Behold This Heart-Fr. Thomas Dailey, O.S.F.S. 2021-01-21 True devotion to the Sacred Heart of Jesus moves us to ponder the unrelenting love of Jesus, fully human and fully divine, as He poured Himself out for the world. In these pages, Fr. Thomas Dailey transports you beyond the prayers and liturgies and helps you to contemplate the Sacred Heart, which Pope Benedict XVI said "has irreplaceable importance." Fr. Dailey shows you how to experience the way of prayer that formed St. Margaret Mary — the visionary to whom the devotion was revealed — in the religious order founded by St. Francis de Sales and St. Jane de Chantal. Fr. Dailey's brilliant combination of Salesian spirituality and meditative devotion will enable you to respond to Christ's "divine affection" and experience God's love as never before. Through a series of nine reflections on the Sacred Heart, Fr. Dailey will show you: How you can live the devout life despite your many worldly responsibilities Proven ways you can release supernatural confidence and overcome fear The keys to developing the practice of mental prayer and entering contemplation How to listen for and discern God's will for your life Ways you can discover your personal spiritual vocation Why Pope St. Paul VI called the Sacred Heart devotion "the most effective means of promoting the reform of life and the defeat of atheism" With Fr. Dailey as your guide, these engaging meditations will transform you as you step through the pages of the greatest love story ever told.

Icon and Devotion-Oleg Tarasov 2004-01-03 Icon and Devotion offers the first extensive presentation in English of the making and meaning of Russian icons. The craft of icon-making is set into the context of forms of worship that emerged in the Russian Orthodox Church in the mid-seventeenth century. Oleg Tarasov shows how icons have held a special place in Russian consciousness because they represented idealized images of Holy Russia. He also looks closely at how and why icons were made. Wonder-working saints and the leaders of such religious schisms as the Old Believers appear in these pages, which are illustrated with miniature paintings, lithographs and engravings never before published in the English-speaking world. By tracing the artistic vocabulary, techniques and working methods of icon painters, Tarasov shows how icons have been integral to the history of Russian art, influenced by folk and mainstream currents alike. As well as articulating the specifically Russian piety they invoke, he analyzes the significance of icons in the cultural life of modern Russia in the context of popular prints and poster design.

Appearing to her in a series of visions in 1673, Jesus promised St. Margaret Mary Alacoque that those who “expose and honor his most Sacred Heart” will find peace in the home, consolation in sorrow, and a source of refuge in times of trouble. In Secrets of the Sacred Heart, Emily Jaminet—executive director of the Sacred Heart Enthronement Network—weaves personal testimony, teachings, and reflection questions while exploring and applying each of Christ’s promises. Jaminet will guide you through a special enthronement ceremony to dedicate your home and inspire you to a lifelong devotion to the Sacred Heart. Whether you have already consecrated your home or are newly embarking on the journey of discovering the graces of this ancient practice, you will find a personal encounter with Jesus, who promises: peace in your home, safe refuge in life and death, blessings on your undertakings, an infinite source of mercy, and a restored and enlivened faith for those who surrender themselves wholly to Christ. Devotion to the Sacred Heart-John Croiset 2017-03-31 The deep and extraordinary interest taken by so many, in the devotion to the Sacred Heart of our Lord Jesus Christ, the great fruits it has produced, and the singular esteem entertained for it, by persons of universally recognized merit, have led to the publication of this book. It is intended to instruct the faithful, and satisfy their pious desires. There might, perhaps, have been some reason to fear, at the very outset, that the mere title of Devotion to the Sacred Heart of Jesus Christ, however it might attract many persons to read this book, might also deter many others. Arrested by the first words, they might be led to form an inaccurate idea of the devotion. To remove this difficulty, it has been thought well to explain in the beginning, what is understood by devotion to the Sacred Heart of Jesus Christ. Experience has proved, that there is no one, who, after seeing in what it consists, does not agree, that it is reasonable, solid, and most useful, for our salvation, as well as for our perfection.

Sacred Invocation-Origen 2014-09-28 A unique translation from the original Greek of the second century spiritual master Origen, developed and handed down by a reknown Scottish scholar and made available nearly one hundred years later in memory of Dr. Charles Ashanin whose last days were devoted to this project. From the book: Who would not say that it is impossible for man to trace out things in heaven? Yet this impossible thing, by the surpassing grace of God, becomes possible; for he who was caught up unto a third heaven traced out things in the three heavens through having heard unutterable utterances which it was not permitted for man to speak. Who can say that it is possible for the mind of the Lord to be known by man?
