The Year of the Locust-Terry Hayes 2017-04-20 THE AMAZING NEW THRILLER FROM TERRY HAYES. IF YOU THOUGHT I AM PILGRIM WAS GOOD...
The Year of the Locust-Terry Hayes 2015-06-04 THE AMAZING NEW THRILLER FROM TERRY HAYES. IF YOU THOUGHT I AM PILGRIM WAS GOOD...
Miss Lonelyhearts-Nathanael West 2009 Two classic novels are included in a single volume, first, Miss Lonelyhearts, about a newspaper reporter seeking to avoid writing an agony column, with only his cynical editor Shrike in the way, the second, The Day of the Locust, about Tod Hackett, who pines for a role in the film industry, only to discover the emptiness of Hollywood's inhabitants. Original.
The Year of the Locusts-Bayo Williams 1989
The Year of the Locust-Terry Hayes 2016-05-03 Terry Hayes returns with the thrilling and eagerly awaited follow-up to his New York Times bestselling novel I Am Pilgrim. Regarded as “the best book of 2014” (Suspense Magazine), “a big, breathless tale of nonstop suspense” (Janet Maslin, The New York Times), and “simply one of the best suspense novels I’ve read in a long time” (#1 New York Times bestselling author David Baldacci), Terry Hayes’s masterful thriller I Am Pilgrim was the recipient of countless accolades. Now, with The Year of the Locust, Hayes has penned a breathtaking story about cutting-edge science, a government conspiracy, and one man’s desperate attempt to unravel it all. Luke Truman is a junior officer on board the USS Leviathan, the most advanced and powerful warship ever built. It is an eight-hundred-foot-long submarine which, among its vast array of weaponry and secret systems, boasts a top secret “cloaking technology.” Bending light around objects to render them invisible, it is the hottest military research innovation not just in the US, but throughout the world. Now the time has come for the first large-scale trial of its effectiveness. But neither Luke nor the United States government realize the astonishing forces this experiment will unleash. What Luke discovers on board the Leviathan is that the future of our world is at a deadly tipping point and that only he will be able to stop the cascade of events which are leading them all inexorably towards doom. A breakneck story of nonstop suspense, The Year of the Locust is a high-concept thriller unlike any you’ve read before.
The Years of The Locust-Jon Hotten 2009 TRUE CRIME. A true story of intrigue, paranoia, murder and money set in the shimmering cities of South Florida in the 1990s. It's the story of two men who never should have met; and when they did, one killed the other. It would be impossible to invent a man like Rick Parker, a freakishly fat ginger-haired giant who modelled his personal style on Elvis Presley and wanted to become the next Don King. Then Rick met Tim Anderson, a handsome, funny former baseball pro - was he the fighter to take Parker all the way? Rick left a trail of fixed fights and violent mayhem all across the South, but his dream stayed out of reach. By the end of his reign of terror the heroic Tim would be broke, poisoned and facing the hardest choice of his life. "The Years of The Locust" turns a remarkable, riotous true-crime story into a profound examination of fate, choices and remorse - one that's scary, sad and blackly, bleakly funny.
Year of the Locust-Salim Tamari 2015-08-18 Year of the Locust captures in page-turning detail the end of the Ottoman world and a pivotal moment in Palestinian history. In the diaries of Ihsan Hasan al-Turjman (1893–1917), the first ordinary recruit to describe World War I from the Arab side, we follow the misadventures of an Ottoman soldier stationed in Jerusalem. There he occupied himself by dreaming about his future and using family connections to avoid being sent to the Suez. His diaries draw a unique picture of daily life in the besieged city, bringing into sharp focus its communitarian alleys and obliterated neighborhoods, the ongoing political debates, and, most vividly, the voices from its streets—soldiers, peddlers, prostitutes, and vagabonds. Salim Tamari’s indispensable introduction places the diary in its local, regional, and imperial contexts while deftly revising conventional wisdom on the disintegration of the Ottoman Empire.
Year of the Locust in Africa- 1986
The Year of the Locust-David Nixon 1980-03-01
The Locusts' Years-Mary Helen Fee 1912
The Year of the Locust-Mildred Tickfer Childress 2007-03 The Year of the Locust is an autobiographical account of the authors first year following the death of her husband. It is a story of two loves and an abiding faith. It is the hope of the author that it will encourage and inspire other widows to move beyond their grief with a strength that is not their own to joy and fulfillment.

Nathanael West 2010 Traditional Chinese edition of Miss Lonelyhearts. This 1933 publication of Nathanael West's novel about a columnist giving advice to women during the depression era is a dismal failure. But even with The Day of the Locust widely acknowledged as his best, Miss Lonelyhearts is now regarded as West's masterpiece. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.

Nathanael West and John Schlesinger: "The Day of the Locust" - A Survey of the Translation from Novel to Film-Julia Deitermann 2006-09-18 Seminar paper from the year 2001 in the subject American Studies - Comparative Literature, grade: 1,3, University of Augsburg (Lehrstuhl für Amerikanistik), course: Proseminar: Novels of the American Modernism, 9 entries in the bibliography, language: English, abstract: Although Nathanael West's novel The Day of the Locust did not receive much attention when published in 1939, it is today considered one of the best and most revealing novels about Hollywood. Its reviews are outstanding and it has therefore become one of the landmarks in American writing. The Day of the Locust demonstrates the fragility of the American Dream and presents it from various perspectives. It points out the cruel world of film industry using devices of irony and satire. Therefore it resembles a "nightmare vision of humanity
destroyed by its obsession with film”. West took the title of the novel from the Bible. In Revelation, people turn into locusts in order to follow their aim of destroying the whole world. They do not kill immediately, though, but only sting and hurt in order to let their victims die slowly. These locusts can be compared to the film industry in Hollywood which also exploits and slowly kills its people. Besides, in the Bible Jeremiah prophesies a necessary ending of the world which ought to lead mankind to a new life and a rebirth. In the novel, this image is taken up again. This aspect will be thoroughly discussed later, though. The concept of apocalypse can be found throughout the novel and beside violence and decadence, the devaluation of love is a prominent theme, too. West illustrates the moral decay of characters on the fringe of the entertainment industry, that are Homer Simpson, Faye Greener and Tod Hackett. Each character has come to California seeking fame or health in the shining city Los Angeles, and each suffers from his or her own history of desperation and shattered dreams. Producers had already thought about turning West’s novel into a film in the early 1950’s. As they feared that most of the satirical view would get lost, however, the film was not shot until 1974, when the famous director John Schlesinger committed himself to the adaptation. [...]

This survey focuses on the translation from novel to film, compares and contrasts differences, and reveals the different perspectives of the characters. Furthermore, it will both examine the use of film techniques in Schlesinger’s adaptation and the meaning of symbolism in the film. Last but not least, a few commonly invoked critical viewpoints of the film will be discussed.
A Treatise on the Theory and Practice of Landscape Gardening-Andrew Jackson Downing 1855
The Rocky Mountain Locust, Or Grasshopper- 1876
The Interior- 1905 Issues for Jan 12, 1888-Jan. 1889 include monthly "Magazine supplement".
Report of the Commissioner of Agriculture for the Year 1867-US Department of Agriculture 1868
Time of the Locust-Morowa Yejide 2015-10-06 " . . . A novel about an autistic boy whose drawings represent something much deeper than even the doctors who study can grasp; his father, serving 25 to life for murder; his mother, trying to hold herself together and fix her broken child. It's a supernatural journey of crime and punishment, retribution and redemption that ultimately leads to a father saving his son, a mother connecting with her child, and an American family reclaiming itself"--
