To A Young Jazz Musician
Letters From The Road

To a Young Jazz Musician-Wynton Marsalis 2009-03-12 In To a Young Jazz Musician, the renowned jazz musician and Pulitzer Prize—winning composer Wynton Marsalis gives us an invaluable guide to making good music—and to leading a good life. Writing from the road “between the bus ride, the sound check, and the gig,” Marsalis passes on wisdom gained from experience, addressed to a young musician coming up—and to any of us at any stage of life. He writes that having humility is a way to continue to grow, to listen, and to learn; that patience is necessary for developing both technical proficiency and your own art rather than an imitation of someone else’s; and that rules are indispensable because “freedom lives in structure.” He offers lessons learned from his years as a performer and from his great forebears Duke Ellington, Charlie Parker, and others; he explores the art of swing; he discusses why it is important to run toward your issues, not away; and he talks about what to do when your integrity runs up against the lack thereof in others and in our culture. He poetically expresses our need for healers: “All of it tracks back to how you heal your culture, one patient at a time, beginning with yourself.” This is a unique book, in which a great artist offers his personal thoughts, both on jazz and on how to live a better, more original, productive, and meaningful life. To a Young Jazz Musician is sure to be treasured by readers young and old, musicians, lovers of music, and anyone interested in being mentored by one of America’s most influential, generous, and talented artists.

Saginaw Jazz Musician-Brendan Rewakowski 2021-08-11

Traditional, straight-ahead, contemporary mainstream and acoustic jazz will continue to prosper. Up-and-coming young jazz
musicians, inspired and influenced by blues, swing, bebop, and hard bop, will continue to push the musical envelope within the traditional acoustic jazz combo setting. Anyone interested in American music will find this newly uncovered material fascinating. An impressive number of Saginaw area musicians and composers have gone on to national and international fame in a variety of genres. For example, jazz legend Sonny Stitt likewise hailed from Saginaw, as did the legendary Stevie Wonder and Motown Orchestra leader, Choker Campbell.

Black Love Notes—Denis Gray 2014-07-25 Modecai Jefferson is a young, dynamic 1940s jazz musician who carries his piano on his back, hears music every second of the day, and enjoys playing for his lover and biggest fan in Way City, Alabama—Delores Bonet. To Modecai, he and Delores are like black love notes on a musical page. But all of that is about to change the day he hears a recording of up-and-coming Harlem jazz trumpeter, Bunny Greensleeves. If he wants to make a name for himself, Modecai needs to find a way out of Alabama and to the jazz capital of the world. Bunny, who is driven to overcome his impoverished Mississippi upbringing, desperately wants fame, fortune, and power. Meanwhile after Dolores’s ex-con boyfriend returns and threatens Modecai’s life, he heads for New York sooner than expected. After Modecai eventually meets up with Bunny, the two musicians struggle to overcome the obstacles in a city where success is marginal and failure is predicted—all while attempting to leave their mark with their dynamic talent and inventive jazz compositions. Now only time will tell if they will ever achieve all their dreams. Black Love Notes chronicles the journey of two young jazz musicians as they strive for fame and fortune amid a 1940s Harlem where hurt and regrets, crooked deals, and murder lurk in the shadows.

Play and Learn Jazz Combo Collection, Easy—Willie Thomas 1997-07-01 Full score and parts for six great combo charts by a master at writing for the young jazz musician. Titles are: Thumbs

What It Is-Dave Liebman 2012-03-15 Dave Liebman is one of the leading forces in contemporary jazz. Prominently known for performing with Miles Davis and Elvin Jones, he has exerted considerable influence as a saxophonist, bandleader, composer, author, and educator. In addition to his recent recognition as a National Endowment for the Arts Jazz Master, he has received the Order of Arts and Letters from France and holds an honorary doctorate from the Sibelius Academy in Helsinki, Finland. He has mentored many of today's most notable young jazz musicians worldwide and is a prolific writer on jazz. In What It Is: The Life of a Jazz Artist, friend, pianist, and noted jazz scholar Lewis Porter conducts a series of in-depth interviews with Liebman, who discusses his professional, personal, and musical relationships with Davis and Jones, as well as such notable musicians as Chick
Corea, Richie Beirach, Michael and Randy Brecker, and many others. Through the interviews, Liebman discusses such personal matters as contracting polio as a child and the difficulties it caused as an adult during his rise as a jazz musician. He offers insights into the life of jazz performers of his generation, particularly the tumultuous period of the 1960s and 1970s. The book also features rare photos from Liebman's personal collection. A fascinating and witty storyteller, Liebman's stories in What It Is will appeal to jazz fans and scholars by providing a firsthand look into the creative life of one of America's leading jazz musicians.

Jeremy Monteiro: Late-Night Thoughts of a Jazz Musician-Jeremy Monteiro 2018-09-15 Jeremy Monteiro is a thinker and observer. He likes to think about music, life, people and human existence, and he loves to observe human behaviour. He loves people, loves to tell stories and share experiences. From his formidable virtuosity on the piano where he communicates non-verbally, to the stories he tells on stage at his many packed concerts and jazz club shows, he keeps his audiences in rapt attention. His Facebook and blog posts attract thousands of “Likes” and comments, often becoming their own lively discussion forums. In this book, Jeremy revisits, rewrites and updates many of his postings along with many new thoughts and stories. Sometimes thoughtful and sometimes silly, sometimes serious and sometimes irreverent, Jeremy writes with the confidence of one who has seen his fair share of ups and downs in life and is not afraid to speak his mind, while always observing his personal guiding light of fair comment. Going from fond reminiscences that tug at the heartstrings, to funny stories that will evoke a huge guffaw, the insightful essays in this volume takes you on a journey into the mind of one of Singapore’s most respected – and most loved – musicians.

What It Is- Dave Liebman is one of the leading forces in contemporary jazz. Prominently known for performing with Miles

You Just Fight for Your Life-Frank Buchmann-Moller 1990-01
"[This] is the big, warm book about Lester Young that swing lovers have been waiting for. . . . Matchless, four star satisfaction." Kirkus
74 Miles Away-J.D. Carpenter 2007-01-20 Long-listed for the 2009 ReLit Award Because business is slow for retired homicide detective Campbell Young’s new enterprise, A-1 Investigative Consultants, he decides to take a break a horse-playing vacation to Florida. No sooner are his plans made, however, than his old friend Priam Harvey approaches him with a complex problem: a young Caribbean jazz musician has been found dead in a Toronto
hotel room, his body surrounded by the paraphernalia of voodoo. Harvey, whose connection to the victim is revealed to be more than casual, persuades Young to put aside his Racing Form and pick up the trail of the killer. Young’s pursuit takes him all the way from the nightclubs of New York to the Pine Barrens of New Jersey and the backwater bars of Grand Bahama Island before the possibility presents itself that the murderer might actually be right in his own backyard. This is book #3 of the Campbell Young Mystery series. Book #2 is Bright’s Kill (Dundurn, 2005), and book #1 is The Devil in Me (McClelland & Stewart, 2001)

Wonderful Feels Like This-Sara Lövestam 2018-07-24 The Elegance of the Hedgehog meets The Perks of Being a Wallflower in Wonderful Feels Like This, a novel that celebrates being a little bit odd, finding your people, and the power of music to connect us. For Steffi, going to school everyday is an exercise in survival. She's never fit in with any of the groups at school, and she's viciously teased by the other girls in her class. The only way she escapes is through her music—especially jazz music. When Steffi hears her favorite jazz song playing through an open window of a retirement home on her walk home from school, she decides to go in and introduce herself. The old man playing her favorite song is Alvar. When Alvar was a teenager in World War II Sweden, he dreamed of being in a real jazz band. Then and now, Alvar's escape is music—especially jazz music. Through their unconventional but powerful friendship, Steffi comes to realize that she won't always be stuck and lonely in her town. She can go to music school in Stockholm. She can be a real musician. She can be a jitterbug, just like Alvar. But how can Steffi convince her parents to let her go to Stockholm to audition? And how it that Steffi's school, the retirement home, the music, and even Steffi's worst bully are somehow all connected to Alvar? Can it be that the people least like us are the ones we need to help us tell our own stories? "Sensitive and deeply moving: outstanding."

—Kirkus, starred review "Empathy, identity, and the
transformative power of music bind this tale of an atypical friendship between a teenage outcast and a jazz musician."
—Publishers Weekly, starred review "A coming-of-age tale of a young artist that is as soulful as it is triumphant." —School Library Journal

Concise Guide to Jazz—Mark C. Gridley 2004 For non-major courses in Evolution of Jazz, Jazz History, Jazz Survey, Introduction to Jazz, Jazz Appreciation, African-American Music. This abridged version of Jazz Styles was developed in response to student and professor requests for an introductory text offering the clarity and accuracy of Jazz Styles with 1/2 the size, 1/40 the number of names and tune titles, and 1/3 the number of musician profiles, in just 11 chapters. Written by an active jazz musician and jazz historian, this brief introduction to jazz examines how jazz originated, how it is made, what to listen for, the major style eras, and the individual styles of 43 historically significant jazz musicians. When purchased packaged with Concise Guide to Jazz the Jazz Classics CD and Demonstration CD are available at a discounted price. Want to include even more historical recordings for your study of jazz? Order a text package that includes the FREE Prentice Hall Jazz Collection CD. Click on PACKAGE OPTIONS to the left for more details.

Letters to a Young Athlete—Chris Bosh 2022-06-07 A legendary NBA player and beloved teammate shares his hard-earned wisdom about finding your true purpose and mastering your inner game, whatever that game might be. Chris Bosh is on any list of the Top 100 NBA players of all time—an eleven-time All Star, two-time Finals winner, Olympic gold medalist, and currently the league's Global Ambassador. Always an uncommonly philosophical NBA star, he found himself needing all the mindfulness he could muster in 2017, when his career was cut short at its prime by a freak medical condition. Suddenly, he was thrown out of the work that had given so much more than just a livelihood, and had to think deeply about his identity in the world.
This game had taught him so much; what could he make of it all? Out of that place of deep reflection has emerged an uncommon book for a retired superstar to write. While it has the best elements of a memoir--the portraits of the great players and coaches, from LeBron and Kobe to Pat Riley and Coach K, and the accounts of extraordinary competitive moments--it is really a wisdom book, a blend of The Inner Game of Tennis, Wynton Marsalis's To a Young Jazz Musician, and Rilke's Letters to a Young Poet. It is rich with insight about basketball, but even richer with insight about life. It's a book about finding a purpose that is deep and real, not shallow and external, and about navigating success and failure as the twin mirages they are--pushing past fear, past ego, past fatigue to the pure flow of sustained accomplishment in a mesh with teammates who have given themselves to the same thing. Chris Bosh found that flow, and sustained it at the highest level. He misses basketball keenly still, but he has no regrets. Deep, honest, unflinching, this book is his friend's hand up to those coming up behind, whatever their pursuit might be.

Young Jazz Ensemble Collection-Alfred Music Twelve outstanding arrangements for the young jazz ensemble written by experienced educational arrangers and composers. A variety of styles and tempos is included: swing, ballad, Latin, holiday, rock, and the classic "Take Five" with a 5/4 time signature. This collection of charts is written for full instrumentation -- five saxophones, four trumpets, four trombones and four rhythm -- but designed to sound full and complete with reduced instrumentation of just twelve players -- four saxes, five brass, piano, bass and drums. Optional parts are available for flute, clarinet, horn, baritone horn and tuba. Rhythm section parts offer suggestions for rhythms and piano voicings, and guitar chords are included to assist young guitarists. Solos are written out for improvised sections, and there is plenty of full-sounding ensemble. Titles: * Blues in the Night * Burritos to Go * Have Yourself a Merry Little Christmas *
Jumpin' at the Woodside * Jungle Boogie * Misty * Night and Day * On Green Dolphin Street * Sax to the Max * Summertime * Take Five * Tastes Like Chicken
Louis Armstrong-Pat McKissack 2001 Simple text and illustrations describe the life and accomplishments of the jazz trumpeter who was nicknamed Satchmo.
Life Lessons from the Horn-Sam Newsome 2015-09-24 Life Lessons from the Horn is collection of compelling essays revealing saxophonist Sam Newsome's unique insights as an artist, educator, and jazz musician of the 21st Century. Mr. Newsome, who teaches jazz studies at LIU Brooklyn, brings to each chapter, decades of experience as an important figure on the New York jazz scene as well as his numerous years as educator in the classroom. Mr. Newsome teamed up with acclaimed jazz writer Howard Mandel to turn what he describes as "rough cuts" from his blog, into "book-worthy" set of reads. Jazz writer Kevin Whitehead describes Life Lessons from the Horn as a book "that'll make you a better musician (and maybe even a better person)." If you are young musician serious about jazz, or if you're a seasoned professional looking for inspirational thoughts, this book has a little bit for everybody. "I wish that I had this book when I was much younger, as I'd probably be further along in my studies by now!" says Ethan Iverson, pianist and composer and writer of the blog Do the Math.
Wrong Time, Wrong Place-Jeff Resnick 2005-09-01 Imagine yourself a young jazz musician performing for a large and appreciative concert audience. Seeking creative and spiritual release, you close your eyes in mid-phrase and soon find yourself journeying to The Zone, that magical place to which all improvisatory musicians seek to travel every time they set foot on stage. Oh, you've been there before, many times. Indeed, your journey has become almost commonplace. But this time is different. While you can't know it yet, your dreams progressively hint at the startling realization that your return journey has
deposited you in the wrong time]25 years in the future, and the wrong place]a different stage. Is there a way back? In this eagerly anticipated sequel to his highly acclaimed novel, Stardust, author Jeff Resnick explores the intriguing story of jazz saxophonist Woody Reed. Hop on, and strap in, for this roller coaster is quickly gathering speed. Enjoy the ride!

Louis Armstrong-Joel Newsome 2017-12-15 The world of jazz was just developing when Louis Armstrong was born in 1901. During his life, Armstrong became a defining figure in the burgeoning jazz movement, developing his own style in both bands and in a solo career. His unique approach inspired other jazz contemporaries, including Bing Crosby and Billie Holiday. This is the story of his life, death, and legacy, and his lasting influence on jazz today.

Jazz & Blues Musicians of South Carolina-Benjamin Franklin 2008 Through detailed interviews with 19 South Carolina musicians, jazz historian and radio host Benjamin Franklin presents an oral history of the tradition and influence of jazz and the blues in the Palmetto State.

Hunger's Season-Paul H. Wilson 2010-02-01 A deeply engrossing story in which an ex-baseball star of the Negro leagues and a young jazz musician are caught up in the violence of a small Southern community during the Civil Rights Movement.

African-American Jazz Musicians in the Diaspora-Larry Ross 2003 This study examines the migration of African American jazz musicians to other parts of the world from 1919 to the present. It provides evidence that African American jazz musicians fared better in the diaspora than they did in America where jazz and its inventors were born. Written by an anthropologist who is also a jazz musician, it provides a treatment of the cultural, historical, artistic, innovative, and aesthetic aspects of the migration of African American jazz musicians to the diaspora.

Jazz Practice Ideas with Your Real Book-Andy McWain 2015-06-21 Thirty-Six Jazz Practice Ideas to Get the Most from Your Real
Book You may know about the REAL BOOK, but what you probably don’t know is how much MUSICAL PROGRESS can be accomplished with only a single fake book! Don’t know what to practice? Don’t want to waste valuable time? Based on years of university-level teaching, the author of this book gives jazz musicians: Simple, focused melodic, harmonic, and rhythmic strategies on how to use their limited practicing time more efficiently. Easy-to-understand practice ideas for any jazz musician to apply over any real book tunes. A blueprint of improvisation tips to avoid the pitfalls of directionless practicing. Here’s the beginner/intermediate jazz strategy list you’ve never seen before: Thirty-six actionable melodic ideas, harmonic ideas, rhythmic and metric tips, ear training exercises, and basic arranging and composition blueprints, and more... Do you know why many young musicians fail? Why intermediate-level musicians get stuck? Do you feel like the secrets of WHAT and HOW to practice jazz improvisation are out of your reach? Do you want to really deepen your connection to the music you play? Sometimes jazz musicians want to get better, but don’t always know how — even with the help of a teacher. These thirty-six jazz practice ideas cover a wide range of modern jazz improvisation strategies, presented in clear topic chapters to provide the most effective results for beginner and intermediate players. You want to know what to practice? Any real book or fake book tune. Okay, now what? Choose one or more of these 36 actionable practice ideas and make real progress with your musical abilities: improvisation and soloing, ear training, connecting harmony, and more. For jazz piano, jazz guitar, jazz saxophone, jazz trumpet, jazz bass, jazz voice, jazz trombone, jazz drums, and all other improvising instruments.

Jazz Musicians, 1945 to the Present—David Dicaire 2015-01-27
From its very beginnings, the nature of jazz has been to reinvent itself. As the musical genre evolved from its roots—blues, European music, Voodoo ceremonies, and brass bands that played
at funerals, parades and celebrations—the sound reflected the
tenor of the times, from the citified strains of the Roaring ’20s to
the Big Band swing of pre–World War II to the bop revolution that
grew out of the minimalist sound the war forced upon the art
form. That the music continued to develop and evolve is a tribute
to the power and creativity of its musicians. Charlie Parker,
Thelonious Monk, Sarah Vaughan, Art Blakey, Dave Brubeck, Sun
Ra, John Coltrane, Miles Davis, Diana Krall, Archie Shepp, Chick
Corea, Branford Marsalis, Larry Coryell, and Kenny Kirkland are
just some of the jazz greats profiled here. The five major periods
of jazz—the bop revolution, hard bop and cool jazz, the avant-
garde, fusion, and contemporary—form the basis for the sections
in this reference work, with a brief history of each period
provided. The artists who were integral to the evolution of each
period are then profiled. Each biographical entry focuses on the
artist’s life and his or her influence on jazz and on music as a
whole. A complete discography for each musician is also
provided.
The Contradictions of Jazz-Paul Rinzler 2008-10-16 In The
Contradictions of Jazz, Paul Rinzler takes a new approach to jazz
aesthetics and theory by exploring four pairs of opposites present
in jazz: individualism and interconnectedness, assertion and
openness, freedom and responsibility, and creativity and
tradition. By themselves, these eight values speak volumes about
the meaning of jazz and its significance. Understanding how these
opposites coexist in jazz leads to an exploration of the
connections linking jazz with the experiential and existential,
which contrast with the connections between composition and
science. Rinzler explains the various concepts, including either/or
and dialectic thinking, and then examines the pairs of opposites
individually, describing their position and presence in jazz. He
then demonstrates how the larger meaning of these contradictory
opposites depends on ideas from the philosophies of
phenomenology and existentialism. Rinzler considers the
opposites inherent in the product and process of jazz, as well as mistakes and the challenge of perfection, presenting these values in light of the contradictions inherent in jazz. With a full bibliography and an index, The Contradictions of Jazz is a fascinating read for fans and scholars of jazz history and aesthetics.

Dingo-Marc Rosenberg 1992 Screenplay of the recently released film of the same name. Set in outback Western Australia and Paris, it concerns a chance meeting between a young Australian boy and a famous jazz musician. The story follows the former's subsequent ambition to play jazz in a Paris club. Winner of the 1991 Australian Writers' Guild Award for Best Original Screenplay. Includes an introduction by the film's director, Rolf de Heer.

Soul-Jazz Organists-Source Wikipedia 2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 19. Chapters: Baby Face Willette, Charles Earland, Freddie Roach (organist), Gene Ludwig, Hank Marr, Jack McDuff, Jimmy McGriff, Jimmy Smith (musician), Joey DeFrancesco, Johnny "Hammond" Smith, John DeFrancesco, John Patton (musician), Larry Young (musician), Leon Spencer, Lonnie Smith (jazz musician), Marilyn Marshall (singer), Rhoda Scott, Richard Holmes (organist), Shirley Scott, Todd Cochran, Winston Walls. Excerpt: Jimmy Smith (December 8, 1925 or 1928 - February 8, 2005) was a jazz musician whose performances on the Hammond B-3 electric organ helped to popularize the instrument. In 2005, Smith was awarded the NEA Jazz Masters Award from the National Endowment for the Arts, the highest honor that the United States bestows upon jazz musicians. His birth year is of some confusion, with various sources citing either 1925 or 1928. Born James Oscar Smith in Norristown, Pennsylvania, at the age of six he joined his father doing a song-and-dance routine in clubs. He began teaching himself to play the piano. When he was nine,
Smith won a Philadelphia radio talent contest as a boogie-woogie pianist. After a stint in the navy, he began furthering his musical education in 1948, with a year at Royal Hamilton College of Music, then the Leo Ornstein School of Music in Philadelphia in 1949. He began exploring the Hammond organ in 1951. From 1951 to 1954 he played piano, then organ in Philly R&B bands like Don Gardner and the Sonotones. He switched to organ permanently in 1954 after hearing Wild Bill Davis. He purchased his first Hammond organ, rented a warehouse to practice in and emerged after little more than a year. Upon hearing him playing in a Philadelphia club, Blue Note's Alfred Lion immediately signed him to the label and his second album, The Champ, quickly established Smith as a new star on the jazz scene. He was a prolific...

Black Notes—William C. Banfield 2004 Following in the footsteps of renowned authors like Alain Locke, Harold Cruse, and Amiri Baraka, Black Notes: Essays of A Musician Writing in A Post-Album Age, takes as its mission an important aesthetic inquiry, asking the compelling questions: How did we get where we are? What's next among this generation's artistic voices, concerns, and practices? What is the future of Black Popular Music? In this fascinating collection of essays, interviews, and notes, Author William C. Banfield celebrates and critiques the values of contemporary Black popular music through the exploration of both present and past voices and movements. From his unique vantage point as musician, artist, and writer, Banfield examines a variety of influences in the music world, from 17th-century composer/violinist Chevalier de St. Georges to jazz giant Duke Ellington; from producer Quincy Jones to pop legend Prince. Using a wide-angle lens, Banfield effectively draws from the academic world of cultural studies as well as a plethora of popular culture examples, including contemporary Black American composers, films, and television shows.

A Concise History of Jazz—JOHN ROBERT BROWN 2010-10-07
John Robert Brown presents an enthusiastic and authoritative account of a century of jazz. Written in a clear and engaging style by a well-known British author and jazz educator, this book offers an affectionate introduction to the people and places that are of worldwide importance in the history of this wonderful music.

Miles Davis—Charlotte Etinde-Crompton 2019-12-15 A bandleader and trumpet player, Miles Davis was one of the twentieth century's greatest musicians. Performing with jazz greats like Dizzy Gillespie and Charlie Parker early in his career, Davis expanded the idea of what jazz could be. His greatest albums redefined the genre, and members of his band, such as Wayne Shorter and Chick Corea, went on to become famous in their own right. Readers will learn that Davis also faced challenges, including rocky romances and a drug addiction he struggled to kick. Through it all, he found comfort in his music, which remains relevant decades after his death.

Squeak, Rumble, Whomp! Whomp! Whomp!—Wynton Marsalis 2013-03-14 The creators of Jazz ABZ are back for an encore! With infectious rhythm and rhyme, musical master Wynton Marsalis opens kids’ ears to the sounds around us. Features an audio read-along performed by the author! What’s that sound? The back door squeaks open, sounding like a noisy mouse nearby — eeek, eeeek, eeeek! Big trucks on the highway rumble, just as hunger makes a tummy rumble. Ringing with exuberance and auditory delights, this second collaboration by world-renowned jazz musician and composer Wynton Marsalis and acclaimed illustrator Paul Rogers takes readers (and listeners) on a rollicking, clanging, clapping tour through the many sounds that fill a neighborhood.

Latin Jazz—Christopher Washburne 2020 "Latin Jazz: the Other Jazz is an issue oriented historical and ethnographic study of Latin jazz that focuses upon key moments in the history of the music in order to unpack the cultural forces that have shaped its development. The broad historical scope of this study, which
traces the dynamic interplay of Caribbean and Latin American musical influence in 18th and 19th century colonial New Orleans through to the present global stage, provides an in depth contextual foundation for exploring how musicians work with and negotiate through the politics of nation, place, race, and ethnicity in the ethnographic present. As the book title suggests, Latin jazz is explored both as a specific sub-genre of jazz, and, through the processes involved in its constructed "otherness." Latin Jazz: the Other Jazz provides a revisionist perspective on jazz history by embracing and celebrating jazz' rich global nature and heralding the significant and undeniable Caribbean and Latin American contributions to this beautiful expressive form. This study demonstrates how jazz expression reverberates entangled histories that encompass a tapestry of racial distinctions and blurred lines between geographical divides. Jazz is a product of the black, brown, tan, mulatto, beige, and white experience throughout the Americas and the Caribbean. This book acknowledges, pays tribute to, and celebrates the diversity of culture, experience, and perspectives that are foundational to jazz. By doing so, the music's legacy is shown to transcend way beyond stylistic distinction, national borders, and the imposition of the black and white racial divide that has only served to maintain the status quo and silence and erase the foundational contributions of innovators from the Caribbean and Latin America"--

The Music of Free Flight, -- Classical Pieces in Jazz Style- 1997-06

These books are designed to give the jazz musician insight into the improvisation talents of Jim Walker and Mike Garson. Although this material is advanced in nature, young musicians will benefit greatly from listening to and working on these transcriptions from the original Free Flight recordings. The instrumental editions contain all the music and solos by Jim Walker (transposed so each book is compatible), and the piano accompaniment book contains Mike Garson's transcribed solos.
Includes play-along CDs.
The Oxford Companion to Jazz-Bill Kirchner 2005-07-14 A listener's guide to jazz brings together sixty essays on the history, performers, characteristics, and influence of jazz music.
Moon Over Soho-Ben Aaronovitch 2011-04-21 I was my dad's vinyl-wallah: I changed his records while he lounged around drinking tea, and that's how I know my Argo from my Tempo. And it's why, when Dr Walid called me to the morgue to listen to a corpse, I recognised the tune it was playing. Something violently supernatural had happened to the victim, strong enough to leave its imprint like a wax cylinder recording. Cyrus Wilkinson, part-time jazz saxophonist and full-time accountant, had apparently dropped dead of a heart attack just after finishing a gig in a Soho jazz club. He wasn't the first. No one was going to let me exhume corpses to see if they were playing my tune, so it was back to old-fashioned legwork, starting in Soho, the heart of the scene. I didn't trust the lovely Simone, Cyrus' ex-lover, professional jazz kitten and as inviting as a Rubens' portrait, but I needed her help: there were monsters stalking Soho, creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune. What they take is beauty. What they leave behind is sickness, failure and broken lives. And as I hunted them, my investigation got tangled up in another story: a brilliant trumpet player, Richard 'Lord' Grant - my father - who managed to destroy his own career, twice. That's the thing about policing: most of the time you're doing it to maintain public order. Occasionally you're doing it for justice. And maybe once in a career, you're doing it for revenge.
Jazz: the Basics-Christopher Meeder 2012-08-06 Jazz: The Basics gives a brief introduction to a century of jazz, ideal for students and interested listeners who want to learn more about this important musical style. The heart of the book traces jazz's growth from its folk origins through early recordings and New Orleans stars; the big-band and swing era; bebop; cool jazz and
third stream; avant-garde; jazz-rock; and the neo-conservative movement of the 1980s and 1990s. Key figures from each era including: Louis Armstrong, Benny Goodman, Charlie Parker, Miles Davis, and Wynton Marsalis are highlighted along with classic works. The book concludes with a list of the 100 essential recordings to own, along with a timeline and glossary. Jazz: The Basics serves as an excellent introduction to the players, the music, and the styles that make jazz 'America's classical music.'

Jazz Places-Kimberly Hannon Teal 2021-06-15 The social connotation of jazz in American popular culture has shifted dramatically since its emergence in the early twentieth century. Once considered youthful and even rebellious, jazz music is now a firmly established American artistic tradition. As jazz in American life has shifted, so too has the kind of venue in which it is performed. In Jazz Places, Kimberly Hannon Teal traces the history of jazz performance from private jazz clubs to public, high-art venues often associated with charitable institutions. As live jazz performance has become more closely tied to nonprofit institutions, the music's heritage has become increasingly important, serving as a means of defining jazz as a social good worthy of charitable support. Though different jazz spaces present jazz and its heritage in various and sometimes conflicting terms, ties between the music and the past play an important role in defining the value of present-day music in a diverse range of jazz venues, from the Village Vanguard in New York to SFJazz on the West Coast to Preservation Hall in New Orleans.

Jazz Superhero Lester Young 'Prez'-Eve Zanni 2018-02-22 Most mysterious, original and influential jazz musician of all time: Lester Young was an innovator in music, language, fashion style, attitude! His playing was emotional, humorous, expressive and swinging-beyond-measure! Lester's horn really 'sang' like a vocalist, his musical concepts were the most modern and advanced of his time; paving the way for the more contemporary bebop and avant garde styles to come.
Dysfunctional / Life Journeys of a Second Generation Jazz Musician-Ahmad Alaadeen 2011-01-01 “Ahmad Alaadeen is one of those musicians every community should treasure ... enriching his preferred environs with the wealth of his talents and sheer give-back spirit. His story is full of cautionary tales and triumphs over adversities, of music made and music lost, of unstinting life lessons and subsequent sage observations, and ultimately of contributing to the music which gave him so much sustenance. This is a book that every aspiring jazz musician should read and take heed, for Ahmad Alaadeen is certainly about dropping science on his readers. He pulls no punches, reveals both the grit and the triumph, ranging from growing up to Jay McShann's magnetic music in the 'hood, to the music he ultimately called his own. Dysfunctional is a curious title, for this is a man who surely functioned in the world he ultimately chose, and did so with great grace and humility."... Willard Jenkins

Lucky-Denis Gray 2010-07-22 It is June 1925, the dawning of a new, spectacular riverboat season, and Noble Princes Red-Hot Rhythm Band is set to play hot jazz on the Mississippi! Walter Von Bulow, the owner of the Morning Queen, has recently discovered Lucinda Lucky Martinson. Luckys a talented young jazz singer. Von Bulow hires her in the year 1925, to sing in Princes band. But shes in New Orleans for other reasons: Lucky Martinsons on a personal quest to reconcile her past. Luckys left Harlem and her boyfriend Tolliver Williamsa fellow jazz musician Luckys in love with. Shes put her personal and professional life at risk in traveling to New Orleans, Louisiana to unbury truths and lies. Luckys sucked further into New Orleanss network of mystery and intrigue once she uncovers these family secrets in a historical city where voodoo and superstition co-exist, and can destroy the people you love. Noble Prince nurtures Luckys singing ambitions, but Victor Malreauxa young, dynamic trumpet player in the Prince bandnurture her soul. Victor falls in love with Lucky. But Victor Malreaux as well as Noble Prince are in for a rude
awakening from Lucky Martinson; each for different reasons.
