Women in Scripture-Carol Meyers 2000-03-30 "This splendid reference describes every woman in Jewish and Christian scripture . . . monumental" (Library Journal). In recent decades, many biblical scholars have studied the holy text with a new focus on gender. Women in Scripture is a groundbreaking work that provides Jews, Christians, or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization a thorough look at every woman and group of women mentioned in the Bible, whether named or unnamed, well known or heretofore not known at all. They are remarkably varied—from prophets to prostitutes, military heroines to musicians, deacons to dancers, widows to wet nurses, rulers to slaves. There are familiar faces, such as Eve, Judith, and Mary, seen anew with the full benefit of the most up-to-date results of biblical scholarship. But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names. Combining rigorous research with engaging prose, these articles on women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books, and the New Testament will inform, delight, and challenge readers interested in the Bible, scholars and laypeople alike. Together, these collected histories create a volume that takes the study of women in the Bible to a new level.

The Books of the Maccabees: History, Theology, Ideology-Géza Xeravits 2006-12-28 The volume contains essays on various problems of the early Jewish works: the Books of the Maccabees. Authors include renowned international specialists in the literature and thinking of early Judaism.

The Apocrypha Books-Larry Jaggard 2017-07 The term "apocrypha" comes from the Greek word meaning "hidden" or "secret". Originally, the term was applied to sacred books whose contents were too exalted to be made available to the general public."The Apocrypha" includes 15 books, all but one of which are Jewish in origin and found in the Septuagint (parts of 2 Esdras are possibly Christian and Latin in origin). Influenced by the Jewish canon of the OT, the custom arose of making the Apocrypha a separate section in the Protestant Bible.The Catholic view, expressed as a doctrine of faith at the Council of Trent, is that 12 of these 15 works (in a different enumeration, however) are canonical Scripture; they are called the Deuterocanonical Books.14 of these books are included in this volume and these are the books;The First Book of Esdras, The Second Book of Esdras, The First Book of the Maccabees, The Second Book of the Maccabees, The Book of Baruch, The Book of Bel and the Dragon, Ecclesiastes or the Preacher, The Book of Esther, The Book of Judith, The Prayer of Manasseh, The Song of Solomon, The History of Susanna, The Book of Tobit, The Book of Wisdom.

The Apocrypha-Christians 2017-12-10 The collection of books drawn from the Latin Vulgate and the Septuagint but not included in the Hebrew Bible.

These books are considered deuterocanonical by the Roman Catholic Church and apocryphal by many protestant churches. The books include: The First Book of Esdras, The Second Book of Esdras, The Greek Additions to Esther (Additional Chapters of the Book of Esther), The First Book of the Maccabees, The Second Book of the Maccabees, The Book of Tobit, The Book of Judith, The Book of Wisdom (The Wisdom of Solomon), The Book of Sirach (or Ecclesiasticus) (The Wisdom of Jethse Son of Sirach, or Ecclesiasticus), The Book of Baruch, The Epistle (or Letter) of Jeremiah (Jeremy) (The Epistle of Jeremy (sometimes Chapter Six of Baruch)), The Book of Susanna (in Daniel) (The History of Susanna (in Daniel)), The Prayer of Azariah, The Prayer of Manasseh, (The Prayer of Manasses King of Judah), and The Book of Bel and the Dragon (in Daniel); The History of the Destruction of Bel and the Dragon, Cut off from the end of Daniel.

The Cambridge Companion to the Hebrew Bible/Old Testament-Stephen B. Chapman 2016-07-12 This volume features an impressive array of leading biblical scholars and presents an illuminating and lively cross-section of this traditional field of study. Treating core topics and changing methodologies within twenty-three comprehensive chapters, this Companion provides an outstanding introduction to the historical origins and literary character of the canonical literature.

Why Catholic Bibles Are Bigger-Gary Michuta 2017-09-15 Some differences between Catholicism and Protestantism can be tricky to grasp, but one of them just requires the ability to count: Catholic bibles have seventy-three books, whereas Protestant bibles have sixty-six - plus an appendix with the strange title Apocrypha. What's the story here? Protestants claim that the medieval Catholic Church added six extra books that had never been considered part of the Old Testament, either by Jews or early Christians. Catholics say that the Protestant Reformers removed those books, long considered part of Sacred Scripture, because they didn't like what they contained. In *Why Catholic Bibles Are Bigger*, Gary Michuta presents a revised and expanded version of his authoritative work on this key issue. Combing the historical record from pre-Christian times to the Patristic era to the Reformation and its aftermath, he traces the canon controversy through the writings and actions of its major players.

The New Oxford Annotated Bible with the Apocryphal/Deuterocanonical Books-Bruce Manning Metzger 1994 Brief introduction and outlines Notes at bottom of page 6 7/8 X 9 3/8 % Font size: 9

A Biblical Defense of Catholicism-Dave Armstrong 2003 A Biblical defence of the Catholic Faith. With a mastery of Scripture equal to that of the most committed Protestants, author David Armstrong shows that the Catholic Church is the "Bible Church par excellence," and that many common Protestant doctrines are in fact not biblical.

Deuterocanonical Additions of the Old Testament Books-Géza G. Xeravits 2010 The volume publishes papers presented at the International Conference on the Deuterocanonical Books (Papa, Hungary). This conference dealt with the deuterocanonical additions of the Old Testament books. As such, this was one of the most extended discussions of these writings that has ever taken place at a scholarly meeting. The volume contains articles on the traditions and theology of the additions, and demonstrates their relationship with the contemporary literature of early Judaism."

An Introduction to the Old Testament in Greek-Henry Barclay Swete 2003-03-06

Unmasking Apocalyptic Texts-Dorothy Jonaitis 2005 "In this original and insightful book, Dorothy Jonaitis offers a refreshing alternative to the popular view of biblical apocalyptic writing as gloom-and-doom, fire-and-brimstone literature. Rather, she presents it as literature of hope and its authors as people who knew how to use their creative imaginations to communicate their hope-filled messages. The reader will come to see the apocalyptic authors of both the Old and the New Testaments as dramatists and will learn to preach, teach, and imagine their writings as dramatic messages to be applied in contemporary times of crisis."--BOOK JACKET.

Jews and Protestants-Irene Aue-Ben David 2020-08-24 The book sheds light on various chapters in the long history of Protestant-Jewish relations,

from the Reformation to the present. Going beyond questions of antisemitism and religious animosity, it aims to disentangle some of the intricate perceptions, interpretations, and emotions that have characterized contacts between Protestantism and Judaism, and between Jews and Protestants. While some papers in the book address Luther's antisemitism and the NS-Zeit, most papers broaden the scope of the investigation: Protestant-Jewish theological encounters shaped not only antisemitism but also the Jewish Reform movement and Protestant philosemitic post-Holocaust theology; interactions between Jews and Protestants took place not only in the German lands but also in the wider Protestant universe; theology was crucial for the articulation of attitudes toward Jews, but music and philosophy were additional spheres of creativity that enabled the process of thinking through the relations between Judaism and Protestantism. By bringing together various contributions on these and other aspects, the book opens up directions for future research on this intricate topic, which bears both historical significance and evident relevance to our own time.

Lectionary for Sunday Mass-Catholic Book Publishing Corporation 1998-11 New liturgical book that went into effect in November, 1998. This book utilizes the format that has made our liturgical books the most pastoral...practicable...and functional possible. Leather bound, gilded edges.

The Gospel According to Rome-James G. McCarthy 1995-01-01 When Catechism of the Catholic Church broke onto the N.Y. Times bestseller list, its astonishing success confirmed the overwhelming interest of Catholics and Protestants in understanding modern Catholicism. Has the recent openness among denominations affected Catholic teachings? In the new spirit of cooperation, is there any reason why Catholics and Protestants should remain divided? This powerful and insightful examination of the Catholic Church provides: a side-by-side comparison of Scripture with the first new worldwide Catholic catechism in 400 years a summary of how modern Catholicism views grace, works, and heaven 24 ways the Catholic plan of salvation still stands in contrast to biblical truth a balanced overview of how the authority structure of the Roman Catholic Church compares with that of the New Testament church an explanation of how participation in the Mass and other sacraments is inconsistent with faith in Christ as Savior Clear, accurate, significant information to know and share—The Gospel According to Rome

Rebuilding the Foundations-Paul Pavao 2023-10 Most evangelical Christians believe that the smallest sin will cause eternal condemnation. This horrific falsehood and others underlie a Christian belief system that is imposed on the Bible rather than received from it. Paul Pavao uses the plain statements of Scripture to uproot the old foundations, lay out and establish the foundations clearly described in the Bible, and rebuild the basics of the faith. Verse after verse, called difficult by traditional teachers, click neatly into place when put into the Christian system taught by the apostles and once believed by all churches. J.T. Tancock, Welsh apologist, author, and Bible college teacher calls Rebuilding the Foundations "explosive." He writes, "It upsets apple carts, slays sacred cows, and demands that we 'go back to the Bible'. For all of those reasons all of us must read it."God shaped Paul's life, personality, circumstances, and spiritual upbringing to prepare him to write this book. "I wrote Decoding Nicea to prove I could deal honestly with the facts and make solid historical sources available to the average Christian. That book was written as much to prove that I am qualified to write this book as for any other reason."Thousands of churches have hundreds of different theological systems. Converts to all branches of modern Christianity fall away in droves, most not even attending a church years down the road. Pastors know the majority of their congregants have little or no zeal for the things of Christ. A foundation of errors can only produce more errors, both theologically and practically. Building on what the apostle Paul called "God's firm foundation" can deliver us from those errors.

The Deuterocanonical Books of the Bible Known As the Apocrypha-Anonymous 2004-06-01

An Introduction to the Apocrypha-Bruce Manning Metzger 1977 Veteran guide Bruce Metzger provides a succinct, readable yet thorough introduction to those books included in the Roman Catholic canon but deemed heretical by Protestants.

Studies in the Book of Ben Sira-Géza Xeravits 2008-06-25 The volume publishes the papers read at an international conference on the Book of Ben

Sira, held at the Shime'on Centre, Pápa, Hungary. Renowned specialists of the field treat among others various questions of early Jewish wisdom thought, the interpretation of history, and canon forming.

The Old Testament of the Early Church-Albert C Sundberg (jr.) 1969

The Vulgate Bible, Volume II-Swift Edgar 2010 V. 1. The Pentateuch -- v. 2 The Historical books (in 2 parts)

Intertextual Explorations in Deuterocanonical and Cognate Literature-Jeremy Corley 2019-05-06 This volume explores the fundamentals of intertextual methodology and summarizes recent scholarship on studies of intertextuality in the deuterocanonical books. The essays engage in comparison and analysis of text groups and motifs between canonical, deuterocanonical and non-biblical texts. Moreover, the book pays close attention to non-literary relationships between different traditions, a new feature of research in intertextuality.

Apocrypha- 2017-09-27 Apocrypha Deuterocanonical Books of the Bible The deuterocanonical books (from the Greek meaning "belonging to the second canon") are the books and passages of the Christian Old Testament that are not part of the Hebrew Bible. The term, used since the 16th century by the Catholic Church and sometimes by Orthodox Christianity, distinguishes these texts from the protocanonical books, which are the books contained in the Hebrew canon. The distinction arose as a result of the debate in the early Church as to which texts should be classified as canonical. The term is used as a matter of convenience by the Ethiopian Orthodox Tewahedo Church and other Churches to refer to books of their Old Testament which are not part of the Masoretic Text. The deuterocanonical books are considered canonical (that is, authoritative parts of the Bible) by Catholics, Eastern Orthodox, Oriental Orthodox, and the Church of the East, but they are considered non-canonical by most Protestants.

Early Christian Creeds-J.N.D. Kelly 2006-11-14 A comprehensive study of the well known and not so well known creeds

The First Epistle of Clemens Romanus to the Church at Corinth-Pope Clement I 1768

Truth be Told.....About Those 'lost Books' of the Bible-G C Jones 2020-10-16 The Apocrypha refer to texts which are left out of officially sanctioned versions ('canon') of the Bible. The term means 'things hidden away, ' which implies secret or esoteric literature. However, none of these texts were ever considered secret. In some Protestant Bibles, they are placed between the New and Old Testament. In the Roman Catholic Bibles the books are interspersed with the rest of the text. In this case they are also called 'Deuterocanonical', which means 'secondary canon.' The books on this page are all Deuterocanonical. Jerome rejected the Deuterocanonical books when he was translating the Bible into Latin circa 450 CE, (see the Vulgate). This was because no Hebrew version of these texts could be found, even though they were present in the Greek Old Testament (the Septuagint). However, they eventually were accepted by the Church, and most of them remained part of the Bible. Protestants rejected these books during the Reformation as lacking divine authority. They either excised them completely or placed them in a third section of the Bible. The Roman Catholic Council of Trent, on the other hand, declared in 1546 that the Deuterocanonical books were indeed divine. Of these books, Tobias, Judith, the Wisdom of Solomon, Baruch, and Maccabees, remain in the Catholic Bible. First Esdras, Second Esdras, Epistle of Jeremiah, Susanna, Bel and the Dragon, Prayer of Manasseh, Prayer of Azariah, and Laodiceans are not today considered part of the Catholic apocrypha. With one exception, all of these books are considered 'Old Testament'. The apocryphal New Testament 'Letter of Paul to the Laodiceans', was once incorporated in many versions of the Bible. However, Laodiceans is now considered just a pastiche of other Epistles, and is omitted from contemporary Bibles. There are many other apocryphal books, which do not fall into the 'Deuterocanonical' category, such as the many additional New Testament Gospels, and the apocalyptic book of Enoch.

The New Jerusalem Bible-Henry Wansbrough 1999 A critically acclaimed modern translation of the Bible into English, based on the latest advances in biblical scholarship, features a concise two-column format for easier reading, a low price, and a reader-friendly design.

Deuterocanonical Additions of the Old Testament Books-Géza G. Xeravits 2010-07-30 The volume publishes papers presented at the International Conference on the Deuterocanonical Books (Pápa, Hungary). This conference dealt with the deuterocanonical additions of the Old Testament books. As such, this was one of the most extended discussions of these writings that has ever taken place at a scholarly meeting. The volume contains articles on the traditions and theology of the additions, and demonstrates their relationship with the contemporary literature of early Judaism.

Deuterocanon World English Bible-Bible Domain Publishing 2016-04-09 DEUTERCANON (World English Bible Translation) Because the World English Bible is in the Public Domain (not copyrighted), it can be freely copied, distributed, and redistributed without any payment of royalties. You don't even have to ask permission to do so. You may publish the whole World English Bible in book form, bind it in leather and sell it. You may incorporate it into your Bible study software. You may make and distribute audio recordings of it. You may broadcast it. All you have to do is maintain the integrity of God's Word before God, and reserve the name "World English Bible" for faithful copies of this translation. Does the World English Bible include the Apocrypha? The World English Bible is an ecumenical project that includes books included in Bibles in many denominations. The main 66 books of the Old and New Testaments are recognized as Scripture by all true Christians. There are also books considered to be part of, depending on which book and who you ask, Deuterocanon, Apocrypha, and Pseudepigrapha. The following books and parts of books are recognized as Deuterocanonical Scripture by the Roman Catholic, Greek, and Russian Orthodox Churches: Tobit, Judith, Esther from the Greek Septuagint, The Wisdom of Solomon, Ecclesiasticus (also called The Wisdom of Jesus Son of Sirach), Baruch, The Song of the Three Holy Children, Susanna, and Bel and the Dragon, 1 Maccabees, 2 Maccabees. In this edition, The Letter of Jeremiah is included as chapter 6 of Baruch. Three of those books come from parts of Daniel found in the Greek Septuagint, but not the Hebrew Old Testament: The Song of the Three Holy Children, Susanna, and Bel and the Dragon. These 11 books, plus the 66 books of the Old and New Testaments comprise the 88 books in the Roman Catholic Bible. The following books are recognized as Deuterocanonical Scripture by the Greek and Russian Orthodox Churches, but not the Roman Catholic Church: 1 Esdras, The Prayer of Manasseh, Psalm 151, and 3 Maccabees. Note that 1 Esdras and the Prayer of Manasseh are also in an appendix to the Latin Vulgate Bible. The Slavonic Bible includes 2 Esdras, but calls it 3 Esdras. This same book is in the Appendix to the Latin Vulgate as 4 Esdras. An appendix to the Greek Septuagint contains 4 Maccabees. It is included for its historical value. Among Christian denominations and among individual Christians, opinions vary widely on the Deuterocanon/Apocrypha, as do the collective names they give them. Many regard them as useful in gaining additional understanding of the Old and New Testaments and the hand of God in history, even if they don't give them the same status as the 66 books of the Old and New Testaments. They are included here in support of the churches and individuals who read them and use them, as separate from, but frequently used with, the core canon of the 66 books of the Holy Bible. More Information: For answers to frequently asked questions about the World English Bible, please visit WorldEnglishBible.org.

Good News Bible- 1994 Contains Old and New Testament and Apocrypha, with an introduction to all books of the Bible. The translation is accurate and faithful to the Greek and Hebrew, and features an equivalence translation conveying the modern meaning of words and phrases.

The Dead Sea Scrolls-Peter W. Flint 2013-02-01 In 1947, a Bedouin shepherd literally stumbled upon a cave near the Dead Sea, a settlement now called Qumran, to the east of Jerusalem. This cave, along with the others located nearby, contained jars holding hundreds of scrolls and fragments of scrolls of texts both biblical and nonbiblical—in Hebrew, Aramaic, and Greek. The biblical scrolls would be the earliest evidence of the Hebrew Scriptures, or Old Testament, by hundreds of years; and the nonbiblical texts would shed dramatic light on one of the least-known periods of Jewish history—the Second Temple period. This find is, quite simply, the most important archaeological event in two thousand years of biblical studies. The scrolls provide information on nearly every aspect of biblical studies, including the Old Testament, text criticism, Second Temple Judaism, the New

Testament, and Christian origins. It took more than fifty years for the scrolls to be completely and officially published, and there is no comparable brief, introductory resource. Core Biblical Studies fulfill the need for brief, substantive, yet highly accessible introductions to key subjects and themes in biblical studies. In the shifting tides of biblical interpretation, these books are designed to help students locate relevant meanings in conversation with the text. As a first step toward substantive and subsequent learning, the series draws on the best scholarship in order to provide foundational concepts and contextualized information on a broad scope of issues, methods, perspectives, and trends.

The Case for the Deuterocanon-Gary Michuta 2017-09-15 Protestants and Catholics alike share the faith that all scripture is inspired by God and is profitable for doctrine, for reproof, for correction, and training in righteousness (2Tim 3:16). But one area where they disagree is over just which writings make up the Bible. In particular they differ over whether the seven books of the Old Testament sometimes called "deuterocanonical" are inspired scripture or not. In a previous book, Why Catholic Bibles Are Bigger, Gary Michuta addressed the historical question of whether Protestants removed these books from the Bible or Catholics added them. Now in The Case for the Deuterocanon: Evidence and Arguments he takes on the burden of showing that they should not have been removed. Bringing together evidence from the New Testament as well as Jewish and early Christian history, he carefully builds a compelling cumulative argument that the disputed books are part of the Bible that Jesus and His Apostles handed on to the Church. They are Scripture in the fullest sense, divinely inspired and capable of confirming Christian doctrine.

The Complete Parallel Bible- 1993

The Biblical Canon Lists from Early Christianity-Edmon L. Gallagher 2018-01-02 The Bible took shape over the course of centuries, and today Christian groups continue to disagree over details of its contents. The differences among these groups typically involve the Old Testament, as they mostly accept the same 27-book New Testament. An essential avenue for understanding the development of the Bible are the many early lists of canonical books drawn up by Christians and, occasionally, Jews. Despite the importance of these early lists of books, they have remained relatively inaccessible. This comprehensive volume redresses this unfortunate situation by presenting the early Christian canon lists all together in a single volume. The canon lists, in most cases, unambiguously report what the compilers of the lists considered to belong to the biblical canon. For this reason they bear an undeniable importance in the history of the Bible. The Biblical Canon Lists from Early Christianity provides an accessible presentation of these early canon lists. With a focus on the first four centuries, the volume supplies the full text of the canon lists in English translation alongside the original text, usually Greek or Latin, occasionally Hebrew or Syriac. Edmon L. Gallagher and John D. Meade orient readers to each list with brief introductions and helpful notes, and they point readers to the most significant scholarly discussions. The book begins with a substantial overview of the history of the biblical canon, and an entire chapter is devoted to the evidence of biblical manuscripts from the first millennium. This authoritative work is an indispensable guide for students and scholars of biblical studies and church history.

The Apocrypha-Christians 2017-12-10 The collection of books drawn from the Latin Vulgate and the Septuagint but not included in the Hebrew Bible. These books are considered deuterocanonical by the Roman Catholic Church and apocryphal by many protestant churches. The books include: The First Book of Esdras, The Second Book of Esdras, The Greek Additions to Esther (Additional Chapters of the Book of Esther), The First Book of the Maccabees, The Second Book of the Maccabees, The Book of Tobit, The Book of Judith, The Book of Wisdom (The Wisdom of Solomon), The Book of Sirach (or Ecclesiasticus) (The Wisdom of Jethse Son of Sirach, or Ecclesiasticus), The Book of Baruch, The Epistle (or Letter) of Jeremiah (Jeremy) (The Epistle of Jeremy (sometimes Chapter Six of Baruch)), The Book of Susanna (in Daniel) (The History of Susanna (in Daniel)), The Prayer of Azariah, The Prayer of Manasseh, (The Prayer of Manasses King of Judah), and The Book of Bel and the Dragon (in Daniel); The History of the Destruction of Bel and the Dragon, Cut off from the end of Daniel.

GW Apocrypha Hardcover- 2009-09-01 Despite the different opinions on the degree of authority that should be given to the books of the Apocrypha, most Christians agree that these books are valuable. Because these books were written in the intertestamental period, they provide helpful insight into Jewish history, beliefs, and religious practices immediately prior to the birth of Jesus. People who read them will be better able to understand the political, cultural, ethical, and religious context of the contemporaries of Jesus. Translated directly from the original languages by the closest natural equivalent translation philosophy, God's Word Translation (GW) is an exceptional literary work that consciously combines scholarly fidelity with natural English.

The Apocrypha: the Deuterocanonical Books of the Holy Bible-Ecclesiastical Scribes 2012-01-01

The Case for the Deuterocanon-Gary G. Michuta 2015-04-23 Protestants and Catholics alike share the faith that all scripture is inspired by God and is profitable for doctrine, for reproof, for correction, and training in righteousness (2Tim 3:16). But one area where they disagree is over just which writings make up the Bible. In particular they differ over whether the seven books of the Old Testament sometimes called "deuterocanonical" are inspired scripture or not. In a previous book, Why Catholic Bibles Are Bigger, Gary Michuta addressed the historical question of whether Protestants removed these books from the Bible or Catholics added them. Now in The Case for the Deuterocanon: Evidence and Arguments he takes on the burden of showing that they should not have been removed. Bringing together evidence from the New Testament as well as Jewish and early Christian history, he carefully builds a compelling cumulative argument that the disputed books are part of the Bible that Jesus and His Apostles handed on to the Church. They are Scripture in the fullest sense, divinely inspired and capable of confirming Christian doctrine.
