Out of the Crazywoods-Cheryl Savageau 2020-05 Out of the Crazywoods is the riveting and insightful story of Abenaki poet Cheryl Savageau's late-life diagnosis of bipolar disorder. Without sensationalizing, she takes the reader inside the experience of a rapid-cycling variant of the disorder, providing a lens through which to understand it and a road map for navigating the illness. The structure of her story--impressionistic, fragmented--is an embodiment of the bipolar experience and a way of perceiving the world. Out of the Crazywoods takes the reader into the euphoria of mania as well as its ugly, agitated rage and into "the lying down of desire" that is depression. Savageau articulates the joy of being consort to a god and the terror of being chased by witchcraft, the sound of voices that are always chattering in your head, the smell of wet ashes that invades your home, the perception that people are moving in slow motion and death lurks at every turnpike, and the feeling of being loved by the universe and despised by everyone you've ever known. Central to the journey out of the Crazywoods is the sensitive child who becomes a poet and writer who finds clarity in her art and a reason to heal in her grandchildren. Her journey reveals the stigma and the social, personal, and economic consequences of the illness but reminds us that the disease is not the person. Grounded in Abenaki culture, Savageau questions cultural definitions of madness and charts a path to recovery through a combination of medications, psychotherapy, and ceremony.

Prophecies, Visions, Occurrences, and Dreams-Raymond Aguilera 2001-01-01 Prophecies, Visions, Occurrences, and Dreams is an apocalyptic book. Since 1990, Raymond Aguilera began to receive prophecies, visions, and warnings form God about the end of our world as we know it. These messages range from abortion, to the New Age movement, to Pastors who have missed the flock. They reveal things to come, things that now are, and things that should not be... From hope, to love, to doom, to a new beginning, herein lies a broad range of insight from a whole new perspective. The prophecies are simple and straight forward, written from a first-hand perspective. They fly in the face of orthodox tradition and are a thorn in the side to everyone who has already made up his mind and heart on how the end is to come and who God is. This has the potential of being one of the most controversial books of the year.

In this, his first original book published in more than six years, Hoagland serves up a literary banquet celebrating his renewed vision. With the penetrating and entrancing prose that has made him one of the most celebrated nature writers working today, he guides us along the full spectrum of a fascinating life -- the painful stuttering of prep-school days to the vagabond existence of his circus months when he trained tigers, from enthralling travels to Antarctica to settling into the luscious surroundings of his home in Vermont. Indeed, "Tigers and Ice" serves full notice of this one-of-a-kind writer at his powerful best, exploring his own life and the natural world with trademark honesty and grace.

Economy, Culture, and Civil War in Sri Lanka—Deborah Winslow 2004-09-02 "Will be of interest to those working on conflict and peace studies, economic development, cultural studies, and women in the modern world. A key new publication." -- Chandra R. de Silva, Old Dominion University "... offers a superb overview of how a civil war, driven by ethnicity, can engender a new culture and a new political economy... Highly recommended." -- Choice Economy, Culture, and Civil War in Sri Lanka provides a lucid and up-to-date interpretation of Sri Lankan society and its 20-year civil conflict. An interdisciplinary examination of the relationship between the economy, broadly defined, and the reproduction of violent conflict, this volume argues that the war is grounded not just in the goals and intentions of the opposing sides, but also in the everyday orientations, experiences, and material practices of all Sri Lankan people. The contributors explore changing political and policy contexts; the effect of long-term conflict on employment opportunities and life choices for rural and urban youth; life histories, memory, and narratives of violence; the "economics of enlisting" and individual decisions about involvement in the war; and nationalism and the moral debate triggered by women's employment in the international garment manufacturing industry. Contributors are Francesca Bremner, Michele Ruth Gamburd, Newton Gunasinghe, Siri T. Hettige, Caitrin Lynch, John M. Richardson, Jr., Amita Shastri, Deborah Winslow, and Michael D. Woost.

Honorary Tiger: The Life of Billy Arjan Singh-Duff—Hart-Davis 2005-12-31 Popularly known as India's
latterday Jim Corbett and ‘tiger man’. 87-year-old Billy Arjan Singh is by any standards an extraordi- nary man. At Tiger Haven, his home in a magical spot on the edge of the jungle in UP, Singh’s experiments with bringing up three orphaned leopards, and also Tara, a tiger cub that he imported from a zoo in England, shot him into both limelight and controversy. His aim was to see if Tara’s instincts would make her revert to the wild when she became mature. They did, and over the years, she produced four litters of cubs, thus proving his contention that it is possible to supplement dwindling wild stocks with zoo-born animals. But when it was discovered that the tigress had Siberian genes in her ancestry, he was accused of having introduced a ‘genetic cocktail’ into the jungle. Undeterred, Singh remained a champion of the forest and its denizens. It was almost entirely due to his advocacy that in 1973 the then Prime Minister, Indira Gandhi, authorized the creation of the Dudhwa National Park. Now, in his eighties, comes recognition for his efforts. In March 2005, he received the J. Paul Getty Wildlife Conservation award - a global honour administered by the World Wildlife Fund, that serves to recognize outstanding contributions in international conservation. In this affectionate biography, the British author Duff Hart-Davis tells the story of a man absolutely dedicated to the cause of animals, who has given fifty years of his own life to their conservation.

From Borneo to Lockerbie-Geoffrey Leeming 2013-06-19 Geoff Leeming belongs to an elite group of helicopter pilots. He describes his flying experiences in under-powered, and by today’s high-tech standards, basic choppers such as the single-engine Whirlwinds and its successor, the Wessex, whether in turbulent tropical conditions, windswept mountains or low level over raging seas. Much of Geoff’s flying career was in Search and Rescue (SAR) calling for the highest flying skills and the coolest of nerves. It fell to the pilot to make life-and-death decisions for both their crews and those they were rescuing. In addition to many great SAR accounts, this book begins with accounts of action in Borneo in the 1960s and ends with Geoff’s fascinating account of his flying involvement in the aftermath of the Pan Am Lockerbie disaster. The result is a medley of cockpit experiences Ôpar excellenceÔ.

Collected Works of Velimir Khlebnikov: Letters and theoretical writings-Велимир Хлебников 1987
Dubbed by his fellow Futurists the "King of Time," Velimir Khlebnikov (1885-1922) spent his entire brief life searching for a new poetic language to express his convictions about the rhythm of history, the correspondence between human behavior and the "language of the stars." The result was a vast body of poetry and prose that has been called hermetic, incomprehensible, even deranged. Of all this tragic generation of Russian poets (including Blok, Esenin, and Mayakovsky), Khlebnikov has been perhaps the most praised and the more censured. This first volume of the Collected Works, an edition sponsored by the Dia Art Foundation, will do much to establish the counterimage of Khlebnikov as an honest, serious writer. The 117 letters published here for the first time in English reveal an ebullient, humane, impractical, but deliberate working artist. We read of the continuing involvement with his family throughout his vagabond life (pleas to his smartest sister, Vera, to break out of the mold, pleas to his scholarly father not to condemn and to send a warm overcoat); the naive pleasure he took in being applauded by other artists; his insistence that a young girl's simple verses be included in one of the typically outrageous Futurist publications of the time; his jealous fury at the appearance in Moscow of the Italian Futurist Marinetti; a first draft of his famous zoo poem ("O Garden of Animals"); his seriocomic but ultimately shattering efforts to be released from army service; his inexhaustibly courageous confrontation with his own disease and excruciating poverty; and always his deadly earnest attempt to make sense of numbers, language, suffering, politics, and the exigencies of publication. The theoretical writings presented here are even more important than the letters to an understanding of Khlebnikov's creative output. In the scientific articles written before 1910, we discern foreshadowings of major patterns of later poetic work. In the pan-Slavic proclamations of 1908-1914, we find explicit connections between cultural roots and linguistic ramifications. In the semantic excursuses beginning in 1915, we can see Khlebnikov's experiments with consonants, nouns, and definitions spelled out in accessible, if arid, form. The essays of 1916-1922 take us into the future of Planet Earth, visions of universal order and accomplishment that no longer seem so farfetched but indeed resonate for modern readers.

The Sacred Writings of the East - 5 Books in One Edition-Edwin Arnold 2017-11-15 The Light of Asia, subtitled The Great Renunciation, is in form of a narrative poem. The book endeavors to describe the life and time of Prince Gautama Siddhartha, who after attaining enlightenment became The Buddha, The Awakened One. The book presents his life, character, and philosophy, in a series of verses. It is a free adaptation of the Lalitavistara. A few decades before the book's publication, very little was known outside Asia about the Buddha and Buddhism, the religion which he founded, and which had existed for about twenty-five centuries. Arnold's book was one of the first successful attempts to popularize Buddhism for a Western readership. The Bhagavad Gita is a 700-verse Hindu scripture in Sanskrit that is part of the Hindu epic Mahabharata. Contents: The Light of Asia The Song Celestial or Bhagavad-Gita (from the Mahâbhârata) The Essence of Buddhism Hindu Literature: Comprising The Book of good counsels, Nala and Damayanti Indian Poetry: The Indian Song of Songs (Hymn to Vishnu -11 Sargas) Miscellaneous Oriental Poems: The Rajpoot Wife King Saladin The Caliph's Draught Hindoo Funeral Song Song of the Serpent-charmers Song of the Flour-mill Taza ba Taza The Mussulman Paradise Dedication of a Poem From the Sanskrit The Rajah's Ride Two Books From The Iliad Of India "The Great Journey." "The Entry Into Heaven." "Night of Slaughter." The Morning Prayer. Proverbial Wisdom From the Shlokas of the Hitopadeśa... Edwin Arnold (1832-1904) was an English poet and journalist. The literary task which he set before him was the interpretation in English verse of the life and philosophy of the East.

Golf's Holy War-Brett Cyrgalis 2021-05-18 As Michael Lewis’s bestseller Moneyball captured baseball at a technological turning point, this “highly entertaining, very smart book” (James Patterson) takes us inside golf’s clash between its hallowed artistic tradition and its scientific future. The world of golf is at a crossroads. As technological innovations displace traditional philosophies, the golfing community has splintered into two deeply combative factions: the old-school teachers and players who believe in feel, artistry, and imagination, and the technical minded who want to remake the game around data. In Golf’s Holy War, “an obvious hole-in-one for golfers and their coaches” (Publishers Weekly, starred review), Brett Cyrgalis takes us inside the heated battle playing out from weekend hackers to PGA Tour pros. At the Titleist Performance Institute in Oceanside, California, golfers clad in full-body sensors target weaknesses in their biomechanics, while others take part in mental exercises designed to test their brain’s psychological resilience. Meanwhile, coaches like Michael Hebron purge golfers of all technical information, tapping into the power of intuitive physical learning by playing rudimentary games. From historic St. Andrews to manicured Augusta, experimental communes in California to corporatized conferences in Orlando, William James to Ben Hogan to theoretical physics, the factions of the spiritual and technical push to redefine the boundaries of the game. And yet what does it say that Tiger Woods has orchestrated one of the greatest comebacks in sports history without the aid of a formal coach? But Golf’s Holy War is more than just a book about golf—it’s a story about modern life and how we are torn between resisting and embracing the changes brought about by the advancements of science and technology. It’s also an exploration of historical legacies, the enriching bonds of education, and the many interpretations of reality.

Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality | Bhagwat Geeta-SIR EDWIN ARNOLD 2021-01-18 ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ THE FAVORITE and now venerable English poet, Edwin Arnold, showed his skill in smooth and lucid verse early in life. In 1852, when twenty years of age, he won the Newdigate Prize at Oxford for a poem, 'The Feast of Belshazzar.' Two years later, after graduation with honors, he was named second master of Edward the Sixth’s School at Birmingham; and, a few years subsequent, principal of the Government Sanskrit College at Poona.
India. In 1856 he published ‘Griselda, a Tragedy’; and after his return to London in 1861, translations from the Greek of Herodotus and the Sanskrit of the Indian classic ‘Hitopadeça,’ the latter under the name of ‘The Book of Good Counsels.’ ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ There followed from his pen ‘Education in India’; ‘A History of the Administration in India under the Late Marquis of Dalhousie’ (1862–64); and ‘The Poets of Greece,’ a collection of fine passages (1869). In addition to his other labors, he has been one of the editors-in-chief of the London Daily Telegraph. 1 Saturated with the Orient, familiar with every aspect of its civilization, moral and religious life, history, and feeling, Sir Edwin’s literary work has attested to his knowledge in a large number of smaller poetical productions, and a group of religious epics of long and impressive extent. Chief among them rank that on the life and teachings of Buddha, ‘The Light of Asia; or, The Great Renunciation’ (1879). ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ It has passed through more than eighty editions in this country and almost as many in England. In recognition of this work, Mr. Arnold was decorated by the King of Siam with the Order of the White Elephant. Two years after its appearance he published ‘Mahābhārata,’ ‘Indian Idylls,’ and in 1883, ‘Pearls of the Faith; or, Islam’s Rosary Being the Ninety-nine Beautiful Names of Allah, with Comments in Verse from Various Oriental Sources.’ ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ In 1886 the Sultan conferred on him the Imperial Order of Osmani, and in 1888 he was created Knight Commander of the Indian Empire by Queen Victoria. ‘Sa’di in the Garden; or, The Book of Love’ (1888), a poem turning on a part of the ‘Bōstān’ of the Persian poet Sa’di, brought Sir Edwin the Order of the Lion and Sun from the Shah of Persia. ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ In 1895, the ‘Queen’s Justice’ (1899) was dedicated to his Japanese wife. ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ He died in March 1904. 2 ‘The Light of Asia,’ the most successful of his works, attracted instant attention on its appearance, as a novelty of rich Indian local color. In substance, it is a graceful and dramatic paraphrase of the mass of more or less legendary tales of the life and spiritual career of the Buddha, Prince Gautama, and a summary of the principles of the great religious system originating with him. It is lavishly embellished with Indian allusions and expresses incidentally the very spirit of the East. In numerous cantos, proceeding from episode to episode of its mystical hero’s career, its effect is that of a loftily ethical, picturesque, and fascinating biography, in highly polished verse. ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ The meter selected is a graceful and dignified one, especially associated with ‘Paradise Lost’ and other of the foremost classics of English verse. Sir Edwin says of the poem in his preface, “I have sought, by the medium of an imaginary Buddhist votary, to depict the life and character and indicate the philosophy of that noble hero and reformer, Prince Gautama of India, the founder of Buddhism;” and the poet has admirably if most flatteringly, succeeded. The poem has been printed in innumerable cheap editions as well as that deluxe; and while it has been criticized as too complaisant a study of even primitive Buddhism, it is beyond doubt a lyrical tract of eminent utility as well as seductive charm. ♥♥ Bhagavad-gita As It Is | Bhagwat Gita Classics of Indian Spirituality (Life Nothing without Krishna) by SIR EDWIN ARNOLD ♥♥ The Jungle Book-Rudyard Kipling 2016-08-23 A children’s classic, featuring Mowgli, the Indian boy brought up by wolves in the jungle, his companions, Baloo and Bagheera, and his enemy, Shere
