Legs-Angela Lam Turpin 2008-10-09 Trina Kay knows she has it all: a smart, sexy boyfriend and business partner, a closet full of designer clothes, and a multimillion dollar mansion overlooking Silicon Valley. But things spiral out of control once her boyfriend, Tom, puts up a billboard of her legs to advertise their real estate business. Furious with Tom's decision to exploit her body, Trina flees to Sonoma County where her best friend, Val, lives. She plunges into her new life with a fierce determination to succeed by opening her own real estate brokerage and starting to date. Things
don't work out exactly as planned. Trina's living in a luxury apartment she can't afford with bills she can't pay. And the one nice man she's met has driven away before she could get his number. On the brink of bankruptcy, Trina finds a job working for Ms. Lashay at Smart Loans during the beginning of the mortgage crisis. Just when things couldn't get worse, the past threatens to collide with the present, and Trina is forced to make difficult decisions that will change her life and those around her forever.

College Algebra with Applications for Business and Life Sciences-Ron Larson 2012-01-01 COLLEGE ALGEBRA WITH APPLICATIONS FOR BUSINESS AND LIFE SCIENCES, Second Edition, meets the demand for courses that emphasize problem solving, modeling, and real-world applications for business and the life sciences. The authors provide a firm foundation in algebraic concepts, and prompt students to apply their understanding to relevant examples and applications they are likely to encounter in college or in their careers. The program addresses the needs of students at all levels--and in particular those who may have struggled in previous algebra courses--offering an abundance of examples and exercises that reinforce concepts and make learning more dynamic. The early introduction of functions in Chapter 1 ensures compatibility with syllabi and provides a framework for student learning. Instructors can also opt to use graphing technology as a tool for problem solving and for review or retention.
