But Debt of Honor surpasses them all, with Jack Ryan facing his greatest challenge - against a peril that may become all too real. In retrospect, it would seem an odd way to start a war... Enemies have become friends, friends enemies, and even the form of conflict has changed. What he cannot realize, however, is just how close the next conflict is. And when one of those new enemies readsies a strike not only at America's territory, but at the heart of her economy, it is Ryan, with the help of CIA officers John Clark and Domingo Chavez, who must prepare an untested President to meet the challenge, if Ryan can only figure out how. For there is a debt of honor to be paid - and the price will be terrifyingly high...
