A Heart for the Community—John Fuder 2009-05-01 Islam, gentrification, AIDS, and multiculturalism: Where do we face these realities? A few years ago, it was in the city. But today, many city dwellers are moving to the suburbs, either by choice or because of circumstances beyond their control. And this shift is changing both the urban and suburban landscape. With this shift in mind, editors, John Fuder and Noel Castellanos, have gathered together a team of experts to help you minister effectively in both the urban and suburban context. Divided into four sections, Critical Issues, Church-Planting Models, Ministering to Suburban Needs, and Para-Church Ministries, A Heart for the Community is a rich resource designed to help you do ministry today.

The Mother Church—John C. Bangs 2010-07-22 It would be reasonable to estimate that multiple hundreds of thousands of people have become followers of Jesus Christ as a result of the modern church-planting movement. One characteristic of the literature of this movement has been an almost singular focus on the individual who is sent out to lead the new congregation, rather than on the vital role of the sending or sponsoring church. Practically all the books are written with one target in mind: this individual leader, the pioneer pastor, usually referred to as the “church planter.” The Mother Church is not written for pioneer pastors; it is written for the leaders of potential mother churches. It is designed to help leaders assess whether and when the birthing of a new church is a good idea for their congregation and to provide them with tools to birth and nurture healthy,
thriving, life-giving new churches. “Church leaders who desire to see their mission efforts survive and thrive need to give special attention to the hard-won insights of John Bangs’ The Mother Church. Bangs is not only a mission planter and pastor, but he brings the broader view of a church-planting leader ...” —Charles J. Scalise, Ph.D., Professor of Church History, Fuller Theological Seminary “The Mother Church will revolutionize the way we view and do birthing of mission churches.” —Kent J. Ingle, D.Min., Dean, College of Ministry, Northwest University
An Immovable Feast-Tyler Blanski 2018-03-14 A winsome, beautifully written, page-turning read of a modern spiritual journey. This is the colorful story of one man's religious path that begins with a fundamentalist Baptist childhood to an adolescence in emergent church spirituality. He moves on through hipster years as a house painter and musician, then marries and enters a seminary in Wisconsin. After years of wearing a black cassock and preparing to be an Anglican priest, and his final bold decision of joining the Catholic Church, Tyler Blanski's tale does not reject suitors of religion, but seduces them. An Immovable Feast is a profound love story told with humor, wisdom and bite. A fresh breeze blows through it, one that perhaps hasn't blown through Christian conversation in a long time. Blanski reminds us that religion is not dead because it is not mortal. It is the liturgy of heaven...on earth.
The Multiplying Church-Bob Roberts Jr. 2009-05-26 The Multiplying Church is a primer for pastors and lay leaders involved in, or wanting to learn about, the church multiplication groundswell in North America. It shows how multiplying churches should be a natural, regular function of every church to reach the 70 percent of Americans who have no meaningful church relationship. Detailing the stories and guiding principles of this dramatic growth, this guide offers insight on: • Why churches are multiplying in the East but not in the West • Keys to church multiplication • The missing...

Gospel and Culture: Finding Ways To Engage The Culture With God’s Enduring Message of Hope-
Michael Gunn 2019-04-05 How has the culture affected the gospel of Jesus Christ, and how has that affected the witness of the church in the 21st century? This book intends to address those questions and then work toward a healthy correction to recapture the truth of the gospel, and the glory of God, and help people engage the culture instead of separating from it.

Women, Leadership, and the Bible-Natalie R. Wilson Eastman 2014-05-16 What do you believe about women’s roles in church leadership? Should women lead groups that include men? Should women preach? Should women be ordained? More importantly, why do you believe what you believe? Plenty of books exist telling women what to think; precious few help women think for themselves, particularly about theological issues. Women, Leadership, and the Bible helps women learn to interpret the Bible and discern for themselves answers to their questions about women's roles in the church, along with any other issue they may face in life. In straightforward, plain language, Dr. Natalie Eastman introduces women to a five-step, easy-to-follow process for studying the Bible and
interpreting what they study. This book encourages women that they can think for themselves and can analyze significant theological issues, despite any hesitations they may have, any conflict surrounding an issue, or any lack of theological training. By the time readers finish this book, they will have a biblically defendable, theologically reasoned, and thoroughly discerned understanding of what they believe Scripture says about women's roles and how that understanding could play out within the church. No longer will they feel as though they have nothing to contribute when the subject of women's roles--or any other of life's theological questions--arises.
