1 & 2 Timothy and Titus-Pete Sommer 2001-07-03

As young church leaders, Timothy and Titus faced daunting challenges. But Paul encouraged them to put aside timidity and insecurity, and to find strength in Christ. In this eleven-session LifeGuide® Bible Study, Pete Sommer guides you into study of these letters, also helping you find the support you need to follow through in obedience to God’s Word.

The Biblical Counseling Movement after Adams (Foreword by David Powlison)-Heath Lambert 2011-11-02

People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison. But, as any student or teacher of the discipline can attest, those differences have been ill-defined and largely anecdotal until now. Heath Lambert, the first scholar to analyze the movement’s development from within, shows how biblical counseling emerged from, and remains rooted in, a commitment to the sufficiency of Scripture and the need to give practical help to struggling people. He identifies contemporary leaders—including Powlison, Ed Welch, Paul Tripp, and Wayne Mack—who emphasize the sinner as sufferer, the heart as key to motivation, and the need to interact humbly with critics. Demonstrating how these refinements in framework, methodology, and engagement style are characteristic of a second generation of biblical counselors, Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods. With a substantial foreword from David Powlison and strong support from prominent biblical counselors, this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced.

Christ’s Under-Shepherds-Leo Douma 2016-05-25

The calling of elders is to be “shepherds of God’s flock.” Yet across the world elders are struggling to do that well. This very practical investigation identifies the obstacles to pastoral care from the side of the clergy, the elders, and the people themselves. A practical way forward is developed using an approach that enables the local elders themselves to find a solution.

Be Faithful-Warren W. Wiersbe 2009

Readers will come to a better understanding of the church’s role and their own place in the body of Christ, and they will be prepared for the inevitable difficulties of the journey—all while looking forward to a sure reward in heaven.

1 & 2 Timothy and Titus-A Writer and the Word 2020-01-24

SCRIPTURE FIRST - The goal of studying Scripture is to let Scripture speak. We all need to be careful what we bring into our study (our culture, our preconceptions, our bias). The process of exegesis is controlled enough for us to allow Scripture to speak on its own. Exegesis deals in the original historical context, the literary context, and the theological meaning within the text itself. AN UNBIASED STUDY GUIDE - The goal if this specific workbook is to provide an unbiased framework for exegesis of the biblical text. Throughout the workbook, you’ll work through each book of the Bible, passage-by-passage, looking at the cultural context, literary context, and genre. You’ll trace the outline of each book, follow the flow of argument, and connect repeated words and phrases. But, I’ve kept the study guide free of bias and tradition to allow Scripture to speak on it’s own. SIMPLE FORMAT - I kept these guides super simple and minimal. There’s enough of a template and framework in each passage to give you
the bones to build off of, but the books require you to do some serious study. You can forge a path on your own with just Scripture. You can consult commentaries and resources. You can use your study guide to follow along expositionally with your pastor or a podcast. But, this book will require you to put in some work to get the most out of it. This book covers 1 Timothy, 2 Timothy, and Titus, both book overviews and individual passages. Resources are included in the back to aid in your research and study. This book is approx 6x9.

The Wiersbe Bible Study Series: 1 & 2 Timothy, Titus, Philemon-Warren W. Wiersbe 2012-11-05 The Christian life is not easy. Whether we're walking out our faith, sharing the gospel, or helping in ministry, we can become discouraged as we strive to live for Christ. The apostle Paul understood that believers would always face challenges, obstacles, and setbacks. The books of 1 & 2 Timothy, Titus, and Philemon offer a wealth of encouragement for every Christian, and share an underlying, powerful theme: Never give up! The Wiersbe Bible Study Series explores timeless wisdom found in God's Word. Based on Dr. Warren W. Wiersbe's popular "BE" series, each study provides topical, relevant insights from selected books of the Bible. Designed for small groups, this eight-week study features excerpts from Be Faithful, engaging questions, and practical applications, all designed to help you connect God's Word with your life.

Be Faithful (1 & 2 Timothy, Titus, Philemon)-Warren W. Wiersbe 2009-01-01 In a fast-paced, technology-based era where drive-thrus, cell phones, laptops, and Internet banking are the norm, it's sometimes hard to fathom that God doesn't appreciate our frail attempts at spiritual shortcuts. Through the pastoral epistles, 1 and 2 Timothy and Titus, with insight from Paul's letter to Philemon as well, Dr. Warren W. Wiersbe illustrates that working for God’s Kingdom requires tenacity, never-ceasing prayer, and protective battle gear that only God can provide. In this commentary, you’ll grasp the imminent danger of false teachers and, thus, the overwhelming need for godly ministers—people who preach, practice, and progress in the Word. By explaining how a healthy body of believers should operate, Wiersbe uses Paul’s words to encourage today’s church to stay the course and be faithful! Courageous Leadership Workbook-John C. Maxwell 2008-05-04 Courageous Leadership Workbook will help both you and your leadership team become the exceptional leaders that God has called you to be. Now more than ever, the world is looking for great leaders. Biblical leadership goes beyond mere ability and personality. Consider your church staff, small group members, or colleagues: Are they leading as effectively as they could? Are they maximizing their own potential? Are they effectively cultivating the talents and gifts within those they influence? The Courageous Leadership Workbook serves as a "how to" guide for every leader. Workbook for Lectors and Gospel Readers 2009 Canada-Mary Ehle 2008-01-01 1 & 2 Timothy, Titus-Gordon D. Fee 1989-04-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices, yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series. Paul’s Letters to Pastors-Big Dream Ministries 2006 The Bible is simply a love letter compiled into sixty-six books and written over a period of sixteen hundred years by more than forty authors living on three continents. Although the authors came from different backgrounds, there is one message, one theme, one thread that runs throughout the entire Bible from the first book, Genesis, to the last book, Revelation. That message is God’s redeeming love for mankind—a message that is as relevant for us today as it was two thousand years ago. Paul’s Letters to Pastors (First Timothy, Second Timothy, Titus, and Philemon) were written to individual men responsible for leadership in three different churches: Timothy in Ephesus, Titus on the island of Crete, and Philemon in Colossae. These letters were written over a period of six years, from AD 61 to 67. Second Timothy is Paul’s last epistle penned from prison, most likely just months before his martyrdom. From the very beginning
of the church, leadership was necessary, and appropriate leaders and their leadership roles had to be established. Thus, as you study these books, you will become acquainted with the character traits of a leader, the various forms of leadership, the descriptions of ministry for various groups of people within the church, and the warnings against false teachers and practices. All of this was new ground in the first century AD, and under the guidance of the Holy Spirit, it was ground broken well and permanently. Two millennia later, biblical churches still look to these books for direction in church leadership.
