How To Clear The Negative Ego-Joshua Stone 2001-02-07 There is no more important lesson in life to understand, then it is your thoughts that create your reality! Your thoughts create your feelings, emotions, behavior and what you attract and magnetize into your life. Many people think that we see with our eyes. The truth is we see through our consciousness, minds and belief system! There are in truth only two philosophies and feelings and emotions in life. The philosophy and feeling of fear, and the philosophy and feeling of Love. The key to realizing God is to only think and feel from your Love based/Spiritual/Christ/Buddha mind. This is why the Bible states, "Let this mind be in you that was in Christ Jesus!" It is by mastering our mind that all negative feeling and emotions can be released and one can learn to live in self mastery, centeredness, unconditional love, joy, peace, forgiveness, nonjudgmentalness and equanimity at all times!

Expectation Hangover-Christine Hassler 2016-01-15 When our expectations are met and things go according to plan, we feel a sense of accomplishment; we feel safe, in control, and on track. But when life does not live up to our expectations, we end up with an Expectation Hangover. This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively. Christine Hassler has broken down the complex and overwhelming experience of recovering from disappointment into a step-by-step treatment plan. This book reveals the formula for how to process Expectation Hangovers on the emotional, mental, physical, and spiritual levels to immediately ease suffering. Instead of wallowing in regret, self-recrimination, or anger, we can see these experiences as catalysts for profound transformation and doorways that open to possibility. Often it is only when life throws us a curveball (or several) that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a life we love. By the time you finish this book, you’ll understand why your Expectation Hangover happened and have your own treatment plan — a clear course of action to pursue your goals while preventing future disappointment.

Through the Eyes of Love-Shawn Bolz 2019-10-01 “But now faith, hope, love, abide these three; but the greatest of these is love.” -1 Corinthians 13:13 Seeing the world through a lens of love is not
easy, but when you commit to this practice you will begin to see God’s power move in surprising ways. Through the Eyes of Love shows us how operating from a place of love is the most effective way to walk in the Spirit. This book will help you grow in spiritual authority and learn how to speak powerful words. As someone who heard God’s voice at a young age, Shawn has been diligent to continue to seek the Lord’s voice for more than two decades as a sought-after international teacher. In this book, Shawn shares multiple first-person stories of people he has met and spoken to over the years. Whether sitting at a table eating dinner with billionaires or pulling over on the highway to give a construction worker a word of knowledge, Shawn is amazed at how often God wants to speak personally to people, from every area of life. If you pursue spiritual gifts—especially words of knowledge—you will begin to realize that knowing God’s thoughts shifts the lens through which you see people and culture. In fact, being on the receiving end of a direct message from God will open your spiritual eyes. It’s like seeing a color you never knew existed. As you sincerely pray and ask God what He wants to say to your coworkers, your neighbors, and your city, you will be surprised at how often He speaks.

The Eyes of Love-Bass Abrams 2013-11-11 They say that the most purest love of all is your child’s love for you especially between a father and his daughter. This is my story; it’s a true story of struggle, pain and love. It takes you through the trials of being a foreigner and growing up in a
family that looked normal but had a lot of hidden troubles. It takes place in the US and it goes as far back as I can remember and suddenly it all comes crashing down once my love for my daughter reveals all the hurt and disappointment inside of me. I also realize that through her love, I had to face these demons and can come to terms with these feelings in order to give that true love back.”

Love At First Sight-Rebecca Merz 2013-11 After the death of her husband, Rebecca turned to God for everything. She was alone and needed God more than ever. This personal relationship with God became so intense that she experienced Him in ways she never dreamed were possible. Rebecca's journey began when she became convinced God used a man she named Adam to awaken her passion to be a married lady again. When Rebecca shared every little detail of her life with God, she felt certain God orchestrated the funniest situations to give her confidence as she traveled into unknown
territory. She insisted God was being playful with her and wanted her to relax and trust that He was the one that was in control. Those times Rebecca experienced doubt, God did some remarkable things to prove He was with her. As a result she developed a boldness to do what she believed God was asking of her. God always confirmed the decisions she made were the stepping-stones leading to her destiny. She learned God was pleased by her faith that she entrusted to Him alone. God demonstrated two-way communication with Him was not only possible but was necessary in order to turn her dreams into reality. This two-way conversation brought her relationship with God to a deeper level. She knew He had prepared the way that would lead her to her future husband. Rebecca claims God is still in the match making business and is the best dating coach any person could ask for because Father knows best. All proceeds from the sale of this book will go to a mobile ministry that gives women who are facing unplanned pregnancies image clear ultrasounds free of charge. When women are in crisis due to an unwanted pregnancy they need to know that God loved them at "First Sight." Hopefully with knowledge of this truth these women will now be willing to "step out on a maybe" and trust God to work out a solution that begins with them choosing life for the child within.

Resurrecting Chivalry-Mohammed Muflahi 2015-03-04
"Women are thinkers and takers. Men are scorers and breakers. Reality sucks. The truth hurts. Lies appease. The genetic code of each species cannot be changed. The animal in every man is caged. He is happy locked away, behind bars, in his prison of silence. Entice the beast and he’ll murder the prey. Women are the keys to control the fury. If the curiosity of the howling sounds lures them towards the mating call that every wolf seeks to taste, they will ravage the meal. They must keep the doors to that pleasure locked and the beast remains shackled. Women are magnetic fields, emitting a mighty force through the language her body speaks. She walks like the moon and the motion of her sways linger, leaving behind marks on man’s territory. She is beautiful, flawless, hypnotic and perfect. A species with such attributes must be the jewel in the museum, to be admired for her miraculous existence. Displaying the priceless ornament will tempt the insatiable thief to steal and blemish the purity of a unique stone. We are different. To tame the wild nature of man, her distance from the wolf is imperative. Crawling
towards him, with her spineless motives and empty words, pretending to be victual, his hunger will exacerbate and his greed, impossible to control. Women must be modest. That, which is not on show, cannot tempt and that, which cannot tempt will be safe and that, which is safe is protected and secured and out of harm’s way.”

Through Eyes of Love-Kit Rockey-Swain-Baldwin 2019-01-29 This story relates four years in the life of an Illinois woman recently graduated from Purdue University pharmacy school. She leaves her home to fly to a Spanish language school in San Jose, Costa Rica. She is there for four months. LaPaz, Bolivia, is her next stop where she will run a pharmacy in Clinica Americana. She uses many other skills: taking photos of surgeries, works in the office of the nursing school, plays the piano to accompany services at local churches. The high altiplano area near LaPaz gives her the opportunity to see how these people survive with the barest essentials. The women and children tended the sheep and spun the wool into cloth while the men plowed the rocky land with crude wooden plows driven by oxen or horses. Montero, in the jungle area, is where she spent her last year helping an Argentine doctor and two nurses working where there was no medical help for miles. They traveled in an old jeep with their supplies. Her adventures are somewhat comical and at the same time very heart-wrenching.
The Book of Barkley-L. B. Johnson 2014-07-24 L.B. Johnson knew how to get things done. She had been immersed in a world of complex puzzles, and tangled story lines of physical and governmental laws. She was quite sure she was up to the task of raising a black Labrador retriever puppy. His name was Barkley, and in being himself, he led his owner down a path of joyful discovery, loving frustration, and self-sacrifice. Their journey together will speak volumes to anyone who has ever had a beloved animal as a heart’s companion...from the gentle nuzzles that healed in moments of crisis, to the saintly patience needed to deal with a small pink ball with feet, named “Mr. Squeaky,” who interrupted many hours of sleep. It is the story of rambunctious trespasses such as “the bacon incident,” and the loving trust that bound a woman and her dog together in unspoken understanding. The Book of Barkley is a tribute and memoir that will resonate with everyone who has reached out unthinking to pet a beloved animal...only to remember that a beloved friend is no longer present. Honest, transcendent, and beautifully written, The Book of Barkley is a love story that will enrich every animal lover’s library.
