Tiffany's Table Manners for Teenagers-Walter Hoving 2011-08-09

Here is the perfect little book for anyone—teenage or otherwise—who has ever wanted to master the art of good table manners. Written by Walter Hoving, former chairman of Tiffany's of New York, it is a step-by-step introduction to all the basics, from the moment the meal begins ("It is customary for the young man to help the young lady on his right to be seated") to the time it ends ("Remember that a dinner party is not a funeral, nor has your hostess invited you because she thinks you are in dire need of food. You're there to be entertaining"). In addition to the essentials about silverware, service, and sociability, it includes many of the fine points, too—the correct way to hold a fish fork, how to eat an artichoke properly, and, best of all, how to be a gracious dining companion. Concise, witty, and illustrated with humor and style by Joe Eula, this classic guide to good table manners has delighted readers of all ages for more than 50 years.

All In: Living not Dying with ALS-Chris Benyo 2017-09-18 “You have ALS. There is no cure or known treatment plan. This is a fatal disease. Life expectancy is two to five years. I’m sorry.” These words were spoken to us in a dimly lit doctor's office on December 9, 2010, less than six months after we married. A choice needed to be made at that moment. Die with ALS or Live with ALS and be All In. By the grace of God and Denise's amazing faith we chose to live not die with ALS. This is a story of love, of survival, and running, the sport that united us and enables me to keep the memory of Denise alive. There is a lot to her empty chair as you will discover in these pages. Be inspired by my wife and know our God is with us always.

Privilege-Shamus Rahman Khan 2021-08-17 As one of the most prestigious high schools in the nation, St. Paul's School in Concord, New Hampshire, has long been the exclusive domain of America's wealthiest sons. But times have changed. Today, a new elite of boys and girls is being molded at St. Paul's, one that reflects the hope of openness but also the persistence of inequality. In Privilege, Shamus Khan returns to his alma mater to provide an inside look at an institution that has been the private realm of the elite for the past 150 years. He shows that St. Paul's students continue to learn
what they always have—how to embody privilege. Yet, while students once leveraged the trappings of upper-class entitlement, family connections, and high culture, current St. Paul’s students learn to succeed in a more diverse environment. To be the future leaders of a more democratic world, they must be at ease with everything from highbrow art to everyday life—from Beowulf to Jaws—and view hierarchies as ladders to scale. Through deft portrayals of the relationships among students, faculty, and staff, Khan shows how members of the new elite face the opening of society while still preserving the advantages that allow them to rule.

My Confection-Lisa Kotin 2016-01-05 A funny, candid, and original coming-of-age story told through sugar addiction She doesn’t drink or do drugs, but like millions of other Americans, Lisa Kotin has a substance abuse problem. Kotin is addicted to sugar. My Confection is a darkly funny and candid memoir of where sugar took this teenage mime when she left her San Francisco Bay Area home in pursuit of artistic greatness. From the strict macrobiotic house where she is kicked out for smuggling Snickers, to her early days of Overeaters Anonymous meetings where she is bewildered by the idea of submitting to a higher power, to the stylish shrink who suggests she figure out how many minutes of tennis equal the calories in one jelly donut, to the men she unwraps and consumes like cheap chocolate bars, Kotin careens from romantic disasters to caloric catastrophes. Original and surprisingly affecting, this portrait of a sugar addict has nothing to do with losing weight or getting fit but rather with coming out of the (sugar) closet, finding allies who understand, and learning how to live healthfully, in spite of her compulsion.

Why is Grandma Naked?-Ellen Pober Rittberg 2021-03-27 If you’ve wondered how to get your parent to the bathroom on time a/k/a “getting their rump on the (toilet seat) hump” or puzzled over their bogus explanations why the dings and dents on their car make it resemble a Picasso sculpture or what to do that first time your parents whip off their clothes in front of a large open picture window (“close the curtains”) or cringed over their sudden toddler-like table manners, cringe no more. Instead, laugh out loud and learn what works and doesn’t work to avoid feeling as if you and you loved one suddenly or subtly entered The Twilight Zone. Ellen will cheer you on. Dementia, physical decline and illness don’t have to defeat or even depress you. Yes, stress comes with the territory sometimes but Ellen holds your hand through what is ultimately a satisfying and life-transforming journey and lesson.

Eldercare as Art and Ministry-Irene V. Jackson-Brown 2020-10-16 This book addresses the fact that, despite the inevitability of aging, the vast
majority of us are ill-prepared for eldercare. Eldercare as Art and Ministry broadens and deepens an understanding of eldercare as an art and as a ministry. As art, eldercare requires creativity, imagination, and perseverance. Here, ministry is considered in its fullest meaning, to include guiding, administering, serving, waiting upon, or acting as a loved one's agent. Through stories, lessons, and poignant vignettes, Jackson-Brown calls each one of us—whether young or older, ordained or laity, fortunate or less fortunate, prepared or not—to serve and care for an aging loved one. For lay people and professionals, this book is a guide to navigate the challenges of eldercare and to find meaning in this important work.

The Other Side of Russia—Sharon Hudgins 2004-04-21 Travel to post Soviet Siberia and the Russian Far East with author Sharon Hudgins as she takes readers on a personal adventure through the Asian side of Russia—an area closed to most Westerners and many Russians prior to the 1990s. Even today, few people from the West have ridden the TransSiberian railroad in winter, stood on the frozen surface of Lake Baikal, feasted with the Siberian Buryats, or lived in the "highrise villages" of Vladivostok and Irkutsk. One of the few American women who has lived and worked in this part of the world, Hudgins debunks many of the myths and misconceptions that surround this "other side of Russia." She artfully depicts the details of everyday life, set within their cultural and historical context—local customs, foods, and festivals, as well as urban life, the education system, and the developing market economy in postSoviet Siberia and the Russian Far East. Hudgin's prose shines in her colorful descriptions of multicourse meals washed down with champagne and vodka, often eaten by candlelight when the electricity failed. The author's accounts of hors d'oeuvres made of sea slugs and roulades of raw horse liver will fascinate those with adventurous tastes, while her stories of hosting Spanish, French, and TexMex feasts will come as a surprise to anyone who thinks of Russia as a gastronomic wasteland. Readers of The Other Side of Russia: A Slice of Life in Siberia and the Russian Far East will find themselves among the guests at Christmas parties, New Year's banquets, Easter dinners, and birthday celebrations. They will experience the challenges of living in highrise apartment buildings often lacking water, heat, and electricity. Above all, Asian Russia's natural beauty, thriving cities, and proud people shine from the pages, proving it is not only a land of harsh winters and vast uninhabited spaces, but also home to millions of Russian citizens who live and work in modern metropolises and enjoy a rich cultural and social life.
