The Little Broomstick-Mary Stewart 2018-04-05 First published 45 years ago, this is a beautiful new edition of Mary Stewart's beloved magical classic illustrated by Shirley Hughes. Don't miss the beautifully animated film adaptation called Mary and the Witch's Flower (by the producer of The Tale of The Princess Kaguya), in cinemas now. 'The little broomstick gave a leap, a violent twist, a kick like the kick of a pony.' Mary's been exiled to her great-aunt, deep in the English countryside. Miserable and lonely, she befriends strange black cat Tib who leads her deep into the forest to an ordinary looking broomstick. Before Mary can gather her wits, the broomstick jumps into action, whisking her over the treetops, above the clouds, and to the grounds of Endor College, school of witchcraft. But something is terribly wrong at Endor. Students are taught spells that are petty and ill-wishing, and when Mary discovers evidence of a terrible and cruel experiment in transformation, she decides to leave. But the moment her broomstick takes off, she realises that Tib the cat has been captured ...
Mary Stewart is the bestselling author of fourteen romantic thrillers, including the classic novels This Rough Magic and The Moon-Spinners, and five historical fantasy novels of Arthurian Britain. The animated film, Mary and the Witch's Flower, will be released in 2018 by Studio Ponoc. The producer, Yoshiaki Nishimura, also produced The Tale of The Princess Kaguya and When Marnie Was There.

Countdown to Action!-Joan Marie Verba 2008-01-01 After his wife dies in a tragic accident, astronaut Jeff Tracy is left with five young sons to raise. But he turns his grief into a dream: to create an organization which will rescue people that no one else can reach. He builds a business which creates the new technology that the organization will require and earns the billions he needs to finance it. At last, he is ready to put it all together. He enlists the services of a genius to design aircraft and supporting machinery far beyond the standards of his time. Together, they find a Pacific island to use as the base for their operations. Jeff asks his five sons, now grown, to give up promising careers to build the base, operate the machines, and serve in his organization. But he finds that in order to make his dream a reality, it will require sacrifice, courage, and determination...far beyond what he, or his sons, ever expected. Can they make International Rescue reality, and what will it take to make the fantastic Thunderbird machines go?
