There's A Miracle In Your Mouth: The Empowered Word-Comfort Nko Akor 2017-03-29 The words you speak and proclaim by faith are spirit and life. Inside of you are seeds of greatness and your thoughts must be must be right. If you can speak it by faith, see it; feel it and you will have it. By your words you are justify or condemn. Your words are vital important. God's word carries His power and life. You are so important and precious that God the Father, Son and the Holy Spirit created you and He want to lavish His love on you. When God creates, He creates with precision and purpose. He created lights for a purpose and darkness for another purpose and created man (you) for a purpose. That purpose is for fellowship, to rule over, to reign over, to be responsible, to be master of all, and complete authority over, power over, dominion over the earth. Gen 1:26-28 "26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. 27 So God created man in his own image, in the image of God created he him; male and female created he them. 28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth". (KJV) The starting point of fulfilling God's purpose for anyone therefore, is to be productive. God's highest purpose for you is revealed in this passage as being "to show forth or proclaim the praises of God who called you out of darkness into His marvelous light". To show is to demonstrate or display or express as God's own special people, the praises of God. Your purpose is to declare to people. Announce it to the world the praises of Him. We are therefore primarily made as agents of worship to glorify God our maker. May you live up to God's expectations of His glory being made manifest in every area of your life, in Jesus Name. The Bible says in Eph 1:5 & 11 "we are predestined according to the purpose of Him who works all things after the counsel of his own will". This means that no one can determine his purpose in life by himself because it has been predetermined before the creation of the world and therefore not open to choice. The purpose of every human being in this world is to glorify God. Faith sees beyond the
moment. Faith sees beyond the problem. Faith is not bound to the present but crate room for the future to be realized. Faith focuses on the glorious outcome on the other side of a calamity. Do you think you have missed it beyond repairs? Have faith in God. Do you think that opportunity will never come again? Have faith in God. 1 John 5:4-5 "Every child of God can defeat the world, and our faith is what gives us this victory". (CEV)

You're a Miracle (and a Pain in the Ass)-Mike McHargue 2020-04-28 “Holding brain science in one hand and rich emotional presence in the other, this book feels timely and necessary.”—Shauna Niequist, New York Times bestselling author of Present Over Perfect Why is there such a gap between what you want to do and what you actually do? The host of Ask Science Mike explains why our desires and our real lives are so wildly different—and what you can do to close the gap. For thousands of years, scientists, philosophers, and self-help gurus have wrestled with one of the basic conundrums of human life: Why do we do the things we do? Or, rather, why do we so often not do the things we want to do? As a podcast host whose voice goes out to millions each month, Mike McHargue gets countless emails from people seeking to understand their own misbehavior—why we binge on Netflix when we know taking a walk outside would be better for us, or why we argue politics on Facebook when our real friends live just down the street. Everyone wants to be a good person, but few of us, twenty years into the new millennium, have any idea how to do that. In You're a Miracle (and a Pain in the Ass), McHargue addresses these issues. We like to think we’re in control of our thoughts and decisions, he writes, but science has shown that a host of competing impulses, emotions, and environmental factors are at play in every action we undertake. Touching on his podcast listeners’ most pressing questions, from relationships and ethics to stress and mental health, and sharing some of the biggest triumphs and hardships from his own life, McHargue shows us how some of our qualities that seem most frustrating—including “negative” emotions like sadness, anger, and anxiety—are actually key to helping humans survive and thrive. In doing so, he invites us on a path of self-understanding and, ultimately, self-acceptance. You’re a Miracle (and a Pain in the Ass) is a guided tour through the mystery of human consciousness, showing readers how to live more at peace with themselves in a complex world.

Smith Wigglesworth There Is a Miracle in Your Mouth-Michael H. Yeager 2019-08-27 SMITH WIGGLESWORTH * It is quite clear to me that faith inspires you to pray, but FAITH will COMMAND you to COMMAND. And if you are in the place of real faith when these things come up against you, you will say "Get thee behind me" no matter what it is.* Still, there is not any movement in a dead, dry valley until the word of the Lord is SPOKEN. The bones are dry, very dry and dead. But what does it matter? God has SPOKEN, and the WORD has gone forth. What is it that is SPOKEN? Ah, it is only that the word of God has gone forth through his servant the prophet. " * He spoke the word and the stars came into being. Can He not SPEAK the word that will produce a mighty faith in us? Ah, this One who is the author and finisher of our faith comes and dwells within us, quickens us by His Spirit, and molds us by His will. * Christ word had creative force. He was not living on the line of speculation. He SPOKE, and something happened. He spoke at the beginning and the world came into being. He SPEAKS today, and these things have to come to pass. *"Jesus said, 'Be not afraid, only believe' (Mark 5:36). He SPEAKS the word just in time! Jesus is never behind time." * I feel that if I ever SPEAK, it must be by the Spirit. At the same time remember that the prophet must PROPHESY according to the measure of faith.

Anatomy of a Miracle—Jonathan Miles 2018-03-13 “Funny, bighearted...Miles specializes in giving fully rounded humanity to characters who might elsewhere be treated as stock figures...pitch-perfect.” — New York Times Book Review "Miles is a writer so virtuosic that readers will feel themselves becoming better, more observant people from reading him." — Los Angeles Review of Books A profound new novel about a paralyzed young man’s unexplainable recovery—a stunning exploration of faith, science, mystery, and the meaning of life. Rendered paraplegic after a traumatic event four years ago, Cameron Harris has been living his new existence alongside his sister, Tanya, in their battered Biloxi, Mississippi neighborhood where only half the houses made it through Katrina. One stiflingly hot August afternoon, as Cameron sits waiting for Tanya during their daily run to the Biz-E-Bee convenience store, he suddenly and inexplicably rises up and out of his wheelchair. In the aftermath of this “miracle,” Cameron finds himself a celebrity at the center of a contentious debate about what’s taken place. And when scientists, journalists, and a Vatican investigator start digging, Cameron’s deepest secrets—the key to his injury, to his identity, and, in some eyes, to the nature of his recovery—become increasingly endangered. Was Cameron’s recovery a genuine miracle, or a medical breakthrough? And, finding himself transformed into a symbol, how can he hope to retain his humanity? Brilliantly written as closely observed journalistic reportage and filtered through a wide lens that encompasses the vibrant characters affected by Cameron’s story, Anatomy of a Miracle will be read, championed, and celebrated as a powerful story of our time, and the work of a true literary master.

The Jefferson Bible—Thomas Jefferson 2014-01-05 The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson’s composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson’s great-granddaughter Carolina Randolph for $400. A conservation effort commencing in 2009, in partnership with the museum’s Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

The Position to Receive Miracle from God-Peter Kimathi 2016-05-13 Many Christians confess they are striving to be near God, but this is not enough. God want to be in you. There is cost; this is not just a mere confession. The Shunamite woman in 2 Kings 4:8-17 did extra-ordinary thing: Welcome Elisha, build him a room and eventually received a miracle- son at old age. Many allege she was a lucky woman, then there could be many women listed. This portion of scripture was written to point to us a very vital aspect- there is something she did that attracted God. She did not just sing, "pass me not oh Savior, when you bless others, pass me not". She reacted and this is what is a miss to many who allege God is partial. She created an ideal spiritual environment and received a miracle. This is the position to receive miracle from God.
