Theorizing Regionalism Cooperation Integration And

The International Handbook of Comparative Regionalization: Taigo A. Breit, 2016:414 pages and extensive covering the relevance of regionalization, regionalization, and regional cooperation. Neglecting the major topics, leading authors of the field synthesizing the state of the art, provide a guide to the comparative study of regionalization, and identify future research areas of concern.

Regionalization-Frederick Sastri 2017-03-02 Regionalization has remained prominent in vast research in and in the global marketplace, being termed for many years and decades. Regionalization-Development of the Principles of Regionalization and the Strategy of Regionalization, 2012. While major theories of economic regionalism have been developed in the context of the European Union, the North American Free Trade Agreement (NAFTA), and the World Trade Organization (WTO), the study of regionalization is a relatively new field. This book provides a comprehensive overview of the main themes and debates in regionalization, as well as an understanding of the challenges and opportunities for regional cooperation.

Regionalization and the Politics of Economic Regionalism-K. Cai 2010-01-20 While major theories of economic regionalism in the existing literature have focused on the role of political institutions, economic integration, and trade policies, this book provides a comprehensive overview of the main themes and debates in regionalization, as well as an understanding of the challenges and opportunities for regional cooperation.

Regionalization in East Asia-Fu-Kuo Liu 2003 Regional cooperation and integration have emerged as key issues for East Asia in recent decades. This book provides a comprehensive overview of the main themes and debates in regionalization, as well as an understanding of the challenges and opportunities for regional cooperation.

Theorizing Regionalism Cooperation Integration And

Regional Integration in the Global South-Sebastian Krapohl 2016-11-23 This book presents a theory of economic integration as well as an analysis of the implications of such integration for the development of the Global South. It argues that the success or failure of regional integration in the Global South is a large degree dependent on the nature and scale of regional integration and the kind of political regime in place.

Sequencing Regionalism-Richard E. Baldwin 2010 Theorizing Regionalism: The New Dynamics and Contradictions of a Wide Range of Regionalist Projects in the Contemporary Middle East. Case studies of the most important regional organizations in different policy fields offer comprehensive overviews of the main actors, institutions, historical development and current stages.
