'Tis The Season-Judith Arnold 2017-09-04 Billy and Gracie Myers don't believe in magic. Not even at Christmastime. They don't believe in ghosts. Not even when they discover a haunted house in the woods behind their home. Filomena Albright lives in that house, and maybe, just maybe, she can bring a little magic into their lives—and their father's. Evan Myers is overworked and stressed out, steering his chain of sporting-goods stores through the hectic pre-holiday retail season while raising his young son and daughter single-handedly. He has no time to think, let alone think about the woman who has taken up residence in the mysterious house through the forest. But when Gracie’s preschool teacher warns Evan that he’d better get some help, he turns to the Daddy School—and Filomena. That she dazzles him with her intelligence, her energy, and her beauty is irrelevant. She'll be gone with the new year. For now, though, for these few weeks before Christmas, maybe she can be everything Evan and his children need her to be. Christmas is a time of magic, after all.

'Tis The Season for Magic-Michelle Angel 2020-07-20 This book contains two connected short stories, Sugarplum Magic and Holidays Spirits. In Sugarplum Magic, Ivy was expecting to spend another holiday alone, when her husband shows up to surprise her. She and Channing then spend their first Christmas Eve together, as a married couple in Paris. On this night, as they decorate the tree and exchange gifts, they're certain everything in their lives is perfect. Holidays Spirits takes place a few years later. On this Christmas Eve, Channing is alone, in a big, empty house in Vienna. He's missing Ivy, remembering what they once had and what they lost, when a spirit shows up, hoping to alter the future he and Ivy seem destined to have. These are not your typical feel-good, heartwarming holiday stories - but both are full of love, and the happiness as well as the sadness that may bring. While one story focuses on the joys of a young couple spending their first holiday together, the other story focuses on the lonely side of the holiday. These stories can be enjoyed without having read Ivy & Channing: The Beginning of a Love Story. These stories can be viewed as an
introduction to the characters, or a supplement to their story.
