The Time of My Life-Patrick Swayze 2009-10-01

In January 2008, movie star Patrick Swayze was given the worst news of his life. What he hoped was just a stomach ache was actually stage four pancreatic cancer, a diagnosis that is fatal within a year for 79% of the people to whom it is given. Remarkably, Patrick is not just alive a year later but continuing his treatment, and responding well. But this book isn't just the story of Patrick's fight against cancer. In the public eye from the early 1980s, this is the story of a remarkable life and career. Intended as a low budget, straight-to-video production, Dirty Dancing became a cult hit and remains one of the most enduring films of the 80s. Ghost cemented Patrick as a hugely bankable star, in a role that has had a considerable cultural impact. Most recently Patrick has returned to the public's adoring arms in TV's The Beast. This book will chronicle Patrick's personal life as well -- including his treatment for alcoholism following the death of his father and sister's sudden death. What has remained a constant in Patrick's life is his marriage and Patrick and Lisa's love story is inspiring, honest, heartfelt and transcends the typical celebrity marriage. This is a book that anyone who has faced cancer or a terminal illness can turn to: Lisa and Patrick have shown the world that cancer isn't just a diagnosis given to one individual, but a disease that can bring a household together or pull a family apart. Bold, honest and inspiring, Patrick Swayze's memoir is the story of a remarkable man's life and career and of his refusal to give in.

Worth Fighting For-Lisa Niemi Swayze 2012-01-05

Lisa Niemi and Patrick Swayze first met as teenagers at his mother's dance studio. He was older and just a bit cocky; she was the gorgeous waif who refused to worship the ground he walked on. It didn't take long for them to fall in love. Their thirty-four year marriage -- which they explored together in The Time of My Life -- was a
uniquely passionate partnership. Now, for the first time, Lisa will share what it was like to care for her husband as he battled Stage IV pancreatic cancer, and will describe his last days when she simply tried to keep him comfortable. She writes searingly about her grief in the aftermath of Patrick's death, and candidly discusses the challenges that the past fourteen months without him have posed. But while this is an emotionally honest and unflinching depiction of illness, death, and loss, it is also a hopeful and life-affirming exploration of the power of the human spirit. Lisa shows that no matter how dark the prospect of another day may seem, there are always reserves of strength to call upon, and the love shared between two people will never truly die.

The Dance Dragon: Dan Logan 2017-05-30
Soap-Janice Young 2017-08-31

For more than one-third of my life, I didn’t know who I was – even when I felt sure of myself. I had rebelled against my own expectations of who I am. I was a young helpless romantic, tenacious about what I wanted, but also a protector by nature. It was in the spring of 1977 when I decided to slow down and solidify my life by taking it more seriously. I wasn’t living up to my potential. I was involved in crime and drugs, but was finally tired of living a lie. I was ready to close the first half of my book about my past – to start a new chapter in a new direction. With thanks to a neighborhood priest, Frank Quinlivan, contacted a battered women’s shelter, the Siena House in Omaha, Nebraska, on my behalf. Sister Beth Daddio was the founder of the Siena House with the help of other nuns. My pastime have been in writing poetry for the last twenty years. I write poetry about the things that matter to me. Although writing poetry is a passion, I realized that perhaps my book may help others to find the courage to change their direction, and still include my poetry. The more I wrote, the more I tried pulling back; especially having been self-destructive, and irresponsible. So, it was difficult to write this book. But if I could help others to
understand how and why they found themselves gravitated into situations with adversity, they too can cleanse their thoughts; change their direction for a better life – helping them would be most gratifying for me.

A True Story... How I Survived My Life with a Psychopath-
Jacquelyn White 2014-09-11 This is an Autobiography written by an average person, living an extraordinary life. Jacquelyn tells this story in a very unique and compelling style of writing which leaves the reader unable to put the book down as they wonder, "Then what happens?" It is an amazing tale of survival as Jacquelyn moves heaven and earth in an unbelievable battle for her freedom. To actually become, "free" she almost loses her life and must sacrifice all she has. This is a story of a mother's unconditional love for her children. The children she is willing to die to protect, as she overcomes the chains that bind her. It is a tale of hope and leaves the reader with a deep appreciation for their own journey and a new found inspiration for living. The story is made all the more powerful by the legal evidence she has provided in the book to support her claims. This evidence has been fully admitted to in court and is now a matter of public record. The recorded evidence is chilling as it gives a rare insight into the mind of a monster, as it is written in his very own hand writing on his business letter head. Jacquelyn also offers a detailed insight into the systems that she and many others have had to navigate through. This book may help to change some of the laws surrounding these issues. Powerfully moving, deeply engaging and written with raw honesty, this book is well worth the read. This book will be marketed to the millions of people screaming for change, awareness and insight to bring safety and justice to our world. Women and Romance-Susan Ostrov Weisser 2001-07-01 Romantic love has challenged and vexed feminist thought from its origins. Judging from the shelves of books advising women on love
problems, there seems to be an ongoing difficulty in maintaining equality in romantic relationships. Does romance weaken or empower women? Why do women seem overwhelmingly attracted to romantic love in spite of raised consciousness in other areas of life that is a legacy of feminism? Have women always been seen as the sex which most seeks love and is best suited for love? These are some of the questions Women and Romance: A Reader seeks to address in bringing together a collection of texts specifically focused on the subject of women's conflicted but powerful urge to experience the pleasure and endure the pain of romantic love. The first anthology of its kind, Women and Romance includes historical as well as contemporary selections, personal letters as well as theoretical essays, and social science perspectives as well as literary criticism of the novel and the popular mass-market romance. Wiesser lays out in systematic order for the first time the varying viewpoints and conflicted history of feminist views on romance, from Mary Wollstonecraft and Emma Goldman to Germaine Greer and Lillian Faderman. Introductions to each entry and section clarify the emerging themes of each era and of separate disciplines, while representing the views of traditionalists and anti-romance second-wave feminists alike. Contributors include: Charlotte Bronte, Barbara Bross, Eliza Southgate Bowne, Rita Mae Brown, Andreas Capellanus, Patricia Hill Collins, Simone de Beauvoir, Christine Delphy, Emily Dickinson, George Eliot, Lillian Faderman, Shulamith Firestone, Moderata Fonte, Mary Gaitskill, Charlotte Perkins Gilman, Emma Goldman, Vivian Gornick, Germaine Greer, Lynne Harne, bell hooks, Karen Horney, Carolyn Heilbrun, Audre Lorde, Tania Modleski, Gloria Naylor, Mary Poovey, Janice Radway, William Robinson, Jean-Jacques Rousseau, Jane Rule, Barbara Ryan, Ann Snitow, Elizabeth Cady Stanton, Gloria Steinem, Mary Wollstonecraft, Victoria Woodhull, Virginia Woolf. NO POT, NO WINDOW Or ?How I Changed My Life from Sour Lemons to Sweet Lemonade?-Mary Burton King 2010-05-24 No Pot, No Window is a true story about my life starting in the year 1951 when I was born in Marshall, Texas, to poor, uneducated parents. This book is intended to be a motivator and inspiration to all the people struggling to survive financially as I did for the majority of my life. The expression ?no pot, no window? means you are so poor that you don?t have a pot to pee in or a window to throw it out. I believe poverty, lack of education, a negative home environment, alcohol and/or drug abuse, bad judgment, a single parent home, disease/illness, and sometimes just plain bad luck keeps the syndrome of ?no pot, no window? perpetuating generation after generation. My abusive alcoholic father abandoned my two sisters and me when I was nine years old, and
my codependent mother was absent from my life for many years. After my father left and my parents divorced, my mother spent the rest of her life looking for another husband to support her. She was married nine times and never did find her Prince Charming, just another drunk she met at a bar and dragged home. When I was ten years old, my mother sent my two sisters and me to live with her parents for over three years, and during this period she was completely absent from our lives. My maternal grandparents, who were survivors of the Great Depression of 1929, were very tight with their money and affection. They really did not want to raise three young children but decided we would be a valuable asset as farmhands on their five-acre farm. My mother came back into my life when I was thirteen years old and the saga of stepfathers began. At the age of sixteen, I had a job, a car, and was self-sufficient. Unfortunately, I was also a juvenile delinquent because I had little or no parental supervision. For lack of any other options, I joined the military in 1969, during the height of the Vietnam War, and began the long journey of becoming an adult. Due to my immaturity and poor judgment, I was married and divorced three times before the age of thirty and became a single parent to my only child. When I was thirty-two years old, I was diagnosed with Stage II breast cancer and spent the next five years struggling to stay alive physically and financially. With the assistance of the military, I was able to obtain my bachelor of arts degree from the University of Mississippi in 1982 and a masters of forensic science from George Washington University in 1986. After twenty-one years of active duty service, I subsequently retired as a lieutenant from the United States Navy in 1993. I refused to accept and was able to overcome the ?no pot, no window? plight because of my perseverance, hard work, and most importantly, advanced education. I changed my life from sour lemons to sweet lemonade!

Risky Business-R. Serge Denisoff 2011-12-31 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century. Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff’s pioneering observations of this relationship. Prior to Saturday Night Fever rock music had a limited role in the motion picture business. That movie’s success, and the success of its soundtrack, began to change the silver screen. In 1983, with Flashdance, the situation drastically evolved and by 1984, ten soundtracks, many in the pop/rock genre, were certified platinum. Choosing which rock scores to discuss in this book was a challenging task. The authors made selections from seminal films such as The Graduate, Easy Rider, American Grafitti, Saturday Night Fever, Help!, and Dirty Dancing. However, many productions of the period are significant not because of their success, but because of their box office and record store failures. Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century. This book is essential for those interested in communications, popular culture, and social change.
