Third Base Ain't What It Used To Be What Your Kids Are Learning About Sex Today And How To Teach Them To Become Sexually Healthy Adults

Third Base Ain't what it used to be—Logan Levkoff 2007

Third Base Ain’t what It Used to Be—Logan Levkoff 2012-05-08 Renowned sexologist Dr. Logan Levkoff’s groundbreaking parents’ guide for discussing sex with today’s teenagers “When it comes to sex, most of us are clueless,” writes sexologist and sexuality educator Dr. Logan Levkoff. “Yes, we know how to have sex, but we have no idea how to teach our kids about it.” With the cultural discussion surrounding sex growing increasingly charged, Levkoff’s insightful how-to book equips parents with the tools and perspectives necessary for navigating this complicated landscape and talking about sex with their children in a healthy and productive way. Covering everything from anatomy and puberty to pregnancy and sexually transmitted diseases, Levkoff offers the facts and candid advice that parents can use to bring their values and experiences into the discussion on sexuality.

Working at the Ballpark—Tom Jones 2008-04-17 Offers interviews with fifty-two people who make their living from baseball and provides their incisive, exhilarating, and revealing new look at one of the game’s greatest players in the gloaming of his career. Jeter’s march toward the Hall of Fame has been dignified and certain, but behind that leadership and hero’s grace there are hidden struggles and struggles in the minor leagues, when homesickness and errors in the field threatened a stillborn career, to his heady days as a Yankee superstar and and the enduring symbol of the steroid-free athlete. O’Connor takes us behind the scenes of a legendary baseball life and career, from Jeter’s early number, 2, the next number to be retired by the world’s most famous ball team. Derek Jeter is their hero. He walks in the footsteps of Ruth, Gehrig, and the Brooklyn and Baltimore political machines on a scale almost unimaginable today. Out of this nefarious brew was born the American League, the World Series, and what we know as “modern baseball,” but innocence was irretrievably lost. The fans of Baltimore, in fact, would have to wait more than half a century for the major leagues to return. Where They Ain’t lays bare the all-too-human origins of our national game and offers a cautionary tale of the pastime at a century’s end.

It Ain’t over First Round—Burt Solomon 1999-08-04 Greedy owners, spoiled players, disillusioned fans -- all hallmarks of baseball in the ‘nineties. Only in this case, it’s the 1890s. We may think that business interests dominate the sport today, but baseball’s early years were an even harsher and less sentimental age, when teams were wrenched from their cities, owners colluded and the ballplayers held out, and the National League nearly turned itself into an out-and-out cartel. Where They Ain’t tells the story of that tumultuous time, through the prism of the era’s best team, the legendary Baltimore Orioles, and its best hitter, Wee Willie Keeler, whose motto “Keep your eye clear, and hit ’em where they ain’t” was wise counsel for an underdog in a big man’s world. Under the tutelage of manager Ned Hanlon, the Orioles perfected a style of play known as “scientific baseball,” featuring such innovations as the sacrifice bunt, the hit-and-run, the squeeze play, and the infamous Baltimore chop. The team won three straight pennants from 1894 to 1896 and played the game with snap and ginger. Burr Solomon introduces us to Keeler and his colorful teammates, the men who reinvented baseball -- the fierce third baseman John McGraw, the avuncular catcher Wilbert Robertson, the spunky shortstop Hughy Jennings, and the heartthrob outfielder Joe Kelley, who carried a comb and mirror in his hip pocket to groom himself between batters. But championships and color were not enough for the barons of baseball, who began to consolidate team ownership for the sake of monopoly profits. In 1899, the Orioles’ owners entered into a “syndicate” agreement with the ambitious men who ran the Brooklyn Trolley Dodgers -- with disastrous results. The Orioles were destroyed (and the franchise folded), the city of Baltimore was relegated to minor-league status just when the city’s industries were being swallowed up by national monopolies, and even Willie Keeler, a joyful innocent who wanted only to play ball, ultimately sold out as well. In Solomon’s hands, the story of the Orioles’ demise is a page-turning tale of shifting alliances, broken promises, and backstage maneuvering by Tammany Hall and the Brooklyn and Baltimore political machines on a scale almost unimaginable today. Out of this nefarious brew was born the American League, the World Series, and what we know as “modern baseball,” but innocence was irretrievably lost. The fans of Baltimore, in fact, would have to wait more than half a century for the major leagues to return. Where They Ain’t lays bare the all-too-human origins of our national game and offers a cautionary tale of the pastime at a century’s end.

God Is Alive and Playing Third Base for the Appleton Papermakers—Max Blue 2001-11-30 God is Alive and Playing Third Base for the Appleton Papermakers does not have all the answers needed to make sense of the 20th century and beyond, but with tongue only partly in cheek the book claims to find some solace in a kid’s game played by adults. “Grampa, how did you know it was God playing third base for the Appleton Papermakers?” “Because He could perform miracles.” “What miracles could He perform?” “He could hit Lowell Grosskopf’s curveball.” “That doesn’t sound like a miracle to me.” “That’s because you never tried to hit Lowell Grosskopf’s curveball.”

Lil Zap, Bliz, Rome, Reif and Bookill grow up in the 80s when crack reached its true peek and our souls had been lost to material gain. These friends will give you the Ghetto tour guide that proves the message of love is that he will turn your darkest hour into sunshine when you believe and depend on him. The time period is set in the late 80s early 90s when crack reached its true peak and our souls had been lost to material gain. These friends will give you the Ghetto tour guide that proves the Holy Scripture We dont fight against flesh and blood but principalities and spirits I high places. Let me hear your war cry people because Dream sets it off. Little children afraid of the dark and sick and tired of the Boogie Man stealing their innocence and dreams will gain hope from Dreams story and learn that god has already conquered every boogieman in your life no matter how big or how small. Lil Zap, Bliz, Rome, Reif and Bookill grow up believing that life is what you make it but later learn that the symmetry of storms encountered have been orchestrated and conducted by Gods hand before the foundations of this world. It Aint over First Round is filled with excitement, laughter, love, murder, betrayal and mayhem all the things that make a riveting debut novel. Endurance is the test and faith is the promise of light. The Story of Webster's Third-Herbert C. Morton 1995-05-26 This is the first full account of the controversy surrounding the publication of Webster's Third New International Dictionary in 1961.

The Captain-Ian O'Connor 2011-05-16 Every spring, Little Leaguers across the country mimic his stance and squabble over the right to wear his number, 2, the next number to be retired by the world’s most famous baseball ball team. Derek Jeter is their hero. He walks in the footsteps of Ruth, Gehrig, DiMaggio, and Mantle, and someday his shadow will loom just as large. Yet he has never been the best player in baseball. In fact, he hasn’t always been the best player on his team. But his intangible grace and Jordanesque ability to play big in the biggest of postseason moments make him the face of the modern Yankee dynasty, and of America’s game. In The Captain, best-selling author Ian O’Connor draws on extensive reporting and unique access to Jeter that has spanned some fifteen years to reveal how a biracial kid from Michigan became New York’s most beloved sports figure and the enduring symbol of the steroid-free athlete. O’Connor takes us behind the scenes of a legendary baseball life and career, from Jeter’s early struggles in the minor leagues, when homesickness and errors in the field threatened a stillborn career, to his heady days as a Yankee superstar and prince of the city who squirmed some of the world’s most beautiful women, to his tense battles with former best friend A-rod. We also witness Jeter struggling to come to terms with his declining skills and the declining favor of the only organization he ever wanted to play for, leading to a contentious contract negotiation with the Yankees that left people wondering if Jeter might end his career in a uniform without pinstripes. Derek Jeter’s march toward the Hall of Fame has been dignified and certain, but behind that leadership and hero’s grace there are hidden struggles and complexities that have never been explored, until now. As Jeter closes in on 3,000 hits, a number no Yankee has ever touched, The Captain offers an incisive, exhilarating, and revealing new look at one of the game’s greatest players in the gloaming of his career.

Working at the Ballpark-Tom Jones 2008-04-17 Offers interviews with fifty-two people who make their living from baseball and provides their thoughts on how they arrived at their positions and what their work means to them. Ain’t Nobody That Can Sing Like Me-Jeanetta Calhoun Mish 2010-11-30 Way over yonder in the minor key There ain’t nobody that can sing like me -- Woody Guthrie Originally published as issue #35 of Sugar Mule: A Literary Magazine (www.sugarmule.com), this groundbreaking anthology includes Their thoughts on how they arrived at their positions and what their work means to them. Ain’t Nobody That Can Sing Like Me-Jeanetta Calhoun Mish 2010-11-30 Way over yonder in the minor key There ain’t nobody that can sing like me -- Woody Guthrie Originally published as issue #35 of Sugar Mule: A Literary Magazine (www.sugarmule.com), this groundbreaking anthology includes
Curse? There Ain’t No Stinking Chicago Cub Curse-James Wolfe 2009-12-23 This collection of eleven entertaining, thought-provoking stories about sports and the games people play offers both a male and female perspective on just what’s so funny about the ways we compete. Ain’t the Beer Cold!?-Chuck Thompson 2002-10-07 Hall of Fame broadcaster Chuck Thompson, with the assistance of veteran Associated Press sportswriter Gordon Beard, shares a personal play-by-play account of his celebrated career and life in this newly updated paperback edition of Ain’t the Beer Cold! Since his broadcasting beginnings fresh out of high school in 1939, Thompson has served with the Armed Forces in World War II, relaxed as a one-man audience for a crooning Bing Crosby, and done sportscasting for the Phillies, A’s, Senators, and Orioles. In 1993, Thompson’s broadcasting achievement was honored with a place in the Broadcasters’ Wing of the Baseball Hall of Fame. Here he offers a delightful and insightful perspective on his profession, its people, and its place in the heart of American sports. The American Magazine- 1915 American Magazine- 1915 The Electric Michelangelo-Sarah Hall 2010-12-22 On the windswept front of Morecambe Bay, Cy Parks spends his childhood years first in a guest house for consumptives run by his mother and then as apprentice to alcoholic tattoo-artist Eilot Riley. Thirsty for new experiences, he departs for America and finds himself in the riotous world of the Coney Island boardwalk, where he sets up his own business as ‘The Electric Michelangelo’. In this carnival environment of roller-coasters and freak-shows, Cy becomes enamoured with Grace, a mysterious immigrant and circus performer who commissions him to cover her entire body in tattooed eyes. Hugely atmospheric, exotic and familiar, The Electric Michelangelo is a love story and an exploration of the little bit of seaside resorts on opposite sides of the Atlantic by one of least uniquely talented novelists of her generation. I Ain’t Scared Of You-Bernie Mac 2002-02-17 ‘My granddaddy would get mad at all of us. He couldn’t just get mad at one of us. ‘Ain’t nobody got... You know what? Go to bed! All y’ all, go to bed! ’I’d be like two o’clock in the afternoon. ‘Go to bed!’” Bernie Mac, the royal king of the Original Kings of Comedy, is salty and pissed off. The Chicago-bred performer has issues to get off his chest, and he doesn’t mince words when he lets loose. No surprise, his live appearances have earned him a reputation as perhaps the truest voice of modern humor. Now, Mac has captured his comedic genius in print with his hilarious debut book. Tearing through a wide range of topics with equal parts insight and irreverence, Bernie Mac shares views that may not sit well with everyone -- especially if you’re caught in the crosshairs of his rant’s (“Kids today don’t get the kind of injuries we used to get as children -- cut, bruised. Now, these lil’ muhfuckas just continuously get shot”). Still, his way of looking at the world will probably make you think and it’s all but guaranteed to make you laugh. Taking on superstar athletes, the movie business, his fellow comedians, his marriage, and his friends and family (“You always knew when your grandmother was at home because her wig was on that little Styrofoam stand”), Mac unleashes side-splitting rants on sex, religion, hygiene, mortgages, and more. No topic is off limits in this honest and hilarious look at himself. Throughout I Ain’t Scared Of You, Mac turns his sharp-Wesley Morgan's work on the challenges of the mid-century. Joan Thomas’s “Baseball and America, a Timeless Love Story” muses on the ways in which fans’ relationship with baseball is like that of the lover to the beloved, irrational, forgiving, even maddening but always total. Fourteen other essays on the literature and culture of the game take on topics that include Josh Gibson and Satchel Paige, August Wilson’s Fences, baseball’s long connection with presidents, its even longer connection with tobacco, and the virtue of cheering Chicago’s Cubs. The Clarke County Democrats-Phil Brady 2013-08 “Jesus don’t give a hoot about baseball” -Leonard Cossity Opening Day-Ric Davies 2011-07 This book is not only about baseball, but you will enjoy the drama, romance, sights, sounds, and things all associated with the love of the game. The book will make you long for the days when baseball was America’s game and kids played all day long on a sandlot. It will make you long for the days when being a fan counted and you were proud of your home team and really wanted to be at the home team’s ball park! Author and coach Ric Davies shows his own passion for the game in OPENING DAY and helps you to remember your own! You will enjoy this story and relive a time when this game and all that it represents was truly bigger than life! Intentional Walk-Allen Goodrich 2012-02 Reporter Ray Gorman met baseball player Dixon White in 1971, before he was a star, but that didn’t stop Gorman from seeing star potential. Dixon was the best high school pitcher in the state until a fateful car crash changed his life forever. A few years later, Dixon decides to take a chance and try out for the big leagues. He misses baseball, but more than that, he also wants to help his parents financially. His little brother, Todd, suffers from polio and will need an expensive surgery to live a normal life. Dixon is shocked when he is hired to join the team’s Triple-A affiliate, and Gorman dubs him “The Can’t Miss Kid.” Now Dixon is the hottest prospect in the minors, and with Gorman’s help, he’s front-page news on the “Pittsburgh Gazette.” Soon, however, Dixon’s best intentions get lost in the fray. Unready for the kind of attention and expectations the story brings, he will need to look to his roots and his inner faith to find success while staying true to his family, friends and to himself. To Lead A Good Life… A Wealth of Inspiration, Motivation, and Leadership-Tony Legando 2020-10-25 To Lead a Good Life... is a self-help book, featuring a collection of sixty-two, motivational stories, inspirational essays, and lessons on effective leadership. From cover to cover, it offers unique experiences and valuable lessons from the men and women who have laid the cornerstone of their strengthening principles. The Bingo Long Traveling All-Stars & Motor Kings-Williams Brashier 1993 This marks the twentieth anniversary of the publication of a classic of baseball fiction. William Brashier’s novel is the story of a black barnstorming ball club in 1939, before Jackie Robinson broke baseball’s unofficial color barrier. It was made into a popular film in 1976 that starred James Earl Jones, Billy Dee Williams, and Richard Pryor. This edition includes a new preface by the author and an introduction by Peter Bjarkman that sets the novel in the context both of scholarly literature on the Negro Baseball Leagues and of sports fiction. And the Skipper Bats Cleanup-Fred Stein 2002-04-08 At least as far back as 1842 through about the late 1930s and mid-1940s, before baseball became commercialized and teams were able to hire one man to manage the entire team, it was not uncommon for one person to fill the roles of player and manager simultaneously. Often, the strongest, brightest, or best player—or sometimes the person who owned the playing equipment—directed his teammates. Forty-two of those men who were both players and managers at the same time are profiled in this work. The book leads off with chapters describing what it was like to fill the dual role and how it came about. Then, chapters are devoted to such men as Cap Anson, Connie Mack, Charles Comiskey, John McGraw, Mickey Cochrane, Dave Bancroft, Ty Cobb, Mel Ott, Joe Cronin, and Pete Rose, just to name a few. The 50 Greatest Dodgers Games of All Time-J.P. Hoornstra 2015-05-28 The Dodgers have played more than 10,000 games as a franchise. Their 50 greatest games span two coast and three centuries worth of baseball. They include: • A doubleheader that lasted six and a half innings combined • A single game that featured three teams in a row • A game in which the Dodgers didn’t record a hit – and won • The games in which the single-season and career home run records were broken • Three perfect games and two no-hitters • The longest game in major league history • The first major league game ever televised • A game in which the Dodgers’ pitcher lost consciousness on the field • The games in which the Dodgers’ hit streak ended...
spectators • The first integrated game in major league history The 50 Greatest Dodgers Games features all the best players to don the uniform:
Sandy Koufax, Jackie Robinson, Gibson, Zack Wheat, Fernando Valenzuela, Orel Hershiser, Duke Snider, Roy Campanella, Clayton Kershaw, Steve Garvey, Don Drysdale, Pee Wee Reese and more. It also features some of the unsung heroes of baseball history, like Cookie Lavagetto, Vic Devalillo, Sandy Amoros, Al Gionfriddo and Joe McGinnity. For the first time, their performances are laid side-by-side in this account of the greatest Dodgers games ever played in baseball.

Few and Chosen-Dodgers Snider 2006-04-01 Before curses and quaint ballparks were in vogue, the Brooklyn Dodgers were playing in a beloved old park in front of passionate fans whose hopes were dashed with cruel regularity. The Brooklyn Dodgers couldn’t win the big one, but throughout their fascinating history they always had tremendous talent—which continued after their move to Los Angeles. In Los Angeles, winning the big one became more than just a once-every-half-century event. Zach Wheat, Burleigh Grimes, Jackie Robinson, Sandy Koufax, Gil Hodges, Steve Garvey, Fernando Valenzuela—the list of Dodgers greats is virtually endless. Rating the top five Dodgers of all time at each position would be a daunting task, sure to incite sharp debate among all Dodgers fans, whether their allegiances are to Brooklyn or Los Angeles. Duke Snider, former Dodgers great and Hall of Famer who played on both coasts, has done just that. InFew and Chosen: Defining Dodgers Greatness Across The Eras, he has selected the top five players at each position and the top five Dodgers managers. His compilation evokes cherished memories of one of the richest histories in sports and spotlights the luminous talent that has worn Dodgers blue.

Man on Spikes-Eliot Asinof 1998 Selected as one of baseball literature’s Golden Dozen by Roger Kahn, Man on Spikes is an uncompromisingly realistic look at professional baseball player who struggles through twenty years of personal crises and professional ordeals before finally appearing in a major league game. In a preface to this new edition, Eliot Asinof reveals the longsuffering ballplayer and friend upon which the novel is based. I Live for This!-Bill Plaschke 2009-04-03 An award-winning sportswriter teams up with LA Dodgers manager and Hall of Famer Tommy Lasorda to reveal the secrets of his unlikely success. Tommy Lasorda is baseball’s true immortal and one of its larger than life figures. A former pitcher who was overshadowed by Sandy Koufax, Lasorda went on to a Hall of Fame career as a manager with one of baseball’s most storied franchises. His teams won two World Series, two National League pennants, and eight division titles. He was twice named National League manager of the year and he also led the United States baseball team to the gold medal at the 2000 Summer Olympics. In I Live for This! award-winning sportswriter Bill Plaschke shows us one of baseball’s last living legends as we’ve never seen him before, revealing the man behind the myth, the secrets to his amazing, unlikely success, and his uncompromising opinions on the state of the game. Bravely and brilliantly, I Live for This! dissects the personality to give us the person. By the end we’re left with an indelible portrait of a legend that, if Tommy Lasorda has anything to say about it, we won’t ever forget.

Teaching Hitting-Dirk Baker 2014-12-09 Explanation, demonstration, correction and repetition are essential to the activity of teaching. Successful coaches must be able to effectively and creativity incorporate each of these teaching methods into lessons for their teams. Ideal for any age group, the concepts in this guide help coaches to master these basic principles as they focus on the most important elements of how to teach hitting. Introduced with the author’s own teaching-coaching philosophy, this work offers 21 chapters covering a hitting coach’s every need. When to Start, Bat Size, Grip, Stance, Swing, Drills and Station Work, Bat Speed, Mental Preparation and Confidence, Pinch Hitting and Running a Hitting Clinic are a few examples of the many specific instructional sections included here. There are 137 photographs that supplement the text.

Rivera Flow-Jim H. Ainsworth 2010-04-01 As events push the family into a downward spiral of economic and emotional disaster, Jake fears that the flow has turned against them. But a woman who has lost an infant child, an evangelical preacher, and a young boy who loves baseball but can’t play

...
The Lost Journalism of Ring Lardner reintroduces this journalistic giant and his work and shows Lardner to be the rarest of writers: a spot-on chronicler of his time and place who remains contemporary to subsequent generations.

Railroad Street-William M. Davenport 2010-03 It begins during the early spring of 1940 when two brothers from New York City, who after being charged with a crime that they didn’t commit headed south taking nothing with them except their yankee accents. While hitchhiking near the city of Centerville, North Carolina, One the brothers, was struck by an eighteen wheeler. That brother, who was fourteen, spent the next three months in a Centerville hospital. While there, except for claiming to be Walter Mullins, the young patient steadfastly refused to divulge any additional details regarding his identity? Although Walter’s badly damaged right arm still needed outpatient care, the day arrived when he was well enough to be released from the hospital. Released to whom? Reluctant to turn their lovable penniless ward over to the legal system, the hospital negotiated an alternate solution. About this same time another fourteen year old male patient, who’s family lacked the means to pay their son’s medical bill, was also due to be released. Vance Knight’s family was so thankful for their son’s free appendectomy that when young Vance left the hospital Walter Mullins came home with him. It turned out that Walter’s pseudo adopters and advocates included many of the Knight’s neighbors on Railroad Street and beyond. Extensive behind the scenes efforts aimed at clearing the way for the wayward brothers to reclaim their normal lives soon reached as far as New York. Progress was being made. However, two critical deadlines were rapidly approaching. Walter no long needs outpatient care and/or he attempts to enroll in public school. Either is likely to become the signal for both brothers to move on. Surprisingly, neither deadline generated its anticipated response; setting the stage for the novel’s dramatic ending that will revive the reader’s faith in justice, love and miracles.
