrival of the rampaging Red Army. Her husband, missing in France since D-day, is not there to shield her from the coming hell that WWII's endgame brings, as triumphant Soviet soldiers make German women the targets of their vengeance. An unlikely savior arrives in the form of a young Soviet officer who takes her under his wing and with whom she begins a torrid affair. But what are his motives for seeking her out and protecting her? What will she do if her husband returns? Can she love two men simultaneously, or will she have to choose? This story will grip you from the first page, make you laugh, make

you cry, and remain with you.

2011-01-27 Edwin F. Becker Father Thomas Garrity is a Catholic priest who unexpectedly comes face to face with a horrific demon. Through fate or demonic manipulation, he winds up substituting for a prison chaplain who mysteriously committed suicide and was counseling a serial killer condemned on death row. Garrity meets with the convict, who at first is mute, and then becomes all too talkative, claiming to be a demon. A nave Father Garrity assumes he is dealing with a schizophrenic. Truly possessed by the demon Furfur, the inmate begins his attack on Father Garrity. As all Catholic priests, Garrity is uneducated and unskilled at confronting the supernatural, much less a demon. This demon is intent on destroying Garity's faith in God through any means possible. The one problem is that this "inmate" will be executed in a week, so time is of the essence. At first Garrity thinks that he must only survive until the execution, but then finds he will become hunted afterward by a demon that will transfer to a whole new body. Furfur, a documented fallen angel taken from demonology, initially attempts to overwhelm Garrity with his knowledge and history. Failing, he escalates his efforts to violence, and eventually murders. Father Garrity, as all common parish priests, is inexperienced, but is desperate to defeat this demon, even though his path is crammed with obstacles. He is surrounded by non-believers and a Catholic

organization that has created an impossible bureaucracy which frowns on the very mention of exorcism. The demon Furfur intends to deliver the soul of this convict to hell and then transfer himself to another person and continue to torment the priest. Father Garrity finds that Furfur, in documented demonology, ranks high in the hierarchy of hell and has 150,000 demons at his command. Although in prison, Furfur can torture the priest through hurting those close to him simply by using his legions. Father Garrity reaches out to the Vatican and eventually enlists the help of the official head Exorcist. He is also aided by an unofficial American exorcist. Their realization that the limited time until the execution is nowhere near adequate for an exorcism, makes for an unsolvable dilemma. The surrounding cast of characters adds to the complexity and suspense. Father Garrity's immediate superior, Pastor Wiesbauer, is an elderly and gentle mentor who offers advice. A kindly old housekeeper Margaret is the rectories mother hen. A retired Father James Nolan, an unofficial exorcist, enters as a timely adviser. The prison psychologist Katherine Schuler stands confused. The Vatican's boisterous Father Dominic Tutolo, flies in to assist. A befuddled but helpful warden Buddy Thornton, watches mystified, but it is Father Garrity's Chicago detective brother Bobby, that becomes the unpredictable loose cannon. Finally, becoming a major obstruction is the Catholic Diocese Monsignor Hall, who is only concerned with the

churches public image. Father Garrity has his problems with the Catholic organization and the changes made to the religion in the recent past. He is unhappy with the concern of the financial interests over the concern for parishioners. He has doubts whether confession and weekly forgiveness is not perpetuating sin and is a revolving door. Yet he maintains an unshakable faith in God. A faith so strong, that he will never bend to the demon Furur. A faith so strong that divine intervention is called for. Father Garrity has a faith so strong that it can create a miracle. Follow Father Garrity, a flawed outspoken priest with a temper, a sense of justice, and no fear as he uses his faith as a shield and enters a fight he knows he cannot win. See how he learns that initially demons are not scary, but instead seductive. He learns that only after the seduction that the evil and violence enter the picture. He would rather sacrifice his life than let this evil prevail. Learn how demons introduce themselves with a form of seduction with intentions to destroy a persons very soul. Whether drugs, alcohol, food, sex, violence, or gambling, a demon will enter your life and become that little voice inside your head. This trip will open your eyes and take you into the world of horror. If that world exists, you surely want Father Garrity on your side.

2015-02-09 Bonnie Vause Dr. Elizabeth Davenport thought she had it all...married to the love of her life, a great job, and the dream

home most would die for. Then one day, her life changes forever when a terrible accident makes it necessary for Elizabeth and her husband, Harrison, to return to her hometown for the first time after three decades. Elizabeth's plagued nightmares challenge her to face the truth of the mysterious secrets that had haunted her mind and inner soul. With the support of her devoted husband, she faces the demons of her past and learns the answers to the many secrets she had suppressed. As trapped and unseen skeletons escape and openly mingle with unrecognized skeletons and memories Elizabeth becomes more intoxicated with fear and anxiety. Across the tracks in the small community of Shadow Village there awaits bone chilling secrets that have been entangled in a web of lies and deceit. Lies that have controlled many of the Mill Village residents for decades by a domineering man and his partner. Despite who is involved, the

web of buried secrets are seeking to expose the truth. Adjusting to the uncovered skeletons of Shadow Village has the potential to test loyalty, forgiveness, and acceptance. Can Elizabeth and Harrison Davenport's marriage survive once they are pitted against the truth ...against each other? Or will the truth become an obsession the couple cannot define and destroys their picture perfect marriage? Is Harrison Davenport prepared to face not only his wife's demons but those of others? Will the truth threaten and seize their future together or will forgiveness prevail?

2017-06-01 L. A. Jacob Treading the straight and narrow is not natural to one who summons demons. Michael LeBonte is set free after five years in magic prison. All he has to do is stay on the straight and narrow path for the rest of his life. However, because he summoned demons to "take care of things," it's easier said than

done. Now his plan is to make a new life for himself. His sister has welcomed him back, he's met a cute guy, and he's found a nice job assisting the local private investigator. But his expertise does not go unnoticed and he gets pulled back to do what got him sent to prison in the first place.

2021-06-03 Jonathan Driskell In this debut crime thriller by author Jonathan Driskell, we found ourselves on an adventure with a man who wants nothing but a second chance at life. Recently released from prison we follow Big John in his struggle to have the life he dreamed of behind bars. A family, and a simple life. What he finds instead is the bloody and vengeful consequences of his choices. A butterfly effect set into motion, the moment he steps outside of his cell doors. Driskell creates a world that keeps you turning the page, and leaves you wanting more long after you are finished.
