The Writings Of Austin Osman Spare Anathema Of Zos The Book Of Pleasure And The Focus Of Life

The Writings of Austin Osman Spare-Austin Osman Spare 2010-08
The Writings of Austin Osman Spare is a collection of three books written by the famous artist and occult author. The three books included in this publication are Anathema of Zos: The Sermon to the Hypocrites, The Book of Pleasure: The Psychology of Ecstasy and The Focus of Life: The Mutterings of Aaos. This compilation of three of Spare's most popular works is a must read for those that are fans of his writings and those interested in books on the occult.

The Writings of Austin Osman Spare-Austin Osman Spare 2007-11-01
This wonderful book contains four of the most popular writings of Austin Asman Spare, including Automatic Drawings, Anathema of Zos, The Book of Pleasure, and The Focus of Life

Catalpa Monographs- 2015
Austin Osman Spare-Phil Baker 2014
Austin Osman Spare is the definitive biography of the controversial occultist and artist, an enfant terrible of the Edwardian art world whose work was both hailed as genius and decried as immoral decadence. As George Bernard Shaw reportedly said, "Spare's medicine is too strong for the average man." Trained as a draughtsman, Spare enjoyed early acclaim when, at the age of seventeen, his work was shown at the Royal Academy in London. But his star soon declined; Spare went underground, falling out of the gallery system to live in poverty and obscurity. After a brief association with Aleister Crowley, he became absorbed in occultism and sorcery, voyaging into inner
dimensions, while developing his own magical philosophy of
pleasure, obsession, and the subjective nature of reality. All the
while, Spare continued to produce extraordinary art, and held his
exhibitions outside of the conventional art world, in London pubs.
Today Spare is both forgotten and famous, a cult figure whose
modest life has been much mythologised since his death; the
world's largest Spare collection is held by Jimmy Page of Led
Zeppelin. Biographer Phil Baker separates fact from myth,
providing wide-ranging insights into Spare's art and mind,
reconnecting him with the art community that ignored him and
exploring the rich tapestry of the culture that surrounded him,
interweaving the birth of psychoanalysis, the historiography of
the occult, and the British class system. This richly readable and
illuminating biography, containing 50 black and white and 8 color
photographs of Spare's art, takes us deep into the strange inner
world of this enigmatic artist.

The Book of Pleasure-Austin Osman Spare 2018-02 The Book of
Pleasure could be regarded as the central text among Austin
Osman Spare's writings. It covers both mystical and magical
aspects of Spare's ideas; as the modern ideas on sigils (as now
have become popular in chaos magic) and Spare's special theory
on incarnation are for the first time introduced in this book. There
are some chapters in The Book of Pleasure that Spare has
referred to within the text, but are omitted. It seems that they
were destroyed during World War II

Book of Pleasure in Plain English-Austin Osman Spare 2014-04 It
has been said that, whilst the writings of Austin Osman Spare
have been translated into a number of foreign languages, they
have yet to be translated into English. The book you hold in your
hands represents an attempt to do exactly that Whilst this version
has ended up considerably longer than the original, this is
because the original is in a very terse style, in which a lot is
implied, rather than stated openly. Here the text is made clearer
by teasing out this implied meaning. Spare's philosophy, on which
he worked so hard, is now accessible to a wider audience.

Stealing the Fire from Heaven-Stephen Mace 1984
Now for Reality-Aleister Crowley 1990
Earth Inferno and a Book of Satyrs-Austin Osman Spare 2019-04-06
Two books of exquisite artwork in one volume! This new edition contains complete facsimile reprints of Austin Osman Spare's first two books - Earth Inferno and A Book Of Satyrs - first published in 1905 and 1907.

Austin Osman Spare-Phil Baker 2012
Austin Spare was described as the greatest draughtsman in England and was the enfant terrible of the Edwardian art scene but by the time of his death he was living in squalor and all but forgotten. This engaging biography charts the rise and fall of British art's darkest star, who was fascinated by mysticism and spiritualism and practised automatic drawing before the Surrealists and developed a unique system of magic. By the 1930s Spare had retreated from fashionable society, living in poverty and obscurity but he never stopped working, only now is his work seen.

Austin Osman Spare-William Wallace 1993
The Pocket Austin Osman Spare-Austin Osman Spare 2020-01-22
Working on the cutting edge of both magic and art, Austin Osman Spare developed a unique synthesis of older ritual magic systems with post-modern, erotic, and surrealist themes. His theory of magic eschews complex formula and ritual to favor creativity, spontaneity, and ecstasy, embracing artistic expression and alternative sexualities. Collected here are some of Spare's most important works. Though dense and esoteric, these texts bear repeated study by the serious occultist, for they speak to the human drives that make real magic possible.

The Focus of Life-Austin Spare 2018-05
The Mutterings of AOS is a comprehensive treatise written by Austin Osman Spare on key occult concepts he introduced in his previous writings. Thank you very much for looking at a book by One-Eye Publishing, we hope you enjoy it! We are always adding...
to our catalogue, so please check back or find us online!
Daemons Of Pleasure-Austin Osman Spare 2011-10-03 DAEMONS OF PLEASURE collects four key magickal texts by the English artist and occultist Austin Osman Spare (1886-1956). These texts, The Book Of Pleasure (1913), Notes On Automatic Drawing (1916), The Focus Of Life (1921) and The Anathema Of Zos (1927), are vital to an understanding of Spare’s theories of sigilization and automatic ecstasy, and also point to the tenets of Spare's Zos Kia Cultus, an occult system of critical influence on the development of chaos magic. Also included in an illuminating introductory text, Time Mirrors, by Genesis P-Orridge. For this special ebook edition Spare's texts are presented with a bonus section of 8 rare automatic drawings by Spare, dating from 1925.

Anathema of Zos-Austin Osman Spare
Book of Ugly Ecstasy-Austin Osman Spare 1996
The objective understanding, as we see, has to be attacked by the artist and a subconscious method, for correction of conscious visual accuracy, must be used. No amount of manual skill and consciousness of error will produce good drawing. A recent book on drawing by a well-known painter is a case in point; there the examples of masters of draughtsmanship may be compared with the painter-author's own, side by side, and the futility of mere skill and interest examined. Therefore to proceed further, it is necessary to dispose of the subject in art also (that is to say the subject in the illustrative or complex sense). Thus to clear the mind of inessentials permits through a clear and transparent medium, without prepossessions of any kind, the most definite and simple forms and ideas to attain expression.
