She intends to build a new life for herself and never again to depend on a man. In an inescapable twist of fate, the driver, Sam Nicholson, is the architect. Trapped in a loveless marriage, his creativity stifled by his wife's demands, and wishing for another life, Sam finds in Leonie a talented collaborator and an understanding listener. Until the End of Time-Brian Greene 2020-02-18 From the world-renowned physicist and bestselling author of The Elegant Universe and The Fabric of the Cosmos, a captivating exploration of deep time and humanity's search for purpose In both time and space, the cosmos is astoundingly vast, and yet is governed by simple, elegant, universal mathematical laws. On this cosmic timeline, our human era is spectacular but fleeting. Someday, we know, we will all die. And, we know, so too will the universe itself. Until the End of Time is Brian Greene's breathtaking new exploration of the cosmos and our quest to understand it. Greene takes us on a journey across time, from our most refined understanding of the universe's beginning, to the closest science can take us to the very end. He explores how life and mind emerged from the initial chaos, and how our minds, in coming to understand their own impermanence, seek in different ways to give meaning to experience: in story, myth, religion, creative expression, science, the quest for truth, and our longing for the timeless, or eternal. Through a series of nested stories that explain distinct but interwoven layers of reality—from the quantum mechanics to consciousness to black holes—Greene provides us with a clearer sense of how we came to be, a finer picture of where we are now, and a firmer understanding of where we are headed. Yet all this understanding, which arose with the emergence of life, will dissolve with its conclusion. Which leaves us with one realization: during our brief moment in the sun, we are tasked with the charge of finding our own meaning. Let us embark.

Until the End of Time - Stan Rogers 2011-06 I like to examine the dark side of life through my writing. Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side. This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside. Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children's stories. So please read my Anthology. It will make you smile I hope as well as make you cry. I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL. I always point out that it is not a science fiction novel as such. There are no time machines, aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life.

God’s Redeeming Plan - William Edward Dewberry 2011-06-24 This book is about the hope of mankind for a more satisfying and meaningful life based on the knowledge of God and Christ. A better understanding of the Word of God results in producing faith, hope, and love in the hearts of readers and believers. The complete Word of God revealed in the Bible is believed and practiced by millions. This book is written in language that is easy to understand and reveals the mystery of salvation for everyone. Author William Edward Dewberry hopes to give a comprehensible view of God's plan that will lead readers to examine the Holy Scriptures more thoroughly and become better acquainted with the plan of God that is able to lead a person to salvation through their faith in Christ. The word is near you, in your mouth and in your heart (that is, the word of faith that we preach) that if you confess with your mouth the Lord Jesus and believe in your heart that God raised Him from the dead, you will be saved. For whoever calls on the name of the Lord shall be saved. (Romans 10) This book explains the redeeming plan of God, the great benefits of believing, and the dire consequences of ignoring the Creator and His Son, Jesus Christ. It explains God's plan from the day of creation to the day that the earth and everything in it will be destroyed by extreme heat. But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up. Therefore since all these things will be dissolved, what manner of persons ought you to be in holy conduct and godliness. (2nd Peter 3:10-11)
