The Adventures of Louie Daniel Cook. and Finlay the Sun Bear.-Paul Weightman 2014-06-26 This is the story of Master Louie Daniel Cook. This very special six year old boy finds an old book whilst sorting out a lot of old second hand books in his uncle Jack's book shop. Being a very keen reader himself, young Louie reads a passage from this ancient looking publication, what Louie didn't realise, was that the book he was reading, had very magical powers. Suddenly Louie is transported by magic, to a mystical village called Helmsley, in the land of Ryedale. Louise befriends Finlay, who is a Sun Bear. These two companions embark on marvellous and dangerous journey to find the most precious thing in the land of Ryedale. The encounter a wizard, and talking animals. They get captured by strange creatures and elves. Will Louie and Finlay find what they are searching for? And will Louie ever manage to return home to his family? The magical book holds the answers!

Wayfarers-Winfred Cook 2011-07 A life lived in earnest provides one with a moral compass upon which to gauge the parameters of one's inner journey, the source of any lasting fulfillment. Wayfarers gives evidence of the epic miles one may travel when morality transcends the dead-end of mindless dogma and becomes, instead, a conduit to personal happiness. John Johnson, linguist A Scribendi critique Hello Mr. Cook, I read your engaging novel and thoroughly enjoyed it. I found it difficult to put away in the evenings. It was a pleasure to read with its vivid details presented in wonderfully lush descriptive passages. By focusing specifically on a handful of characters, you manage to ensure that the story is not too bogged down in historical details, which could be distracting. The book is well-organized and obviously well thought out. The plot, which is excellent, flows organically from one event to the next, toward the natural conclusion. It's especially interesting how Daniel and Jerry's lives parallel each other throughout the book. The dialogue is so well done. You do an excellent job of capturing the nuances of the characters' speech and their accents. Additionally, you do well at making the dialogue realistic to the characters. For the most part, it seems that each character would naturally say whatever it is you have written for them. Very nicely done! Mr. Cook: I'm the person at WritersLiterary responsible for reviewing your manuscript. I just finished -- and feel compelled to tell you that I think you have a SUPERB writing style, and I love your prose. Russell (Brooklyn, NY)

Louie Daniel Cook, and the Halloween's-Paul Weightman 2014-07-06 Louie and his best friend Finlay find themselves on another magical adventure. This time, it is the time of year when most children look forward to Halloween, it is October and like most children, Louie and Finlay are excited about going out on the evening of Halloween to "Trick or Treat" What they didn't expect, it to be transported into the mystical world of the HALLOWEEN'S. Their adventure is full of danger, can they survive this latest expedition into the world of magic and mystery!

Exploring the Benefits of Creativity in Education, Media, and the Arts-Silton, Nava R. 2016-06-27 The use of imagination can lead to greater outcomes in problem solving, innovation, and critical thinking. Androids, Cyborgs, and Robots in Contemporary Culture and Society-Thompson, Steven John 2017-09-13 Mankind's dependence on artificial intelligence and robotics is increasing rapidly as technology becomes more advanced. Finding a way to seamlessly intertwine these two worlds will help boost productivity in society and aid in a variety of ways in modern civilization. Androids, Cyborgs, and Robots in Contemporary Culture and Society is an essential scholarly resource that delves into the current issues, methodologies, and trends relating to advanced robotic technology in the modern world. Featuring relevant topics that include STEM technologies, brain-controlled androids, biped robots, and media perception, this publication is ideal for engineers, academicians, students, and researchers that would like to stay current with the latest developments in the world of evolving robotics.

Gender and Diversity: Concepts, Methodologies, Tools, and Applications-Management Association, Information Resources 2018-08-03 Today, gender inequality and diversity are at the forefront of discussion, as the issue has become an international concern for politicians, government agencies, social activists, and the general public. Consequently, the need to foster and sustain diversity and inclusiveness in the interactions among various groups of people is relevant today more than ever. Gender and Diversity: Concepts, Methodologies, Tools, and Applications provides a critical look at gender and modern-day discrimination and solutions to creating sustainable diversity across numerous contexts and fields. Highlighting a range of topics such as anti-discrimination measures, workforce diversity, and gender inequality, this multi-volume book is designed for legislators and policy makers, practitioners, academicians, gender studies researchers, and graduate-level students interested in all aspects of gender and diversity studies.

Riding Trains-Daniel Cook 2021-02-23 A fifteen-year-old boy named Jordan, who is lost in the wind, runs away from home to escape the miserable existence he was living. On his journey of riding the rails, he learns how to survive life on the road in a very treacherous world. He discovers a society of free spirits, lost souls, and hostile enemies, who would kill you with the blink of an eye. Bolt is one of those evil beings with his intimidating, purple-tattooed face. And so begins this hallowed adventure for this young street kid named Jordan who is hopping trains, having to watch his back, staying out of the clutches of the railroad bulls, avoiding freezing to death in the bitter cold, and learning who to trust. This is the story of Riding Trains.

Who's who in Black Canada 2-Dawn P. Williams 2006 In this second edition of Who's Who in Black Canada, Dawn Williams updates her tome of Black achievements and success in Canada, with over 730 entries.
